How to use the weapons in your spiritual arsenal Dave was a faithful husband and a model parishioner, yet he suffered guilt and shame over a secret addiction to pornographic movies and magazines. Sue suffered from recurring nightmares, having dabbled in the occult years earlier. It never occurred to either Sue or Dave that evil spirits might be at work to heighten their problems, or that spiritual warfare might help in combating their besetting sins. Like many Catholics, they were unaware of how to use the weapons in their spiritual arsenal. 'Spiritual Warfare for

Catholic' is an invaluable guide to the unseen conflict we all face. It includes helpful advice on a variety of topics: -angelic protection -the sacraments -the intercession of Mary and the saints -daily prayer

The resurgence of religiosity in post-communist Europe has been widely noted, but the full spectrum of religious practice in the diverse countries of Central and Eastern Europe has been effectively hidden behind the region's range of languages and cultures. This volume presents an overview of one of the most notable developments in the region, the rise of Pagan and "Native Faith" movements. *Modern Pagan and Native Faith Movements in Central and Eastern Europe* brings together scholars from across the region to present both systematic country overviews - of Armenia, Bulgaria, the Czech Republic, Hungary, Latvia, Lithuania, Poland, Romania, Russia, Slovenia, and Ukraine - as well as essays exploring specific themes such as racism and the internet. The volume will be of interest to scholars of new religious movements especially those looking for a more comprehensive picture of contemporary paganism beyond the English-speaking world.

*Microbial Threats to Health* TAN Books

"Do you want to be healed?" Jesus asks that question several times in the Bible—of the woman at the well, Bartimaeus the blind man, the woman caught in adultery, the rich young man—and he asks the same of you as well. *Do You Want to Be Healed?* is a 10-day personal retreat that uses a healing process similar to the one found in the author Bob Schuchts's bestselling

book *Be Healed*. Each day of the do-it-yourself retreat engages you with a question Jesus asked his followers and uses the traditional practice of lectiodivina (divine reading) to dive into a scriptural scene where Jesus heals the spiritually and physically sick. Through the five movements of reading, meditation, prayer, contemplation, and action, you will encounter the biblical figures who received the healing words of Jesus, you will undergo your own spiritual healing and discover your personal response to Jesus's most probing questions, including: Do you want to be made well? What are you thinking in your heart? Has no one condemned you? Can you drink the cup? Have you come to believe? and Do you love me more than these? Through these questions and the healing answering them brings about, you will come to understand the principles of spiritual healing—such as facing your brokenness, acknowledging your sin and shame, and discovering the healing power of the sacraments—Schuchts shares in *Be Healed*. Those who have already read *Be Healed* will be drawn deeper into their healing with a refresher on the core principles of Schuchts's work. The book is also perfect for those who want to begin the process of spiritual healing. *Do You Want to Be Healed?* also is an essential resource for pastors, spiritual directors, therapists, and those who help lead others in an integration of their human and spiritual formation.

Gerald had been in and out of prison most of his life. He was recently incarcerated for four years due to domestic violence and was recently released. He was extremely fearful that if another incident happened, he would go back to prison for the rest of his life. Through his whole life, he couldn't control his anger. One

day, I asked, "Are you ready to get rid of that anger?" He said, "Yes." I led him through forgiving those who hurt him and inviting the Lord to heal the pain those people caused him. During that session, he experienced a tremendous weight lifting off from his shoulders and a deep peace. Since that day, he has been different. It has been one year, and he continues to be free from anger and stays peaceful. Through the principles and prayers in this book, you too can be free and receive the peace Gerald received.

Infectious diseases are a global hazard that puts every nation and every person at risk. The recent SARS outbreak is a prime example. Knowing neither geographic nor political borders, often arriving silently and lethally, microbial pathogens constitute a grave threat to the health of humans. Indeed, a majority of countries recently identified the spread of infectious disease as the greatest global problem they confront. Throughout history, humans have struggled to control both the causes and consequences of infectious diseases and we will continue to do so into the foreseeable future. Following up on a high-profile 1992 report from the Institute of Medicine, *Microbial Threats to Health* examines the current state of knowledge and policy pertaining to emerging and re-emerging infectious diseases from around the

globe. It examines the spectrum of microbial threats, factors in disease emergence, and the ultimate capacity of the United States to meet the challenges posed by microbial threats to human health. From the impact of war or technology on disease emergence to the development of enhanced disease surveillance and vaccine strategies, *Microbial Threats to Health* contains valuable information for researchers, students, health care providers, policymakers, public health officials. and the interested public.

The Catholic Church. Her Structure and Belief-System Ave Maria Press

2019 Reprint of 1945 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition software. This work is a classic within the Catholic tradition regarding the important of the interior life. Interior life is a life which seeks God in everything, a life of prayer and the practice of living in the presence of God. It connotes intimate, friendly conversation with Him, and a determined focus on internal prayer versus external actions, while these latter are transformed into means of prayer.

According to John Paul II, Jesus' statement "without me you can do nothing" (cf. Jn 15:5) is a truth that "constantly reminds us of the primacy of Christ and, in union with him, the primacy of the interior life and of holiness."
