These attractive, twenty-four-page books feature padded covers.

The Carpenter's Son Mohr Siebeck

A trip to the Holy Land is on the bucket list of many Christians. But planning a meaningful trip in a place so filled with significant sites is an imposing task. Most travel guides are not prepared to link the Bible and land in an accurate and meaningful way because they are written for people of all faiths. So how can a Christian traveler prepare a trip that will illuminate God's Word and reveal the Lord's presence? In The Holy Land for Christian Travelers, John A. Beck provides a guide to the Holy Land for Christians with explanations of the biblical significance of important sites. The entries provide key

Scripture references for reflection and a guide to the land that will encourage communion with God and a genuine spiritual experience for travelers as they walk in the footsteps of Jesus. A trip to the Holy Land can be a worship-filled, once-in-a-lifetime spiritual journey. This book puts a biblical scholar and experienced Holy Land guide at the reader's side. See Bible stories spring to life with these pop-up parables. Each page has a popup scene, with an additional moving part on the first spread, and the

story is retold at the side with the Bible reference below. The illustrations are clear and sunny with lots of detail. Children will learn five popular New Testament stories: the prodigal son returns home, the Good Samaritan tends the wounded man, Jesus heals the man let down through the roof, the boy gives loaves and fishes to Jesus, and Jesus meets Zacchaeus.

Biblical Christianity: Standing in the Light

Happy Day Book

Like all skilful authors, the composer of the biblical books of Luke and Acts understood that a good story requires more than a gripping plot - a persuasive narrative also needs well-portrayed, plot-enhancing characters. This book brings together a set of new essays examining characters and characterization in those books from a variety of methodological perspectives. The essays illustrate how narratological, sociolinguistic, reader-response, feminist, redaction, reception historical, and comparative literature approaches can be

fruitfully applied to the question of Luke's techniques of characterization. Theoretical and methodological discussions are complemented with case studies of specific Lukan characters. Together, the essays reflect the understanding that while many of the literary techniques involved in characterization attest a certain universality, each writer also brings his or her own unique perspective and talent to the portrayal and use of characters, with the result that analysis of a writer's characters and style of characterization can enhance appreciation of that writer's work.

Interpreting Gospel Narratives Standard Publishing Company
Humans are lovers, and yet a good deal of pedagogical theory, Christian or otherwise, assumes an anthropology at odds with human nature, fixed in a model of humans as "thinking things." Turning to Augustine, or at least Augustine in conversation with Aquinas, Martin Heidegger, the overlooked Jesuit thinker Bernard Lonergan, and the important contemporary Charles Taylor, this book

provides a normative vision for Christian higher education. A phenomenological reappropriation of human subjectivity reveals an authentic order to love, even when damaged by sin, and loves, made authentic by grace, allow the intellectually, morally, and religiously converted person to attain an integral unity. Properly understanding the integral relation between love and the fullness of human life overcomes the split between intellectual and moral formation, allowing transformed subjects--authentic lovers--to live, seek, and work towards the values of a certain kind of cosmopolitanism. Christian universities exist to make cosmopolitans, properly understood, namely, those persons capable of living authentically. In other words, this text gives a full-orbed account of human flourishing, rooted in a phenomenological account of the human as basis for the mission of the university.

The Wayfarer's End follows the human person's journey to union with God in the theologies of Saint Bonaventure and Saint Thomas Aquinas. It argues that these seminal thinkers of the 13th Century emphasize scriptural notions of divine rewards as ordering principles for the graced movement of human viators to eternal life. Divine rewards emerge as a fundamental category through the study's emphasis on Thomas and Bonaventure as scriptural commentators and preachers whose work in sacra pagina structures the content of their sacra

doctrina. Shawn Colberg places Bonaventure's and Aquinas's scriptural, dogmatic, and polemical works into conversation and illumines their mutually edifying depictions of the way to eternal life. Looking to the journey itself, *The Wayfarer's End* demonstrates a nuanced understanding of the roles played by God and human beings in the movement to full beatitude. To that end, it explores the relationships between grace and human nature, the effects of sin on the human person, the vital themes of predestination, conversion, perseverance, and the place of "reward-worthy" human action within the overall movement toward union with God. While St. Bonaventure and St. Thomas both stress the priority of grace and divine action for the journey, the study also illustrates their distinct frameworks for human action, unpacking Bonaventure's preference for the language of *acceptatio* versus Thomas's emphasis on *ordinatio*. This difference inflects their language of rewards, their exposition of scripture, and the scope of free human action in the movement to

union with God. This study places the two most seminal theologians of the 13th Century into conversation on central and enduring topics of Christian life. Such a comparative study has been sorely lacking in the field of studies on Aquinas and Bonaventure. It offers insight to those interested in high scholastic thought, Franciscan and Dominican understandings of human salvation, and Thomist and Franciscan theology as it pertains to questions of the Reformation, including biblical exegesis on justification and sanctification. Above all, the study appreciates and foregrounds the richness of Bonaventure's and Aquinas's vocations: mendicant theologians concerned to share the fruits of contemplation with fellow friars and others seeking the goal of the wayfarer's end.

As a single mother, it's easy to think because you're doing everything alone, that you are alone. You cook, clean, and pay bills alone. You make decisions alone. You provide for your family alone. The absence of a physical person to support and encourage you can easily make you feel unsupported and even unseen. God sees you. But what does that mean? Why is it so important to know that God sees you? Great question. Being fully confident that God sees you confirms that you are never by yourself. God is and will always be there to strengthen and guide you. In *Dear Single Mom, God Sees You*, author Dr. Kisha Cheree Tinson encourages single mothers with her message that God sees and will help you through your most difficult challenges. Through personal letters of her life as a single parent, guided self-work, scripture study, and prayer, Tinson invites you to take comfort in knowing the omniscient God who created the heavens and the earth

sees you. You are not forgotten by God or invisible to Him. In fact, you are always in His sight. May this encouraging devotional provide single mothers with uplifting motivation and heartfelt connection, assuring that God sees and cares.

Escaping the Devil's Bedroom is a startling piece of frontline research. Jewell explores how women, men and children are ensnared by or forced into commercial sexual exploitation around the world. She interviews ministry leaders, experts and survivors to illustrate how escape and healing are possible. True stories describe how survivors are working alongside ministries and churches to help those still trapped in the vicious cycle of the sex trade. Each chapter includes a Scripture reference plus questions for reflection and discussion. Ideal for small groups or classrooms.
