Hector and the Secrets of Love Black Dog & Leventhal

There aren't many other ways to better escape everyday woes than on a motorbike. They invoke emotions and a longing for adventure. Form and precision define these machines as timeless and important cultural objects. Simply put, motorcycles make a statement. All you have to do is just hop on, rev up, and go. Within these pages you'll experience the thrill of feeling the wind on your face on a journey through the exciting world of motorcycles. Readers will delve into the game changing bikes and gear as well as the songs and films that sought to replicate the yearning for independence and rebellion. Riveting tours, the world's most unique motorcycle shops, and legendary events are also highlighted throughout this compelling title. **SELLING POINTS:** * Motorcycle Passion presents motorcycles as timeless objects of desire * A journey through the world of motorbike culture * Photographs and text that are wonderfully inspiring and informative 250 colour photos

Don Rosa Classics: The Complete Captain Kentucky TeNeues

An international sensation—with more than 1 million copies sold in Germany, and rights snapped up in 26 countries—Wetlands is the sexually and anatomically explicit novel that is changing the conversation about female identity and sexuality around the

world. Helen Memel is an outspoken, contradictory eighteen-year-old, whose childlike stubbornness is offset by a precocious sexual confidence. She begins her story from a hospital bed, where she's slowly recovering from an operation and lamenting her parents' divorce. To distract and console herself, Helen ruminates on her past sexual and physical adventures in increasingly uncomfortable detail; what ensues is "a headlong dash through every crevice and byproduct, physical and psychological, of its narrator's body and mind." (The New York Times) Fantastically sexual, Helen is constantly blurring the line between celebration, provocation, and dysfunction in her relationship with her body. Punky alienated teenager, young woman reclaiming her body from the tyranny of repressive hygiene (women mustn't smell, excrete, desire), bratty smartass, vulnerable, lonely daughter, shock merchant and pleasure-seeker—Helen is all of these things and more, and her frequent attempts to assert her maturity ultimately prove just how fragile, confused, and young she truly is. In the tradition of *The Sexual Life of Catherine M* and *Melissa P.'s 100 Strokes of the Brush Before Bed*, Charlotte Roche exposes the double bind of female sexuality, delivering a compulsively readable and fearlessly intimate manifesto on sex, hygiene, and the repercussions of family trauma.

Sudoku500 4x50 Sudoku Zahlenrätselbuch Jacqui Small
 DIVSuperior introduction to most demanding part of chess. Basic concepts of middle game play are systematically and logically presented. Every significant idea is illustrated by well-chosen excerpts from master play, including games by Alekhine, Capablanca, Lasker, Reshevsky, Botvinnik, Marshall, Pillsbury, and other prominent players. 80 illustrations. /div

Over 225 colour and black and white photographs from the NASA archives celebrate the 50th anniversary of the first manned moon landing. These pictures, all taken by the Apollo astronauts, create a vivid documentary of one of the most seminal events of the 20th Century. The accompanying text is filled with little-known insider facts and fascinating insights into the Apollo missions.

The Virgin Book of Killer Sudoku Ariadne Press (CA)

"The Art Of Coorie explores what coorie is and how it has nurtured the astonishing creativity that Scotland is famed for, despite an often harsh and unforgiving climate. Now used to describe how we want to feel and be, coorie covers all aspects of enjoying life the Scottish way. The Art of Coorie showcases Scottish style, traditions, interiors and the outdoors— examining a unique heritage of hospitality, creativity and adventure. From bothies to textiles, cuisine to camping, coorie has at its heart an

appreciation of what we find around us. Timely and witty, The Art of Coorie takes you off the beaten track to discover how the best of all things Scottish can enhance life and its pleasures." --

Apollo Createspace Independent Publishing Platform

Winner for the 2010 SOS Marine Heritage Award The steamer Wexford, with her flared bow, tall masts, and her open, canvas-sided hurricane deck, charmed spectators as she carried cargo across the Great Lakes. The romance and adventure of her British and French history in the South American trade followed her. Under newly appointed 24-year-old captain Bruce Cameron, her fateful final voyage was punctuated with opportunities to be saved from destruction, but his persistence in trying to make port at Goderich led to tragedy - a victim of the storm of 1913. Over a period of 87 years, she eluded many efforts to locate her remains, but was finally discovered in 2000 by a sailor using a fish-finding device. Since then, she has been visited by thousands, but sadly plundered. Our story traces her history from her British origins in 1883, through the transition to become a "Laker," the eventful storm, the search, and her ultimate discovery in southern Lake Huron, and the controversy over how she should be protected.

500 schwere Sudoku Rätsel für Vollzeit-Profis Cambridge University Press

If Sudoku is difficult, just wait to try Killer Sudoku. The next step up from normal Sudoku, the Killer puzzles use the same grid as Sudoku and require the reader to fill in the numbers one to nine as before. But this time the numbers in the outlined boxes must also all add up to a specific number. Already hugely popular in the national press, the puzzles are a must for Sudoku fans. With five difficulty ratings, from very easy to deadly, the 100 brand-new Killer Sudoku puzzles in this book will provide a challenge to the most ardent Sudoku addict.

Sudoku für Fortgeschrittene dani books

Sherlock Holmes' Book of Conundrums provides a uniquely

absorbing experience quite unlike any other puzzle publication: all material is themed around Sherlock Holmes, the Victorian era, and early 20th century, and backed-up with rich and carefully chosen illustrations. Each puzzle's solution can be found in the back of the book, but a mysterious sealed page contains the answers to the three most fiendish puzzles. There's something for every puzzle lover, which difficulty ranging from simple puzzles to challenging conundrums designed to challenge even puzzle aficionados. 200 puzzles are held within these pages and they work a variety of different parts of your brain. The puzzles cover a diverse range of topics, and include a generous selection of lateral thinking teasers. You'll also enjoy challenges for perception, memory, creativity, problem solving, math, and logic conundrums. Complete these mental work outs and become as sharp as the Great Detective himself.

Walt Disney's Donald Duck "balloonatics": The Complete Carl Barks Disney Library Vol. 25 Random House

For FBI Special Agent Smoky Barrett, her colleague's wedding is cause for celebration. Until a woman staggers down the aisle—incoherent, wearing only a white nightgown. A fingerprint check determines that she's been missing for nearly eight years. Her coldly efficient captor toyed with her mind and body, imprisoning her, depriving her of any contact with the outside world. As Smoky fits together the pieces of what remains of the victim's fractured life, a chilling picture emerges of a cerebral psychopath who doesn't take murder personally, never makes a mistake, follows his own sinister logic, and has set the perfect trap.
