SCARLET SCHNEIDER

Tweakerville Sphere

Discover one of the most fascinating and mysterious stories in the history of exploration. In 1845, Sir John Franklin led a British search for the Northwest Passage. Two years later, the expedition

had not returned. Searchers took more than a decade to establish that all crewmembers were dead, and their ships lost. How and why it happened, however, remains a mystery to this day. In this souvenir catalogue, iconic artifacts recovered following the Expedition's disappearance are featured with more recent finds and images, including the discovery of HMS Erebus and Terror. Step into the perilous world

of 19th century Arctic exploration and see the conditions aboard the Expedition's vessels ? from the voyage's confident beginnings to its tragic end. Discover the critical role played by Inuit in revealing the Expedition's fate through artifacts and oral histories ? crucial pieces in a story that continues to capture our imagination, more than a century and a half later.

Don't Tell the Newfoundlanders Penguin Group

When her independent reputation is compromised by her engagement to master vampire Jean-Claude, Anita takes an assignment from the FBI to track down a practitioner of dark voodoo who is victimizing women.

The Girl and the Mountain Anchor Canada

A detailed look at the charmed life and tragic death of one of Hollywood's earliest stars A vibrant and beloved Golden Age film comedienne who worked alongside the Marx Brothers, Laurel and Hardy, Ginger Rogers, Cary Grant, Clara Bow, and dozens of others, Thelma Todd was one of the rare actors to successfully cross over from silent films to "talkies." This authoritative new biography traces Todd's life and career, from a vivacious little girl to a young woman who became a reluctant beauty queen to her rapid rise as a Hollywood comedy star to her mysterious death at the age of 29. Increasingly disenchanted with the studio star system, Todd opened the successful Thelma Todd's Sidewalk Café, attracting adoring fans, tourists, and Hollywood celebrities. Life

appeared blessed for the beautiful and outspoken Hollywood rebel. So the country was shocked when Todd was found dead by her housekeeper in a garage near the café. An inquest concluded that her death was accidental, caused by inhaling the car's exhaust fumes. In a thorough new investigation that draws on FBI documents, interviews, photographs, reports, and extortion notes—much of these not previously available to the public—author Michelle Morgan offers fresh evidence and conclusions about the circumstances surrounding Todd's death, proving what many people have long suspected, that Thelma had been murdered. The cast of suspects includes Thelma's Hollywood-director lover; her gangster ex-husband; assorted thugs

who were pressuring her to install gaming tables in the room above her popular café; and a new, never-before-named mobster. Coinciding with the 80th anniversary of Todd's death, *The Ice Cream Blonde* is sure to interest any fan of Thelma Todd, Hollywood's Golden Age, or gripping real-life murder mysteries.

Water and Ice Grand Central Publishing
The author of "Bodies from the Ash" and "Bodies from the Bog" takes readers on a captivating and creepy journey to learn about glaciers, hulking masses of moving ice that are now offering up many secrets of the past. Full color.
[The Terror](#) Untreed Reads
New from Smithsonian Books, *After the Ice* is an eye-opening look at the winners and losers in the high-stakes story of

Arctic transformation, from nations to native peoples to animals and the very landscape itself. Author Alun Anderson explores the effects of global warming amid new geopolitical rivalries, combining science, business, politics, and adventure to provide a fascinating narrative portrait of this rapidly changing land of unparalleled global significance.

The Girl in the Ice W. W. Norton & Company

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry

Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Ice of Death Souvenir Catalogue
In the snowy predawn of February 18,

1942, a convoy of three American ships zigzagged up the North Atlantic toward Newfoundland, heading for one of the worst disasters in naval history. The ships were under radio silence to protect their position from the threat of German U-boats. A storm was raging, visibility was zero, and the currents had turned wildly unpredictable. With only unreliable soundings to guide them across the jagged ocean floor, all three vessels ran aground on the sheer rock coast of Newfoundland. Attempts to carry lifelines ashore were thwarted by heavy surf, cold, oil slicks, and floating wreckage. A few sailors, however, overcame the odds and managed to reach the coast where the communities of Lawn and St. Lawrence effected a super-human rescue operation. Two

hundred and three American sailors died as the Wilkes, the Pollux, and the Truxtun were battered against the icy shore by the treacherous North Atlantic. And those who survived would return home to receive not a hero's welcome but the harsh interrogation of their naval superiors.

The Ice Limit St. John's, Nfld. : Flanker In Tweakerville, the first novel by Alexei Melnick, we are drawn into Hawai'i's ice world. When the novel begins, narrator Jesse Gomes, a 17-year-old who runs drugs on his moped, is partying with his dealer and crew, stealing beer and fighting. Rain falls on the tarps covering the back yard; people throw bottles into the street; everyone is high. It is the best night of Jesse's life. The following morning, he wakes up next

to a girl who has ODD on ice. They roll her body in a piece of carpet and drive to an isolated patch of forest, where Jesse digs her grave. The story, told largely in a brutal, flat pidgin, is chilling in its matter-of-factness and its refusal to either demonize or valorize characters who seem, from the outside at least, completely amoral. Empathetic readers will relate to the characters' desperation and social, economic, and political powerlessness; even though the characters themselves are far beyond despair. Melnick shows us that Tweakerville exists right under our noses, if we would only bother to look. Death in the Time of Ice W. W. Norton & Company

When a decomposed body turns up in the ice house of Streech Grange manor,

Chief Inspector Walsh is assigned to investigate the possibility that the corpse is the long-missing husband of owner Phoebe Maybury.

Ice Hunt Little, Brown

Larkin Mills: The Birthplace of Death!

Larkin Mills is no ordinary town. It's a place of contradictions and enigma, of secrets and mysteries. A place with an exquisite ice cream parlour, and an awful lot of death. An extraordinary mystery in Larkin Mills is beginning to take shape. First we meet the apparently healthy Albert Dance, although he's always been called a sickly child, and he's been booked into Larkin Mills' Hospital for Specially Ill Children. Then there's his neighbour Ivor, who observes strange goings-on, and begins his own investigations into why his uncle

disappeared all those years ago. Next we meet Young Olive, who is given a battered accordion by her father, and unwittingly strikes a dreadful deal with an instrument repair man. Make sure you keep an eye on Mr Morricone, the town ice-cream seller, who has queues snaking around the block for his legendary ice cream flavours Summer Fruits Suicide and The Christmas Massacre. And Mr Milkwell, the undertaker, who has some very dodgy secrets locked up in his hearse. Because if you can piece together what all these strange folks have to do with one another . . . well, you'll have begun to unlock the dark secrets that keep the little world of Larkin Mills spinning . . .

The Ice Princess Open Road Media
Her eyes are wide open. Her lips parted

as if to speak. Her dead body frozen in the ice . . . She is not the only one. When a young boy discovers the body of a woman beneath a thick sheet of ice in a South London park, Detective Erika Foster is called in to lead the murder investigation. The victim, a beautiful young socialite, appeared to have the perfect life. Yet when Erika begins to dig deeper, she starts to connect the dots between the murder and the killings of three prostitutes, all found strangled, hands bound and dumped in water around London. What dark secrets is the girl in the ice hiding? As Erika inches closer to uncovering the truth, the killer is closing in on Erika. The last investigation Erika led went badly wrong... resulting in the death of her husband. With her career hanging by a

thread, Erika must now battle her own personal demons as well as a killer more deadly than any she's faced before. But will she get to him before he strikes again? A page-turning thriller packed with suspense. If you like Angela Marsons, Rachel Abbott and Karin Slaught, discover Rob Bryndza today. Read what people are saying about The Girl in the Ice: 'I freakin' LOVED it! . . . Once in a while a book stops you in your tracks . . . this is THAT book!' Crime Book Junkie 'I loved, loved, loved this book and Erika Foster is most definitely my kind of heroine. She is smart, tenacious, direct and passionate...I found the writing tight, evocative and enthralling. I CAN NOT wait for the next installment.' Angela Marsons 'A non-stop, edge-of-your-seat, rollercoaster of a thriller!The

ending, oh the ending! My mind is still blown! This book does not disappoint!' The Book Addicted Boy 'Oh my gosh!...gripping, grimy, hardcore, thrilling...I was hooked!!!!...I loved this book...You Have GOT To Read This!' A Page of Fictional Love 'An intriguing web of lies, secrets and suspense. I really enjoyed getting to know DCI Foster and am already looking forward to the next book.' Mel Sherratt 'A compelling read - once you've started, it's hard to put down.' Rachel Abbott 'Hands-down, one of the most exciting, dramatic, tense and compelling thrillers that I think I have ever read.' Bookaholic Confessions 'Absolute perfection!...Boy are there some sharp turns! There were a few moments when I felt like I had it all figured out and I was so wrong! Fantastic

book!...' The Eternal Optimist 'The Girl In The Ice is a brilliantly clever crime thriller...Had me hurtling at full speed, until WHAM!!!! with an ending that just totally blew me away! An absolute must read for all you crime fanatics out there.' By The Letter Book Reviews 'Engaging, thought provoking, full of suspense this is one murder mystery you won't want to miss.' Erisea Magazine 'With a great plot that really digs into the depths of human nature and some fascinating characters that really were excessive shades of light and dark...The book keeps you guessing and on edge, you will think you have it ALL worked out, but the twisty reveal was very impressive, loved it.' Book Lover Cat Lady 'I found myself racing through the chapters...it has plenty of twists and turns, with enough

red herrings to keep the reader captivated to the very last page, it's addictive, compulsive and much more.' The Book Review Café After the Ice Simon and Schuster "From the author of *The River at Night* and *Into the Jungle* comes a harrowing new thriller as a linguist, broken-hearted after the apparent suicide of her glaciologist brother, ventures hundreds of miles north of the Arctic Circle to try to communicate with a young girl who has thawed from the ice alive"-- Trial by Ice Simon and Schuster Enga Dancing Flower knows her Neanderthal tribe is in trouble. The dark seasons are becoming longer and the mammoth herds are fleeing south. When the tribal leader is found stabbed to death, the new leader thinks Enga did it.

Expulsion and certain death loom. Enga must find the murderer to save her tribe -- and herself. Nominated for Best Historical Mystery in the 2014 Agatha Awards!

Alone on the Ice: The Greatest Survival Story in the History of Exploration Baen Books

The "death of hockey star Derek Boogaard at twenty-eight was front-page news across the country in 2011 and helped shatter the silence about violence and concussions in professional sports. Now, in a ... work of narrative nonfiction ... reporter John Branch tells the ... story of Boogaard's life and heartbreaking death"--Amazon.com. *Black Ice* Simon and Schuster
 "An extraordinary real-life adventure of men battling the elements and

themselves, told with ice-cold precision." --Kirkus Reviews (starred review) In the dark years following the Civil War, America's foremost Arctic explorer, Charles Francis Hall, became a figure of national pride when he embarked on a harrowing, landmark expedition. With financial backing from Congress and the personal support of President Grant, Captain Hall and his crew boarded the *Polaris*, a steam schooner carefully refitted for its rigorous journey, and began their quest to be the first men to reach the North Pole. Neither the ship nor its captain would ever return. What transpired was a tragic death and whispers of murder, as well as a horrifying ordeal through the heart of an Arctic winter, when men fought starvation, madness, and each other

upon the ever-shifting ice. Trial by Ice is an incredible adventure that pits men against the natural elements and their own fragile human nature. In this powerful true story of death and survival, courage and intrigue aboard a doomed ship, Richard Parry chronicles one of the most astonishing, little known tragedies at sea in American history.

“ABSORBING . . . Suspense builds as Parry describes the events leading up to Hall’s ‘murder,’ then climaxes in horrifying detail.” –Publishers Weekly
“RIVETING.” –Library Journal

Death on the Ice America Star Books

In this survival story set in Alaska, fourteen-year-old Vicky and her dog sled team find an injured sledder in the wilderness.

Standing Into Danger Houghton Mifflin

Harcourt

Certain Death in the Ice is the true story of a British family's expedition to sail around the world. Join the family on their journey as they first sail to Rio, and enjoy a South American adventure all the way along the coast to the Pacific. Re-routing because of Somali pirate activity around the Suez Canal, the family journeys back around Cape Horn to the Southern Atlantic and the Falkland Islands - and then set sail for Cape Town, South Africa. Terror follows when struck by a wild gale and events take a dangerous turn! The family communicate their peril via satellite communications, and ship officers and friends around the world send survival advice - but no one is close enough at hand to mount a rescue. Together, the

family face *Certain Death in the Ice!*

The Ice House Dial Press

The tragic story of Robert Falcon Scott's quest for the South Pole is brought to sparkling new life in this adventure novel. It is one of the most famous quotes in the history of exploration: "I am just going outside. I may be some time." The story of how former cavalry officer Lawrence Oates came to deliver his brave last words, before walking bootless into a Antarctic blizzard so that Robert Falcon Scott and the other members of the ill-fated Terra Nova Expedition might have a better chance of survival, is brilliantly reimagined in this epic novel based on fact. A hero of the Boer Wars, Oates joined Scott's second journey to Antarctica with dreams of winning the race to the South

Pole for England. But small mistakes and bad luck plagued the mission from the start, and when they finally reached the Pole on January 17, 1912, Oates and Scott were heartbroken to find that Norwegian Roald Amundsen had beaten them there—by more than a month. Little did they know, things were about to get much, much worse. *Death on the Ice* is the 2nd book in the Great British Heroes and Antiheroes Trilogy, which also includes *Empire of Sand* and *Signal Red*.

One Day the Ice Will Reveal All Its Dead
Simon and Schuster

Set in the fictional town of Castle Rock, Maine. A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting

mankind—a “compulsive page-turner” (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people’s futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With “powerful tension that holds the reader to the story like a pin to a magnet” (The Houston Post), *The Dead Zone* is a “faultlessly paced...continuously engrossing” (Los Angeles Times) novel of second sight.

Doctor Death, Ice White and the Black Circus Harper Collins

From Kevin Brockmeier, one of this generation's most inventive young writers, comes a striking new novel about death, life, and the mysterious place in between. The City is inhabited by those who have departed Earth but are still remembered by the living. They will reside in this afterlife until they are completely forgotten. But the City is shrinking, and the residents clearing out. Some of the holdouts, like Luka Sims, who produces the City’s only newspaper, are wondering what exactly is going on. Others, like Coleman Kinzler, believe it is the beginning of the end. Meanwhile, Laura Byrd is trapped in an Antarctic research station, her supplies are running low, her radio finds only static,

and the power is failing. With little choice, Laura sets out across the ice to look for help, but time is running out.

Kevin Brockmeier alternates these two storylines to create a lyrical and haunting story about love, loss and the power of memory.
