The Essential Reference Guide to
America's Most Popular Songs and
Artists Spanning More than Fifty Years of
Music Beginning with Bill Haley & His
Comets' seminal "Rock Around the
Clock" all the way up to Lady Gaga and
her glammed-out "Poker face," this
updated and unparalleled resource

contains the most complete chart
information on every artist and song to
hit Billboard's Top 40 pop singles chart
all the way back to 1955. Inside, you'll
find all of the biggest-selling, most-
played hits for the past six decades.
Each alphabetized artist entry includes
biographical info, the date their single
reached the Top 40, the song's highest
position, and the number of weeks on
the charts, as well as the original record
label and catalog number. Other
sections—such as "Record Holders,"
"Top Artists by Decade," and "#1

Singles 1955-2009”—make The Billboard Book of Top 40 Hits the handiest and most indispensable music reference for record collectors, trivia enthusiasts, industry professionals and pop music fans alike. Did you know? • Beyoncé’s 2003 hit “Crazy in Love” spent 24 weeks in the Top 40 and eight of them in the #1 spot. • Billy Idol has had a total of nine Top 40 hits over his career, the last being “Cradle of Love” in 1990. • Of Madonna’s twelve #1 hits, her 1994 single “Take a Bow” held the spot the longest, for seven weeks—one week longer than her 1984 smash “Like a Virgin.” • Marvin Gaye’s song “Sexual Healing” spent 15 weeks at #3 in 1982, while the same song was #1 on the R&B chart for 10 weeks. • Male vocal group Boyz II Men had three of the biggest

chart hits of all time during the 1990s. • The Grateful Dead finally enjoyed a Top 10 single in 1987 after 20 years of touring. • Janet Jackson has scored an impressive 39 Top 40 hits—one more than her megastar brother Michael! *Groove Theory* Univ. Press of Mississippi NEW YORK TIMES BESTSELLER • “A tender novel of the pleasures and pitfalls of friendship Tara Road is an ultramodern love story for women, about women, between women that is sure to delight.”—Newsday New York Times bestselling author Maeve Binchy has captured the hearts of millions with her unforgettable novels. Binchy's graceful storytelling and wise compassion have earned her the devotion of fans worldwide--and made her one of the most beloved authors of our time. Now

she dazzles us once again with a new novel filled with her signature warmth, humor, and tender insight. A provocative tale of family heartbreak, friendship, and revelation, Tara Road explores every woman's fantasy: escape, into another place, another life. "What if . . ." Binchy asks, and answers in her most astonishing novel to date. Praise for Tara Road "Her best work yet . . . Tara Road is like a total immersion in a colorful new world, where the last page comes too soon."—Seattle Times "An irresistible tale."—Elle "Engrossing."—Wall Street Journal "Difficult to put down!"—Denver Post "One of Binchy's best."—Kirkus Reviews

The Billboard Book of Top 40 Hits, 9th Edition One World

Maceo Parker's signature style became

the lynchpin of James Brown's band when he and his brother Melvin joined the Hardest Working Man in Show Business in 1964. That style helped define Brown's brand of funk, and the phrase "Maceo, I want you to blow!" became part of the lexicon of black music. He took time off from James Brown to play with George Clinton's P-funk collective and with Bootsy's Rubber Band; he also formed his own band, Maceo and All the King's Men, whose records are cult favorites among funk aficionados. Here Maceo tells his own warm and astonishing story, from his Southern upbringing to his career touring the world and playing to adoring fans. Maceo has long called his approach to the saxophone "2% jazz, 98% funky stuff." Now, on the eve of Maceo's 70th

birthday, in prose as lively and funky as his saxophone playing, here is the definitive story of one of the funkier musicians alive.

Princeton Alumni Weekly Tor Books

The only complete history of Billboard's "Hot R&B/Hip-Hop Singles" chart, this book by Joel Whitburn is a mammoth monument to one of America's most beloved music styles. All the chart hits are here with complete with in-depth chart data, essential artist information and much, much more! Arranged by artist, this authorized Billboard Chart book includes everything from the the early R&B bands, doo-wop groups, sweet soul singers, hot funk unites, sexy divas and the hottest hip-hop stars of today. Each listing has a bio summary and then shows peak chart position,

chart debut date, total weeks charted for every song that cracked the charts. Over 4,400 artists and nearly 20,000 song titles.

Nantier Beall Minoustchine Publishing

By the author of Ducks, Newburyport, shortlisted for the Man Booker Prize 2019 and the Goldsmiths Prize DOT used to think she was perfect, with her pointy nose, pink skin and blonde hair. But now she lives on Abalone Avenue with a husband who chases women and swordfish. And she has a rather icky Fatal Flaw. And the universe doesn't give a damn! So DOT decides to End It All. Will death be fast? Slow? EMBARRASING? But despite her valiant suicide by tea cosy followed by a jaunt to the morgue, DOT wakes up...

It's a London thing princeton alumni weekly

National Book Award-finalist Ibi Zoboi makes her middle-grade debut with a moving story of a girl finding her place in a world that's changing at warp speed. Twelve-year-old Ebony-Grace Norfleet has lived with her beloved grandfather Jeremiah in Huntsville, Alabama ever since she was little. As one of the first black engineers to integrate NASA, Jeremiah has nurtured Ebony-Grace's love for all things outer space and science fiction—especially Star Wars and Star Trek. But in the summer of 1984, when trouble arises with Jeremiah, it's decided she'll spend a few weeks with her father in Harlem. Harlem is an exciting and terrifying place for a sheltered girl from Hunstville, and

Ebony-Grace's first instinct is to retreat into her imagination. But soon 126th Street begins to reveal that it has more in common with her beloved sci-fi adventures than she ever thought possible, and by summer's end, Ebony-Grace discovers that Harlem has a place for a girl whose eyes are always on the stars. Dot in the Universe Hal Leonard Corporation

On September 13, 1998, John Scalzi sat down in front of his computer to write the first entry in his blog Whatever--and changed the history of the Internet as we know it today. What, you're not swallowing that one? Okay, fine: He started writing Whatever and amused about 15 people that first day. If that many. But he kept at it, for ten years and running. Now 40,000 people drop by on a daily basis to see what he's got to say. About what? Well, about whatever: Politics, writing, family, war, popular

culture and cats (especially with bacon on them). Sometimes he's funny. Sometimes he's serious (mostly he's sarcastic). Sometimes people agree with him. Sometimes they send him hate mail, which he grades on originality and sends back. Along the way, Scalzi's become a best-selling, award-winning author, a father, and a geek celebrity. But no matter what, there's always another Whatever post to amuse and/or enrage his readers. Your Hate Mail Will Be Graded collects some of the best and most popular Whatever entries from the first ten years of the blog – a decade of Whatever, presented in delightfully random form, just as it should be. * Winner of the 2009 Hugo Award for Best Non-Fiction Book * Introduction by Star Trek actor Wil Wheaton Old Man's War

The Phish Companion Duke University Press

Don't Look Back, We're Not Going That Way! is a book for anyone who has felt unloved and unattractive, been broke, experienced failure, been fat and thin and fat again, had a fire, had cancer and/or a nervous breakdown, or been

widowed. This is also a book for anyone who has found love in midlife, experienced success, adopted a child, had a spiritual awakening, flourished from the love of family and friends, or started all over again after losing a spouse. It is told by a woman who can still "count her lucky chickens," a woman who makes you laugh out loud, and a woman you feel like you've known your entire life.

My Mom Is Trying to Ruin My Life

One World

Spanning nearly 20 years of writing by one of the premier critics of popular music today, this book reveals DeCurtis's ongoing engagement with rock 'n' roll as an artistic forum, a source of personal inspiration, and a compelling site of cultural struggle.

My Life, Our Times Harvard Business Press
 NEW YORK TIMES BESTSELLER "King's songs have mixed rock-soul heart-rush with real-world ache. So does her memoir...Revealing, humble, and cool-aunt chatty." -Rolling Stone The incredible life that inspired the hit Broadway musical Beautiful Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. A NATURAL WOMAN chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album Tapestry, and into her journey as a performer, mother, wife and present-day activist. Deeply personal, King's memoir

offers readers a front-row seat to the woman behind the legend and includes dozens of photos from her childhood, her own family, and behind-the-scenes images from her performances.
The International Who's Who in Popular Music 2002 Random House
 TheInternational Who's Who in Popular Music 2002offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry, providing full biographical details on pop, rock, folk, jazz, dance, world and country artists. Over 5,000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever

possible, information is obtained directly from the entrants to ensure accuracy and reliability. Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music. Out HarperCollins

Stanley Booth, a member of the Rolling Stones' inner circle, met the band just a few months before Brian Jones drowned in a swimming pool in 1968. He lived with them throughout their 1969 tour across the United States, staying up all night together listening to blues, talking about music, ingesting drugs, and consorting with groupies. His thrilling account culminates with their final concert at Altamont Speedway—a

nightmare of beating, stabbing, and killing that would signal the end of a generation's dreams of peace and freedom. But while this book renders in fine detail the entire history of the Stones, paying special attention to the tragedy of Brian Jones, it is about much more than a writer and a rock band. It has been called—by Harold Brodkey and Robert Stone, among others—the best book ever written about the 1960s. In Booth's afterword, he finally explains why it took him 15 years to write the book, relating an astonishing story of drugs, jails, and disasters. Updated to include a foreword by Greil Marcus, this 30th anniversary edition is for Rolling Stones fans everywhere.

Hit Me, Fred Crown

Tony Bolden presents an innovative

history of funk music focused on the performers, regarding them as intellectuals who fashioned a new aesthetic. Utilizing musicology, literary studies, performance studies, and African American intellectual history, Bolden explores what it means for music, or any cultural artifact, to be funky. Multitudes of African American musicians and dancers created aesthetic frameworks with artistic principles and cultural politics that proved transformative. Bolden approaches the study of funk and black musicians by examining aesthetics, poetics, cultural history, and intellectual history. The study traces the concept of funk from early blues culture to a metamorphosis into a full-fledged artistic framework and a named musical genre in the 1970s,

and thereby Bolden presents an alternative reading of the blues tradition. In part one of this two-part book, Bolden undertakes a theoretical examination of the development of funk and the historical conditions in which black artists reimagined their music. In part two, he provides historical and biographical studies of key funk artists, all of whom transfigured elements of blues tradition into new styles and visions. Funk artists, like their blues relatives, tended to contest and contextualize racialized notions of blackness, sexualized notions of gender, and bourgeois notions of artistic value. Funk artists displayed contempt for the status quo and conveyed alternative stylistic concepts and social perspectives through multimedia expression. Bolden

argues that on this road to cultural recognition, funk accentuated many of the qualities of black expression that had been stigmatized throughout much of American history.

Tears of a Tiger W. W. Norton & Company

Before he was the charismatic singer of Black Veil Brides and an accomplished solo artist under the Andy Black moniker, he was Andrew Dennis Biersack, an imaginative and creative kid in Cincinnati, Ohio, struggling with anxiety, fear, loneliness, and the impossible task of fitting in. With his trademark charm, clever wit, and insightful analysis, Biersack tells the story of his childhood and adolescence. The discovery of the artistic passions that would shape his life, and his

decision to move to Hollywood after his 18th birthday to make his dreams come true, even when it meant living in his car to make it all a reality. It's the origin story of one of modern rock's most exciting young superheroes, from building miniature concerts with KISS action figures in his bedroom to making the RIAA gold-certified single "In the End" and connecting with passionate fans worldwide.

Year of Yes A&C Black

The famous trombonist and arranger from the James Brown band and Parliament-Funkadelic tells his own story.

Decoded UNC Press Books

This book is a record of the Black music culture that emerged in post-colonial London at the end of the twentieth

century; the people who made it, the racial and spatial politics of its development and change, and the part it played in founding London's precious, embattled multicultural. It tells the story of the linked Black musical scenes of the city, from ska, reggae and soul in the 1970s, to rare groove and rave in the 1980s and jungle and its offshoots in the 1990s, to dubstep and grime of the 2000s. Melville argues that these demonstrate enough common features to be thought of as one musical culture, an Afro-diasporic continuum. Core to this idea is that this dance culture has been ignored in history and cultural theory and that it should be thought of as a powerful and internationally significant form of popular art.

Tara Road Mel Bay Publications

Everyone has only nice things to say about my mom. Everyone likes her. She looks nice. She bakes great cookies and makes me feel better when I have a bad day. But would a really nice mom do embarrassing things like kiss me in public and tell loud jokes that no one thinks are funny? Well, my mom does those terrible things and worse - that's why I am sure that I have the most embarrassing mom in the world and that my mom is trying to ruin my life... Or is she?

The Beautiful Ones Omnibus Press
 #1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric

sheets, and the exquisite memoir he began writing before his tragic death

NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN

- **NOMINATED FOR THE NAACP IMAGE AWARD**

Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars

of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple

Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the

world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the book’s images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince’s ideas and vision, his voice and image—his undying gift to the world.
