The witches who populate these 100 delightfully scary stories include practitioners of white witchcraft and devotees of black magic.

**Littlest Witch's Story** Twin Sisters®

"Once upon a time there was a little witch who was only a hundred and twenty-seven years old"—that's how the story of the little witch and her talking raven Abraxas begins, and though one hundred and twenty-seven isn't at all old for a witch, Little Witch already has a big problem. Every year, on Walpurgis Night, all the witches of the land meet to dance on Brocken Mountain. Little Witch is still too little to be invited, but this year she decided to sneak in anyway—and got caught by her evil aunt Rumpumpel! Little Witch is in disgrace. Her broomstick has been burned. She's been made to walk home. She's been told that she has a year to pull off some seriously good witchcraft if she wants to be invited to Walpurgis Night ever. And then there's an even bigger problem: What after all does it mean to be a good witch? One way or another, by the end of the story, Little Witch will have proved herself to be the biggest and best witch of all.

*Little Witch's Zoomin' Broom* Simon and Schuster

The heroine of this story is convinced that she is a real witch. After checking her calendar and noting that it is Aunt Ruby's birthday, the girl predicts both a visit to the less-than-loved relative and that her cat won't be allowed to go (without admitting that these events occur each year). For her next trick, the little witch prevents a thunderstorm (and disarmingly invokes her spells against a backdrop of clear blue skies, which in no way diminishes her feat). Her potion to make Aunt Ruby stop pinching cheeks and serving stale cookies is foiled when Aunt Ruby announces that she is not thirsty. With irrefutable logic, Adler's witch stakes her claim to spells and enchantment that happen to be disguised as ordinary events. Children will be charmed by her arguments and by Stevenson's childlike, colorful drawings, which lend a note of informal gaiety to this cute story. Ages 5-8.
