ANGEL LUIS

Cage of Fire Penguin

Aron, a warrior without memory, find himself overpowered by a mysterious opponent. Saved by the last powers of his legendary sword, he is helped by a family of farmers. Before he can regain his strength, the war struck him and his saviors'. Stripped of his weapon, a journey begins for him between hope and despair,

dragons and sorcerers, to search for the origin of his nemesis, and whose final goal will be learning the most important lesson of his life and, at the same time, save the whole realm before chaos overcomes everything.

Poisoned Empire Penguin

Iolanthe and Titus's mission comes to its thrilling end in the third book in the Elemental Trilogy—perfect for fans of Cinda Williams Chima and Kristin Cashore—which Publishers Weekly called "a wonderfully satisfying magical saga" in a starred review and Kirkus Reviews said

"bids fair to be the next big epic fantasy success." In a pursuit that spans continents, Iolanthe, Titus, and their friends have always managed to remain one step ahead of the forces of Atlantis. But now the Bane, the monstrous tyrant who bestrides the entire mage world, has issued his ultimatum: Titus must hand over Iolanthe, or watch as his entire realm is destroyed in a deadly rampage. Running out of time and options, Iolanthe and Titus decide to act now and deliver a final blow to the Bane that will end his reign of terror for good. But getting to the Bane means

accomplishing the impossible: finding a way to infiltrate his crypt in the deepest recesses of the most ferociously guarded fortress in Atlantis. And everything is only made more difficult when new prophecies come to light, foretelling a doomed effort. . . . Iolanthe and Titus will put their love and their lives on the line. But will it be enough?

A Sword Between Light And Darkness

Simon and Schuster

What if your mother was a criminal? What if her crime was magic? What if magic ran in the family? Bran Hambric was found alone in a locked bank vault when he was six years old. He doesn't have a clue how he got there, or any memory of his past. There's only one explanation: Magic. But magic is outlawed in the Great and Glorious City of Dunce. Eight years later, a twisted, hissing creature confronts Bran and his foster father, Sewey, on their rooftop. Sewey believes it's a gnome, but not Bran. (Sewey isn't the brightest Duncelander to being with.) Bran soon discovers that whatever leapt onto his roof is connected to the mother he never knew...and that Bran himself is the missing link in a plot so secret and evil

that those behind it will stop at nothing to hunt him down. Armed with wands and weapons, Bran's enemies are about to attack - with all the power of a horrible curse and a terrible crime. Magic won't be the only law broken in the City of Dunce...

The Alex Verus Novels, Books 1-4

Penguin

The invasion of the arch-wizards is on! The archwizards of Shade Enclave have come out of the desert with a message of peace, and an act of war. Split by petty disputes and causeless feuds, the merchant realm of Sembia is wide open for invasion, and with no shortage of Sembians more than happy to sell out to the Shadovar, can only one man--even if that man is Erevis Cale--do anything to stop it? From the Paperback edition.

The Tales of Ollathair: Dark King's Rise

Harper Collins

The fourth novel in Mercedes Lackey's magical Elemental Masters series reimagines the fairy tale The Snow Queen in a richly-detailed alternate Victorian England The letter that introduced twelve-year-old Sarah Jane Lyon-White to Isabelle Harton, who ran the Harton School in central London, seemed quite simple and

straightforward. But it was what was not written in the letter that resonated to Isabelle's own finely tuned "extra" senses: "Sarah has gifts we cannot train," the letter whispered to her, "nor can anyone we know. Those we trust tell us that you can...." And it was true, for the Harton School was far from ordinary. It was Isabelle's job to train children who possessed the odd types of magic that could not be trained by London's powerful Elemental Masters: clairvoyants, telepaths, those with the ability to sense hidden danger, the vision to see into the past, and even that rarest of all talents: the ability to see and communicate with the dead. But Isabelle was uneasy, for though she knew that Sarah Jane had a touch of telepathy, there seemed to be something else about the girl—something that had not yet manifested. And Isabelle was right to be worried, for as soon as Sarah's full talents became evident, there was an attempt made on her life. For Sarah was that rarest of magicians: a true medium, and for some reason, a powerful Elemental Master wanted her dead. Isabelle knew that to protect her ward she would have to seek help from the Elemental Masters of the

city. That meant she would also see Lord David Alderscroft, the man she had once loved, but who had inexplicably chilled toward her and broken her heart long ago—for he was the leader of the city's Elemental Masters, the man who was now called the Wizard of London.

Queen of the Quantum Realm C.M.

Simpson

Enter a “gorgeously realized world”* and meet a mage destined for greatness in the first novel in the national bestselling Alex Verus series. Alex is part of a world hidden in plain sight, running a magic shop in London that caters to clientele who can do much more than pull rabbits out of hats. And while Alex's own powers aren't as showy as some mages, he does have the advantage of foreseeing the possible future—allowing him to pull off operations that have a million to one chance of success. But when Alex is approached by multiple factions seeking his skills to crack open a relic from a long-ago mage war, he knows that whatever's inside must be beyond powerful. And thanks to his abilities, Alex can predict that by taking the job, his odds of survival are about to go from slim to none....

Incandescent Julia Goldhirsh

For Mage Alex Verus, everything is on the line in the tenth urban fantasy novel from the national bestselling author of *Marked*. Once Alex Verus was a diviner trying to live quietly under the radar. Now he's a member of the Light Council who's found success, friends...and love. But it's come with a price—the Council is investigating him, and if they find out the truth, he'll lose everything. Meanwhile, Alex's old master, Richard Drakh, is waging a war against the Council, and he's preparing a move that will bring Alex and the life mage, Anne, under his control. Caught between Richard and the Council, Alex's time is running out. To protect those he cares for, Alex will have to become something different. Something darker...

Burned Penguin

“This is a recommended series, on all counts” - Janny Wurts, author of *Wars of Light and Shadow* and coauthor of the *Empire* trilogy Allegra, Contessa of Marsina, wanted nothing to do with politics. Unfortunately, the cardinals, the mages, and the demons all had other plans. This box set contains the complete *The Dark Abyss of Our Sins* series,

including three novels, and two short stories. The *Demons We See Society* was rocked when the Cathedral appointed Allegra, Contessa of Marsina, to negotiate the delicate peace talks between the rebelling mage slaves and the various states. Not only was she a highborn mage, she was a nonbeliever and a vocal objector against the supposed demonic origins of witchcraft. Demons weren't real, she'd argued, and therefore the subjection of mages was unlawful. That was all before the first assassination attempt. That was before Allegra heard the demonic shrieks. All before everything changed. Now Allegra and her personal guards race to stabilize the peace before the entire known world explodes into war with not just itself, but with the abyss from beyond. So much for demons not being real. The *Nightmare We Know* Allegra had tried compromise and all she had to show for her work was a crater in the side of a mountain. She had tried peace, and that just made the rebellion worse. She had seen a demon with her very eyes, and that hadn't been enough to move the cardinals into action. But despite all this, never had she thought they would try to murder her.

When General Bonacieux shows up at the Cathedral to demand she be turned over for public execution, the cardinals waver. Instead of submitting, Allegra declares her own war: freedom for all mages. As new demon marks open on Orsini soil, Allegra takes a stand against the very people who gave her power. For as Captain Stanton Rainier said, they would only get her over his dead body. So much for peace. The Sins We Seek Walter Cram had taken root amongst the very people who would see him burn. But after all he had done, they still needed him to hunt a rogue mage. So, he would stay and help his enemies. For now. Captain Stanton Rainier stood between the demons and the innocent more than once now. As secrets revealed themselves, and as he questioned everything he'd been told, Stanton must accept that he is a good man, one of principle, who will protect the innocent with his body and sword no matter the consequences. For, when Allegra makes a rather innocuous inquiry into the origins of magic, she sets off a series of events that will shake more than individual faith, but the very foundations of the Cathedral. They all knew there would never be peace

without truth, but in that hunt for knowledge, all they found was betrayal, and some of it amongst their very own.

Grimgar of Fantasy and Ash: Volume 10 Babelcube Inc

In the first age of Andeira, men and dragons brought together the two halves of the elemental magic of the world to create a union through which their magic, and the world, could support and renew itself. When war broke out, that union was destroyed - deliberately severed by the ancient mages in a desperate attempt to stop their enemies. They knew the price of their actions: the dragons would disappear from Andeira until such time as it would be safe for them to return, stripping the world of half the elemental magic it needed to survive. What the mages did not realise was that their enemies would survive the severing of the bond, threatening the prophecy created by the dragons to ensure their return in a later age. Three thousand years on, the world is slowly dying, and the dragons have been forgotten by all but a few. This is the story of one man's search across their ancient homeland, and his desperate bid to fulfil the prophecy and bring the dragons back

into the world.

War of the Twin Swords Createspace Independent Publishing Platform

Mage Alex Verus is back in the seventh in the "gorgeously realized"* urban fantasy series from the national bestselling author of *Veiled*. I'm used to people wanting me dead. But, this time, I'm not the only one on the hit list—and time is running out... Diviner Alex Verus finally made one too many enemies on the Council of Mages, and now one of them is angry enough to have him executed. Fighting for his life is nothing new, but this kill order also calls for the death of Alex's dependents—and there's no way that he'll let Luna, Anne, and Vari take the heat. With only a week before he's history, Alex will have to figure out how to disassociate himself from his friends, scrounge up allies on the Council, and hopefully keep his head attached to his body. But saving himself is going to bring him into direct opposition with his former master and the Dark mages surrounding him. And, this time, escaping with his life might mean losing his soul... [GURPS For Dummies](#) Dorrance Publishing In a world where magic has supplanted science, those that can use it become the

new upper class, while those that can't are cast out into the world, barely getting by. Eric, the last scientist, sets out to change all that, to restore a balance lost decades ago. But when a young mage is killed in front of him, he must struggle to get away from the dogged pursuit of the Mage Authority and coerce anyone he needs to in order to finish his quest. Even those that would work against their own interest in the process. Bethany is the leader of her investigative team of the Mage Authority. When she gets assigned the case of the wrongful death of a young mage, she is thrown down the rabbit hole of conspiracies and intrigue. Will she be able to find the mage responsible before the politics of the guild system forces her to arrest the wrong man? Ardith is broke and in debt. Despite her own abilities, the world of magic just wasn't working for like it should have. So, when the mysterious man appeared with promises of silver, she jumped at the chance to make some money. It was her first real work out of the academy, but if she isn't careful, it may be her last.

Behind the Dragon's Veil Funstory

In the Court of the Dead, kill or be killed

takes on a whole other meaning. I'm Bria Kent, and ever since I escaped the deadly magical prison of the House of Fire, I've lived by three rules: always be ready to run, adapt to your surroundings, and do whatever is necessary to survive. When my cover is blown and my best friend is kidnapped, I have little choice but to seek refuge in the one place my enemies will never find me: the Court of the Dead. The slight problem? Only one fire mage can earn the right to stay on as the Death King's official Fire Element, and the contest has been rigged from the start. My only allies are also my competition -- and the rogue spirit mage partially responsible for getting me into this mess to begin with. Yet he might be my only hope to rescue my best friend and expose a conspiracy within the Court of the Dead before the Death King figures out my real reasons for being here. It's kill or be killed... and I have no intention of losing. Lady Warrior, Mage of Man J-Novel Club
Long ago, Bryn tried to use a gemstone to focus his magic so he could stave off dark mages, who were threatening. Mid-spell, the tourmaline broke - into one green half and one pink half. Bryn finds he can use

the green half, set in an amulet of his making, to enhance his power. The pink half responds to his wife, Paire, giving her more power as well. Using the Amulets of Power, they are able to defeat the dark mages and drive them back to wherever they came from. But the unintended consequence of Bryn's spell is the dividing magic into organic and elemental. Elemental mages can only use any of the four elements in their magic: fire, air, earth, and water. Organic mages only have the ability to work with anything organic. In present day, Sorcha, a young organic mage, and Aidan, a young elemental mage, have fallen in love. When they find out her father, Riordan, has been imprisoned for the past 15 years by the dark mage, Scanlan, they set off to rescue him. They are joined by fellow mages - both friends and family. None of them has ever used their magic in anger, but Aidan and Sorcha do think they have an advantage - their newly discovered ability to combine her organic magic with his elemental. But will it be enough to beat Scanlan? And what does it mean that they have this ability to combine their powers - something that has only cropped up twice

since the days of Bryn and Paire? Is this 'old magic' or is 'old magic' something else entirely? And where in the world are the Amulets of Power Bryn and Paire used? Illumination Astra Publishing House

Betrayal lurks in the shadows. Trust becomes their deadliest weapon. In a realm where trust is a scarce commodity, Rovann and Maegwin emerge from the ashes of the battle at Carrow Crossing. But their respite is short-lived, for the battle was merely a prelude to a far greater war that looms. In a desperate gamble, Rovann and Maegwin set their sights on the elusive lair of the enigmatic Songmaker. Only by stopping him can they prevent his unholy army from unleashing havoc. Yet, as they venture deeper into the treacherous unknown, they find themselves ensnared in a web of betrayal, unsure of who among their allies can truly be trusted. In a world where friends and foes wear interchangeable masks, can they even rely on each other? The stakes are higher than ever before, and the choices they make will determine not only their own fates but the destiny of their world. The King's Mage is the second installment of a spellbinding fantasy

series, evoking the spirit of legendary epics like A Song of Ice and Fire and The Wheel of Time. Lose yourself in a world where mages clash, mythical creatures roam, and heroes rise from the shadows to confront the encroaching darkness. Over the true identity of their enemy, dark secrets will be revealed that will either prove their salvation—or their ultimate undoing. The Perilous Sea Simon and Schuster

For ten years, the dark mage Maelos has shrouded Evendrail in darkness and oppression. With no hope in sight, many are struggling to survive; others pray that their luck will remain. In searching for answers, Syllas stumbles upon an ancient artifact—a mysterious silver amulet—that confirms the reality of the fabled Vault of Kings. Hoping to overthrow Maelos and end his evil reign, Syllas and his companions set off to find the legendary elemental stones of power that are needed to unlock the door to the vault. If they are to succeed in their quest, they must first learn to master the ancient art

of Magick in all of its basic forms: Light, Darkness, Water, Fire, Nature, and Air. Then they must pray that whatever secret is contained in the Vault of Kings will be enough to give them the edge that they need to defeat the most powerful dark mage that the world has ever seen.

Shadowrun Legends: Ragnarock Elizabeth Baxter

Miracles are created. What about myths? In the game, one could look for miracles, but in the game, one needed to create a legend. Accidents are often the starting point for the achievement of myths. The accident that happened when he was a child caused him to obtain the Chaotic Body ... Yet, he was unable to cultivate due to an accident... There were too many accidents, and it was precisely these accidents that had made him so ... The game was merciless. It was brotherly!

The Amulets of Power Wizards of the Coast

A spymaster's apprentice, a warrior from the Lands of Ice, and a high priest of the goddess of the night. A wizardess who can tap the realm of magic, and three apprentices of notable power. A king suborned by an ancient god. With a dark power rising and the gods caught by

surprise, can priest, apprentice and warrior save the lives of those sought for sacrifice by a deity from a near-forgotten pantheon?

The Last Scientist Rhonda Denise Johnson

THE STEWARD is an epic contemporary tale in which folklore and fantasy enmesh with physics and forensics. This expanded box set includes Volumes 1 through 4 of the series (Domaine Delafaire, Realms of Possibility, Alas The Best Laid Plans, and Storm Haven).

Mountain Princess AuthorHouse
Urban fantasy/paranormal romance. When a battle-hardened witch teams up with an FBI agent out for revenge, can they they stop a supernatural killer? When love gets in the way, will it save them or destroy everything?

Shadowstorm Two Laurels Press
DIGGING FOR DANGER... In the twenty-first century, magic brings out the best in people—and the worst. As Tommy Talon already knows. As the head of a successful

shadowrunning team, it's the dark side of people that brings him business. AND THE ONLY REWARD IS A SWIFT DEATH... This time he's hired to hunt a murderous archaeologist and recover a magical relic. But Talon's not hunting alone. Someone else wants the artifact too—someone very powerful. And Talon and his team must outwit the world's most potent megacorporation on its own turf if they're to have any chance of returning the treasure—or any chance of returning at all...
