CARDENAS ELLIS

The Rolling Stones A&C Black

This insider's account of the lives of Brian Jones, Keith Richard, and Mick Jagger in the sixties and seventies has become legendary in the years since its first publication in 1979. Tony Sanchez worked for Keith Richard for eight years - buying drugs, running errands, and orchestrating cheap thrills - and he records unforgettable accounts of the Stones' perilous misadventures: racing cars along the Cote d'Azur; murder at Altamont; nostalgic nights with the Beatles at the Stones-owned nightclub Vesuvio; frantic flights to Switzerland for blood changes; and the steady stream of women, including Anita Pallenberg, Marianne Faithfull, and Bianca Jagger. Here the Stones as never seen before, cavorting around the world, smashing Bentleys, working black magic, getting raided, having children, snorting coke, and mainlining heroin. Sanchez tells the whole truth, sparing not even himself in the process. With hard-hitting prose and candid photographs, he creates an invaluable primary source for anyone

interested in the world's most famous rock and roll band.

The Rolling Stones Post Hill Press

Designed to help discriminating music lovers get the most for their money, "MusicHound Rock: The Essential Album Guide" is the first in a series of guides which identify the most important or essential recordings in a particular genre.

The Rolling Stone Illustrated History of Rock & Roll Chicago Review Press

This 50th anniversary collectible hard cover edition contains full guitar TAB transcriptions for 50 early Stones classics from their ABKCO years. These are all-new arrangements featuring the most accurate transcriptions for all of Keith Richards, Brian Jones, and Mick Taylor's legendary guitar parts. The book also comes with a section of the most classic Keith riffs. The songs within are selected from 12 x 5, Aftermath, Beggars Banquet, Between the Buttons, Big Hits (High Tide and Green Grass), December's Children (and Everybody's), Flowers, Hot Rocks 1964--1971, Let It Bleed, Metamorphosis, Sticky Fingers, Their Satanic Majesties Request, and more! Titles: * 19th Nervous Breakdown * 2000 Light Years from Home * As Tears Go By * Backstreet Girl * Bitch * Brown Sugar * Can't You Hear Me Knocking * Child of the Moon

* Country Honk * Dandelion * Dead Flowers * Dear Doctor * Factory Girl * Get Off of My Cloud * Gimme Shelter * Have You Seen Your Mother, Baby, Standing in the Shadow? * Heart of Stone * Honky Tonk Women * I'm Free * It's All Over Now * Jig-Saw Puzzle * Jumpin' Jack Flash * Lady Jane * The Last Time * Let It Bleed * Let's Spend the Night Together * Live with Me * Memo from Turner * Midnight Rambler * Monkey Man * Mother's Little Helper * No Expectations * Out of Time * Paint It, Black * Parachute Woman * Play with Fire * Ruby Tuesday * Salt of the Earth * (I Can't Get No) Satisfaction * She's a Rainbow * The Spider and the Fly * Stray Cat Blues * Street Fighting Man * Stupid Girl * Sway * Sympathy for the Devil * Under My Thumb * Wild Horses * You Can't Always Get What You Want * You Got the Silver

GOT LIVE ALBUM IF YOU WANT IT! Yale University Press Rich Cohen enters the Stones epic as a young journalist on the road with the band and quickly falls under their sway—privy to the jokes, the camaraderie, the bitchiness, the hard living. Inspired by a lifelong appreciation of the music that borders on obsession, Cohen's chronicle of the band is informed by the rigorous views of a kid who grew up on the music and for whom the Stones will always be the greatest rock 'n' roll band of all time.

Life HarperCollins

A gritty, one-of-a-kind backstage account of the world's greatest touring band, from the opinionated music journalist who was along for the ride as a young reporter for Rolling Stone in the 1990s **ONE OF THE TOP FIVE ROCK BIOGRAPHIES OF THE YEAR—SAN FRANCISCO CHRONICLE ONE OF THE BEST BOOKS OF THE YEAR—KIRKUS REVIEWS** A book inspired by a lifelong appreciation of the music that borders on obsession, Rich Cohen's fresh and galvanizing narrative history of the Rolling Stones begins with the fateful meeting of Mick Jagger and Keith Richards on a train platform in 1961—and goes on to span decades, with a focus on the golden run—from the albums *Beggars Banquet* (1968) to *Exile on Main Street* (1972)—when the Stones were at the height of their powers. Cohen is equally as good on the low points as the highs, and he puts his finger on the moments that not only defined the Stones as gifted musicians schooled in the blues, but as the avatars of so much in our modern culture. In the end, though, after the drugs and the girlfriends and the bitter disputes, there is the music—which will define, once and forever, why the Stones will always matter. Praise for *The Sun & The Moon & The Rolling Stones* "Fabulous . . . The research is meticulous. . . . Cohen's own interviews even yield some new Stones lore."—*The Wall Street Journal* "[Cohen] can catch the way a record can seem to remake the world [and] how songs make a world you can't escape."—*Pitchfork* "No one can tell this story, wringing new life even from the leathery faces of mummies like the Rolling Stones, like Rich Cohen. . . . The book beautifully details the very meaning of rock 'n' roll."—*New York Observer* "Masterful . . . Hundreds of books have been written about this particular band and [Cohen's] will rank among the very best of the bunch."—*Chicago Tribune* "Cohen, who has shown time and time again he can take any history lesson and make it personal and interesting . . . somehow tells the [Stones'] story in a whole different way. This might be the best music book of 2016."—*Men's Journal* "[Cohen's] account of the band's rise from 'footloose' kids to 'old, clean, prosperous' stars is, like the Stones, irresistible."—*People* "You will, as with the best music bios, want to follow along on vinyl."—*The Washington Post* "A fresh take on dusty topics like Altamont and the Stones' relationship with the Beatles . . . Cohen takes pilgrimages to places like Nellcôte, the French mansion where the Stones made *Exile on Main Street*, and recounts fascinating moments from his

time on tour."—*Rolling Stone* "On the short list of worthwhile books about the Stones . . . The book is stuffed with insights."—*San Francisco Chronicle*

Sympathy for the Drummer Rowman & Littlefield

As lead guitarist of the Rolling Stones, Keith Richards created the riffs, the lyrics, and the songs that roused the world. A true and towering original, he has always walked his own path, spoken his mind, and done things his own way. Now at last Richards pauses to tell his story in the most anticipated autobiography in decades. And what a story! Listening obsessively to Chuck Berry and Muddy Waters records in a coldwater flat with Mick Jagger and Brian Jones, building a sound and a band out of music they loved. Finding fame and success as a bad-boy band, only to find themselves challenged by authorities everywhere. Dropping his guitar's sixth string to create a new sound that allowed him to create immortal riffs like those in "Honky Tonk Woman" and "Jumpin' Jack Flash." Falling in love with Anita Pallenberg, Brian Jones's girlfriend. Arrested and imprisoned for drug possession. Tax exile in France and recording *Exile on Main Street*. Ever-increasing fame, isolation, and addiction making life an ever faster frenzy. Through it all, Richards remained devoted to the music of the band, until even that was challenged by Mick Jagger's attempt at a solo career, leading to a decade of conflicts and ultimately the biggest reunion tour in history. In a voice that is uniquely and unmistakably him--part growl, part laugh--Keith Richards brings us the truest rock-and-roll life of our times, unfettered and fearless and true. Richards' rich voice introduces the audiobook edition of *LIFE* and leads us into Johnny Depp's performance, while fellow artist Joe Hurley bridges the long road traveled before Richards closes with the final chapter of this incredible 23-hour production, which includes a bonus PDF of photos.

The Sun & the Moon & the Rolling Stones Sheet Music Anthology A wry, funny and fascinating memoir from a leading figure in the modern financial world, this is the unique account of one of the greatest bands in musical history

Rock Star/Movie Star Black Dog & Leventhal

This is Avram Mednick's third non-fiction book about music. Go figure, since his best instrument is the radio. This one is about live albums, one hundred of which he discusses. He seems to be stuck on that number.

The Beatles Get Back to Abbey Road St. Martin's Press

In this breathtaking cultural history filled with exclusive, never-before-revealed details, celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones' infamous Altamont concert, the disastrous historic event that marked the end of the idealistic 1960s. In the annals of rock history, the Altamont Speedway Free Festival on December 6, 1969, has long been seen as the distorted twin of Woodstock—the day that shattered the Sixties' promise of peace and love when a concertgoer was killed by a member of the Hells Angels, the notorious biker club acting as security. While most people know of the events from the film *Gimme Shelter*, the whole story has remained buried in varied accounts, rumor, and myth—until now. Altamont explores rock's darkest day, a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night. Joel Selvin probes every aspect of the show—from the Stones' hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening—to capture the full scope of the tragedy and its aftermath. He also provides an in-depth look at the Grateful Dead's role in the events leading to Altamont, examining the band's behind-the-scenes presence in both arranging the show and hiring the Hells Angels as security. The product of twenty years of exhaustive research and dozens of

interviews with many key players, including medical staff, Hells Angels members, the stage crew, and the musicians who were there, and featuring sixteen pages of color photos, Altamont is the ultimate account of the final event in rock's formative and most turbulent decade.

Just a Shot Away Alfred Music

'This is our story of fifty fantastic years. We started out as a blues band playing the clubs and more recently we've filled the largest stadiums in the world with the kind of show that none of us could have imagined all those years ago. Curated by us, it features the very best photographs and ephemera from and beyond our archives.' Mick, Keith, Charlie & Ronnie On Thursday 12 July 1962 the Rolling Stones went on stage at the Marquee Club in London's Oxford Street. In the intervening fifty years the Stones have performed live in front of more people than any band... ever. They've played the smallest blues clubs and some of the biggest stadium tours of all time. They've had No.1 singles and albums in every country that has a popular music chart and have helped define global popular culture. A phenomenal half-century later, they now look back at their astounding career. Curated, introduced and narrated by the band themselves, *The Rolling Stones 50* is the only officially authorized book to celebrate this milestone. With privileged access to a wealth of unseen and rare material, it is packed with superb reportage photography, contact sheets, negative strips, outtakes and so much more, from every period in the band's history. With more than 1,000 illustrations, it also features some of the most rare and interesting Stones memorabilia in existence: international posters, draft record cover art, bubblegum cards, jigsaws and other previously unpublished treasures specially photographed for this volume. The ephemera comes from the greatest Rolling Stones collection in the world, which belongs to Ali Zayeri. Featuring photography from the Daily Mirror's archive and with contributions by photography legends Gered Mankowitz, Jean-Marie Poirier, Dezo Hoffmann, Michael Cooper, Terry O'Neill, Bent Rej, Philip Townsend and many others, this is the definitive celebration of fifty years of the Rolling Stones. From Mick, Keith, Charlie and Ronnie - here is one spectacular thank you to their fans all over the world.

MusicHound Rock Kings Road Publishing

Titles: 19th Nervous Breakdown * As Tears Go By * Brown Sugar * Gimme Shelter * Honky Tonk Women * It's All Over Now * Lady Jane * Let It Bleed * Let's Spend the Night Together * Monkey Man * Mother's Little Helper * Paint It, Black * Ruby Tuesday * (I

Can't Get No) Satisfaction * She's a Rainbow * Street Fighting Man * Sympathy for the Devil * Under My Thumb * Wild Horses * You Can't Always Get What You Want

Up and Down with The Rolling Stones - My Rollercoaster Ride with Keith Richards Chronicle Books

Stanley Booth, a member of the Rolling Stones' inner circle, met the band just a few months before Brian Jones drowned in a swimming pool in 1968. He lived with them throughout their 1969 tour across the United States, staying up all night together listening to blues, talking about music, ingesting drugs, and consorting with groupies. His thrilling account culminates with their final concert at Altamont Speedway—a nightmare of beating, stabbing, and killing that would signal the end of a generation's dreams of peace and freedom. But while this book renders in fine detail the entire history of the Stones, paying special attention to the tragedy of Brian Jones, it is about much more than a writer and a rock band. It has been called—by Harold Brodkey and Robert Stone, among others—the best book ever written about the 1960s. In Booth's afterword, he finally explains why it took him 15 years to write the book, relating an astonishing story of drugs, jails, and disasters. Updated to include a foreword by Greil Marcus, this 30th anniversary edition is for Rolling Stones fans everywhere.

Altamont Routledge

ROLLING STONES GEAR ALL THE STONES' INSTRUMENTS FROM STAGE TO STUDIO

Blind Boy Fuller Virgin Publishing

"The most blisteringly impassioned music book of the season." —New York Times Book Review A thrilling account of the Altamont Festival—and the dark side of the '60s. If Woodstock tied the ideals of the '60s together, Altamont unraveled them. In *Just a Shot Away*, writer and critic Saul Austerlitz tells the story of "Woodstock West," where the Rolling Stones hoped to end their 1969 American tour triumphantly with the help of the Grateful Dead, the Jefferson Airplane, and 300,000 fans. Instead the concert featured a harrowing series of disasters, starting with the concert's haphazard planning. The bad acid kicked in early. The Hells Angels, hired to handle security, began to prey on the concertgoers. And not long after the Rolling Stones went on, an 18-year-old African-American named Meredith Hunter was stabbed by the Angels in front of the stage. The show, and the Woodstock high, were over. Austerlitz shows how Hunter's death came to symbolize the end of an era while the trial of his accused murderer epitomized the racial tensions that still underlie America. He also finds a silver lining in the concert in how Rolling Stone's coverage of it helped create a new form of music journalism, while the making of the movie about Altamont, *Gimme Shelter*, birthed new forms of documentary. Using scores of new interviews with Paul Kantner, Jann Wenner, journalist John Burks, filmmaker Joan Churchill, and many members of the Rolling Stones' inner circle, as well as Meredith Hunter's family, Austerlitz shows that you can't understand the '60s or rock and roll if you don't come to grips with Altamont.

The True Adventures of the Rolling Stones Alfred Music

During the mid-1950s, when Hollywood found itself struggling to compete within an expanding entertainment media landscape, certain producers and studios saw an opportunity in making films that showcased performances by rock 'n' roll stars. Rock stars eventually found cinema to be a useful space to extend their creative practices, and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties. Indeed, casting rock stars for film provided a tool for bridging new relationships across media industries and practices. From Elvis Presley to Madonna, this book examines the casting rock stars in films. In so doing,

Rock Star/Movie Star offers a new perspective on the role of stardom within the convergence of media industries. While hardly the first popular music culture to see its stars making the transition to screen, the timing of rock's emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change. At the same time, a post-star-system film industry provided a welcoming context for rock stars who have valued authenticity, creative autonomy, and personal expression. This book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new - ideal media laborers whose power lies in the fact that they are rarely recognized as such. Combining star studies with media industry studies, this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries. It demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used.

The Rolling Stones in Concert, 1962-1982 iUniverse

Comprehensive visual history of the "World's Greatest Rock & Roll Band" as told through the recording of their monumental catalog, including 29 studio and 24 compilation albums, and more than a hundred singles. Since 1963, The Rolling Stones have been recording and touring, selling more than 200 million records worldwide. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *The Rolling Stones All the Songs*, authors Margotin and Guesdon describe the origin of their 340 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the great artists who contributed to their tracks. Organized chronologically by album, this massive, 704-page hardcover begins with their 1963 eponymous debut album recorded over five days at the Regent Studio in London; through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973; to their later work with Don Was, who has produced every album since *Voodoo Lounge*. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as how the mobile studio they pioneered was featured in Deep Purple's classic song "Smoke on the Water" or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on "Street Fighting Man."

The Mammoth Book of the Rolling Stones Black Dog & Leventhal
Here's the inside story: the history of the Rolling Stones - according to the Rolling Stones. Mick Jagger, Keith Richards, Charlie Watts, and Ronnie Wood have come together for this remarkable project. They've also opened up their personal and band archives to include many rare and intimate images that are interwoven with the text. The book gets right to the heart of what makes the Stones the Stones, as musicians, songwriters, performers, and colleagues. They describe how their music has evolved and how it has affected and changed their lives. They also reveal, with refreshing frankness, how their own lives have helped, or hindered, their music-making. The Stones' own words - insightful, funny, poignant, surprising, and above all, completely authentic - are complemented by insider reflections from key players in their story over the years such as Ahmet Ertegun, David Bailey, and Cameron Crowe. A comprehensive reference section including discography, and chronology, studded with the Stones' personal comments on the music and memories, completes this must-read volume. Here, in their own words and images, is the life and work of a band which has played the soundtrack of our lives for the last forty years.
