**Only the Buried** Farrar, Straus and Giroux (BYR)

A collection of nineteen tales from the Indians of various South American countries.

*A Sky Beyond the Storm* Sourcebooks, Inc.

"This—THIS—is the cutting edge of science fiction." —Richard K. Morgan, author of *Altered Carbon* How do you stage a mutiny when you're only awake one day in a million? How do you conspire when your tiny handful of potential allies changes with each job shift? How do you engage an enemy that never sleeps, that sees through your eyes and hears through your ears, and relentlessly, honestly, only wants what's best for you? Trapped aboard the starship *Eriophora*, Sunday Ahzmundin is about to discover the components of any successful revolution: conspiracy, code—and unavoidable casualties. Note from the publisher: The red letters in the print edition (highlighted letters in the e-book) indicate special bonus content.

**Tales from Silver Lands** HarperCollins You may think you know the love triangle, but you've never seen love triangles like these. A teen girl who offers kissing lessons. Zombies in the Civil War South. The girl next door, the boy who loves her, and the girl who loves them both. Vampires at a boarding school. Three teens fighting monsters in an abandoned video rental store. Literally the last three people on the planet. What do all these stories have in common? The love triangle. These top YA authors tackle the much-debated trope of the love triangle, and the result

is sixteen fresh, diverse, and romantic stories you don't want to miss. This collection, edited by Natalie C. Parker, contains stories written by Renee Ahdieh, Rae Carson, Brandy Colbert, Katie Cotugno, Lamar Giles, Tessa Gratton, Bethany Hagan, Justina Ireland, Alaya Dawn Johnson, EK Johnston, Julie Murphy, Garth Nix, Natalie C. Parker, Veronica Roth, Sabaa Tahir, and Brenna Yovanoff. "Upends expectations and poses 'questions about self-determination and what it means to embrace the power of choice.'" —USA Today

"[An] action-packed, breathlessly paced story." —Booklist, starred review Set in a rich, high-fantasy world inspired by ancient Rome, Sabaa Tahir's AN EMBER IN THE ASHES told the story of Laia, a slave fighting for her family, and Elias, a young soldier fighting for his freedom. Now, in A TORCH AGAINST THE NIGHT, Elias and Laia are running for their lives. After the events of the Fourth Trial, Martial soldiers hunt the two fugitives as they flee the city of Serra and undertake a perilous journey through the heart of the Empire. Laia is determined to break into Kauf—the Empire's most secure and dangerous prison—to save her brother, who is the key to the Scholars' survival. And Elias is determined to help Laia

succeed, even if it means giving up his last chance at freedom. But dark forces, human and otherworldly, work against Laia and Elias. The pair must fight every step of the way to outsmart their enemies: the bloodthirsty Emperor Marcus, the merciless Commandant, the sadistic Warden of Kauf, and, most heartbreaking of all, Helene—Elias's former friend and the Empire's newest Blood Shrike. Bound to Marcus's will, Helene faces a torturous mission of her own—one that might destroy her: find the traitor Elias Veturius and the Scholar slave who helped him escape...and kill them both.

"Smart and funny, with characters so real and vulnerable, you want to send them care packages. I loved this book."  
—Rainbow Rowell  
From debut author Mary H.K. Choi comes a compulsively readable novel that shows young love in all its awkward glory—perfect for fans of *Eleanor & Park* and *To All the Boys I've Loved Before*. For Penny Lee, high school was a total nonevent. Her friends were okay, her grades were fine, and while she'd somehow landed a boyfriend, they never managed to know much about

each other. Now Penny is heading to college in Austin, Texas, to learn how to become a writer. It's seventy-nine miles and a zillion light years away from everything she can't wait to leave behind. Sam's stuck. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it's less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch—via text—and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to, you know, see each other.
