 Imagine walking to the same place every day, to meet your best friend. Imagine watching hundreds of people pass by every morning and every afternoon. Imagine waiting, and waiting, and waiting. For ten years. This is what Hachiko did. Hachiko was a real dog who lived in Tokyo, a dog who faithfully waited for his owner at the Shibuya train station long after his owner could not

come to meet him. He became famous for his loyalty and was adored by scores of people who passed through the station every day. This is Hachiko's story through the eyes of Kentaro, a young boy whose life is changed forever by his friendship with this very special dog. Simply told, and illustrated with Yan Nascimbene's lush watercolors, the legend of Hachiko will touch your heart and inspire you as it has inspired thousands all over the world.

A Gamut of Games Future Horizons

The Elephant and the Bad Baby is the classic story from Elfrida Vipont and Raymond Briggs. The Elephant takes the Bad Baby for a ride and they go 'rumpeta, rumpeta, rumpeta down the road.' They help themselves to ice creams, pies, buns, crisps, biscuits, lollipops and apples, and the shopkeepers follow them down the road shouting and waving. All ends well as the Bad Baby learns to say 'Please' and his mother makes pancakes for everyone. Elfrida Vipont worked as a teacher, singer and writer. She wrote over 30 books and won the Carnegie Medal in 1950 for *Lark on the Wing*. Raymond Briggs has produced wonderful children's books including the classic titles *The Snowman*, *Father Christmas* and *When the Wind Blows* - all made into immensely successful films. Raymond lives in Sussex. Look out for these other titles by Raymond Briggs: *The Snowman*; *The Elephant and the Bad Baby*; *Father Christmas*; *Fungus the Bogeyman*; *Raymond Briggs's Christmas Little Library*; *The Father Christmas it's a Bloomin' Terrible Joke Book*; *Jim and the Beanstalk*; *Father Christmas Goes on Holiday*

Childrens Book Little, Brown Books for Young Readers

The purpose of the United Nations challenge badges is to raise awareness, educate and, most of all, motivate young people to change their behavior and be active agents of change in their local communities. Challenge badges are appropriate for use with

school classes and youth groups, and are endorsed by WAGGGS and WOSM. They include a wide range of activities and ideas that can easily be adapted by teachers or leaders. Additional badges are available or are being developed on a number of other topics, including: Agriculture, Biodiversity, Climate Change, Energy, Forests, Hunger, Nutrition, the Ocean and Soils. The Water Challenge Badge is designed to show the crucial role water plays for life on our planet as well as for human wellbeing. The badge looks at how our water supplies are affected by human pressures, considers solutions for how water can be used more efficiently and motivates young people to save water and engage in efforts to increase equitable access to clean water.

Doubt over the trustworthiness of published empirical results is

not unwarranted and is often a result of statistical mis-specification: invalid probabilistic assumptions imposed on data. Now in its second edition, this bestselling textbook offers a comprehensive course in empirical research methods, teaching the probabilistic and statistical foundations that enable the specification and validation of statistical models, providing the basis for an informed implementation of statistical procedure to secure the trustworthiness of evidence. Each chapter has been

thoroughly updated, accounting for developments in the field and the author's own research. The comprehensive scope of the textbook has been expanded by the addition of a new chapter on the Linear Regression and related statistical models. This new edition is now more accessible to students of disciplines beyond economics and includes more pedagogical features, with an increased number of examples as well as review questions and exercises at the end of each chapter.
