This Handwriting workbook helps kids of all ages to start learning to write letters.

120 Blank handwriting practice paper with dotted lines, it's a very simple workbook so that kids won't be distracted (with a lot of pictures). This product is great for children still learning to write. The lines are a good size for Kindergarten level writing since they naturally tend to write bigger letters. It's also a great tool for preschoolers, it perfect for beginner handwriting lessons. Really useful writing papers if your child needs practice paper to help him with his writing skills, and to have something where he could keep all his schoolwork together. The advantages of this book: Good quality paper and a good size (Large size - 8.5" x 11"). The paper material is thick so that it won't tear with multiple erasures, can take A LOT of erasing. No tears! Very helpful for beginners to control the size of their letters. Appropriate line size for kindergarteners, your kid will love to write in it. Great book for first-grade assignments. For kids who want to learn cursive writing. Good for those who are recovering from medical conditions, learning to write all over again. For anyone, he wants to learn to use his non-dominant hand (for practice to be

ambidextrous, or after injuring my dominant hand). A must-have for summer writing practice. Recommend it for everyone who wants to learn writing for kids. Click on Jo Modern Art (Author) for more awesome gifts and more colors and patterns.
