These wicked and diabolical men and women are doubleminded, and they are building a strange two faced globalist empire right before our eyes. Here you will discover the inner secrets

of these Builders. You will actually see their astonishing architectural creations and understand how their sinister projects dark buildings, monuments, statues, and parks are all part of Satan's endtime system. You will be shocked to find out about the obituary cult, an exclusive, underground group of super-rich charlatans and necromaniacs bent on destroying the

Old World and replacing it with almost a carbon copy of Hell's Kingdom. Throughout human history, these notorious gangsters have organized secret societies based on their worship of Lucifer and their demonic-inspired ideas. Today, their globalist empire is almost at its zenith. Soon, they will be given the magic word by their Master, Lucifer, and the earth will be swept up

**America Shattered**

Rivercrest Publishing  
From Christ to Antichrist, this is the astonishing true story of

the Jews. Yesterday, they produced such biblical heroes as Abraham, Moses, David and the Apostles. Even the magnificent Jesus Christ came in glory. But we know, too, of the Jews in the book of Amos, who brutally sacrificed their sons and daughters to Satans Baal. And who can fail to remember the depraved Jews, full of hate, who cried out to Pilate, "Crucify Him!"

Ravaged by the New Age

Lulu.com  
The Luciferian conspiracy takes in

religion, politics, and economics. Openly opposed to Biblical Christianity, evil plotters are seeking to initiate every person on earth into the "Mystery of Iniquity." As part of this worldwide plan, all will be required to receive a "Mystery Mark," either on the forehead or the right hand, and bow to the coming New Age Messiah. An explosive book revealing the hidden occultic

meaning and dark powers of the symbols, marks, and logos promoted by the occultists. Unmasks the New Age plot to subconsciously program our minds with occult symbols and eventually give all of mankind a mark. Also documents the horrendous New Age, socialist, Nazi-like schemes to purify and cleanse the earth by wiping out true Christians and other

"renegades."

**Mystery Mark of the New Age**

Living Truth Pub

Our children are under assault by the New Age. For over three decades the New Age leadership has plotted and worked to ravage an entire generation.

This book explains the occult inroads into our schools, movies, kids' books, cartoons, at

NASA (our space agency), the Girl Scouts and Boy Scouts, and even in Sunday School curricula! It also shows how our teenagers are brought into bondage through Satan worship and witchcraft. Ravaged by the New Age provides an Action Plan with positive steps parents can take to protect their children from the New Age child abusers. [Dark Majesty](#) Living Truth Pub Argues that

the New Age movement is part of Satan's plan to dominate the earth and explains how the mark of Satan will enslave the world.

*Psychopaths*

Nicholas Hagger's 55 books include innovatory works on literature, history, philosophy and international politics. In his first published literary work he revived the Preface, which had fallen into disuse after Wordsworth

and Shelley. He went on to write Prefaces (sometimes called 'Prologues', 'Introductions' or 'Introductory Notes') for all his subsequent books. Collected Prefaces, a collection of 55 Prefaces (excluding the Preface to this book), sets out his thinking and the reader can follow the development of his philosophy of Universalism (of which he is the main exponent), his literary

approach (particularly his combination of Romanticism and Classicism which he calls "neo-Baroque") and his metaphysical thinking. His Prefaces can be read as essays, and as in T.S. Eliot's Selected Essays there is an interaction between adjacent Prefaces that brings an entirely new perspective to Hagger's works. These Prefaces cover an enormous range.

Nicholas Hagger is a Renaissance man at home in many disciplines. His Universalism focuses on humankind's relationship to the whole universe as reflected in seven key disciplines seen as wholes: the whole of literature, history, philosophy and the sciences, mysticism, religion, international politics and statecraft and world culture. Behind all the Prefaces is Hagger's

fundamental perception of the unity of the universe as the One and of humankind's position in it. These Prefaces complement his Selected Letters, a companion volume also published by O-Books, and contain startling insights that illumine and send readers to the works the Prefaces introduce.
