OET Preparation: English for Healthcare Professionals Book 1 Createspace Independent Publishing Platform

Education is the key to America's economic growth and prosperity and to our ability to compete in the global economy. It is the path to higher earning power for Americans and is necessary for our democracy to work. It fosters the cross-border, cross-cultural collaboration required to solve the most challenging problems of our time. The National Education Technology Plan 2010 calls for revolutionary transformation. Specifically, we must embrace innovation and technology which is at the core of virtually every aspect of our daily lives and work. This book explores the National Education Technology Plan which presents a model of learning powered by technology, with goals and recommendations in five essential areas: learning, assessment, teaching, infrastructure and productivity.

The purpose of the Occupational English Test is to evaluate the English competence of people who have trained as medical and health practitioners in one country and wish to gain provisional registration to practice their profession in an English-speaking context. The Listening sub-test is based on topics and tasks common to all candidates and consists of two parts: a recorded, simulated professional-patient consultation with note-taking questions and a recorded talk or lecture on a health-related topic with short-answer/note-taking questions. A set of questions is attached to each section.

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

Grammar Booster for OET Nursing has been designed to support nursing students and healthcare professionals seeking to boost their English language proficiency in the workplace through consolidation, extension and application of their existing grammar knowledge to a range of healthcare settings. Grammar Booster for OET Nursing provides the opportunity to develop more effective communication skills for use in a range of healthcare settings through increased awareness of grammar forms presented and practised in context. Grammar Booster for OET Nursing is ideal for healthcare students and professionals who: have a current minimum English language proficiency of Upper Intermediate level (CEFR B2); plan to have their English language proficiency assessed through the Occupational English Test (OET); wish to build their confidence to become more effective communicators in the workplace. Grammar Booster for OET Nursing is a user-friendly grammar resource which can be used for independent study or adapted for classroom use to support specialised English language nursing courses, including English for Academic Purposes (EAP) for Nursing and OET preparation courses. Grammar Booster for OET Nursing offers ten units. Units 1-9 are stand-alone units, each of which addresses a key grammar area that may cause difficulty for learners. Units 1-9 include: an introductory setting to showcase the grammar area for development; a Grammar Boost section to provide examples and explanations; practice tasks to develop proficiency in applying the grammar structures to healthcare contexts; answer keys for the practice tasks in each unit at the back of the book. Unit 10 is a Review Unit designed to recycle all key grammar areas explored and practised in Units 1-9 and has an answer key for the review tasks at the back of the book.
