to current issues like  
regionalism,  
communalism,  
secessionism, and

plurality of literary consciousness.

#### **Our Story So Far 4**

Springer

This volume forms a part of the Critical Discourses in South Asia series which deals with schools, movements and discursive practices in major South Asian languages. It offers crucial insights into the making of Telugu literature and its critical tradition across over a century. The book brings together English translation of major writings of influential figures dealing with literary criticism and theory, aesthetic and performative traditions, re-interpretations of primary concepts, categories and interactions in Telugu. It presents 32 key texts

in literary and cultural studies representing thoughts, debates, signposts and interfaces on important trends in critical discourse in the Telugu region from the middle of the 19th to the end of the 20th century, with nearly all translated by experts for the first time into English. The volume covers a wide array of themes, ranging from a text by Kandukuri Veeresalingam on women's education to Challapalli Swaroopa Rani on new readings of the oral literature of the marginalised communities. These radical essays explore the interconnectedness of the socio-cultural and historical developments in the colonial and post-independence period in the Telugu region.

They discuss themes such as integrative aesthetic visions; poetic and literary forms; modernism; imagination; power structures and social struggles; ideological values; cultural renovations; and collaborations and subversions. Comprehensive and authoritative, this volume offers an overview of the history of critical thought in Telugu literature in South Asia. It will be essential for scholars and researchers of Telugu language and literature, literary criticism, literary theory, comparative literature, Indian literature, cultural studies, art and aesthetics, performance studies, history, sociology, regional studies and

South Asian studies. It will also interest the Telugu-speaking diaspora and those working on the intellectual history of Telugu and conservation of languages and culture.

**Asura : Tale of the Vanquished** Oxford University Press, USA  
 First published in 1983, A Guide to Twentieth Century Literature in English is a detailed and comprehensive guide containing over 500 entries on individual writers from countries including Africa, Australia, Canada, the Caribbean, India, Ireland, New Zealand, Pakistan, Sri Lanka, and the UK. The book contains substantial articles relating to major novelists, poets, and dramatists of the age, as well as a wealth of

information on the work of lesser-known writers and the part they have played in cultural history. It focuses in detail on the character and quality of the literature itself, highlighting what is distinctive in the work of the writers being discussed and providing key biographical and contextual details. A Guide to Twentieth Century Literature in English is ideal for those with an interest in the twentieth century literary scene and the history of literature more broadly.

Penguin UK

The books presents the study undertaken by the ASEAN-India Centre (AIC) at Research and Information System for

Developing Countries (RIS) on India's cultural links with Southeast Asia, with particular reference to historical and contemporary dimensions. The book traces ancient trade and maritime links, Chola Empire and Southeast Asia, religious exchanges (the Hindu, Buddhist and Islamic heritage), language, scripts and folklore, performing arts, painting and sculpture, architecture, role of the Indian Diaspora, contemporary cultural interaction, etc.

The story of Rama has been a part of our lives for ever and will probably continue to be so.... But most of us are unaware that the

story has as many variations as there are versions. In the author's own words, Valmiki's Ramayana has taken several 'incarnations' due to the efforts of many great writers who wanted to bring the story to their own people in their own language. In his book, Professor AA Manavalan, an eminent scholar in the field of comparative literature, has painstakingly made an intensive and analytical study of the Rama story in 48 languages including the folk tradition. Professor Manavalan's main focus is on how the receiving language's rendering could make a greater impact than the original in the popular imagination of the people.

14 leading 'Ramayana' scholars examine the

epic in its myriad contexts throughout South and Southeast Asia. They explore the role the narrative plays in societies as varied as India Indonesia, Thailand and Cambodia. The essays also expand the understanding of the 'text' to include non-verbal renditions of the epic.

Taylor & Francis

In the long drawn political struggle for the attainment of swaraj several leaders representing various regions of our sub-continent played their historic role. Each volume contains the significant phase of the movement which generated the spirit of patriotism among the millions of people. This multivolume work illuminates the role played by the Freedom Fighters during the freedom struggle. In fact, besides majority community, all minorities have played important role in freedom struggle. Dalit leaders equally played important role in 1857. This multivolume work thus highlights the

contributions of people from all sections of society in the freedom movement during Indian freedom. This is an attempt to draw upon their remembrance of the freedom struggle. Efforts have been made to include Freedom Fighters from various regions. The reminiscences of these unsung heroes reveal deep dedication and spirit with which they fought against the atrocities of the British risking their life and profession. The history of Freedom Movement would be incomplete without mentioning the contribution of women. In the Volume IV, we can study about women who participated in the freedom struggle and made rich contribution in various ways. Some

of them were imprisoned, fined and suffered for freedom, and their contributions cannot be overlooked. The great contributions of these ladies and lords should be brought to the knowledge of the present generation, and this would be the best way to pay homage to them. This multivolume is a tribute to the Freedom Fighters in India's freedom movement.

### **Katha Prize Stories**

Santo Saba Piliang Folklore Studies in India: Critical Regional Responses is an interesting compilation of twenty-eight critical articles on the beginning of folklore studies in the different parts of India. In the absence of a book that could map the history of Indian folklore

studies single-handedly, this book can be deemed as the first-of-its-kind to feature the historical development of folklore studies in the different states of India. This book succinctly introduces the readers to the folk culture, folk arts, and folk genres of a particular region and to the different aspects of folkloristic researches carried out in that region.

Folk Culture, The Perennial Substratum Of The Sophisticated Metropolitan Culture,

Takes Many Lively And Colourful Forms. This Is Particularly True In India. This Book Is A Study Of One Such Expression Of The Folk Culture Obtained In South Kanara, India. It Is Not One Of Those Dry Academic Studies Usually Made By Foreign Scholars. For The Authors, The Book Has Been A Passionate Involvement In A Traditional Art Form Yakshagana. The American Authors Have Put Down Their Experience With The Hope That The Reader Will Enjoy An Imaginary Trip To South Kanara, A Walk Through The Fields And A Thrilling Night Of Yakshagana. In A Lively Style, This Book Brings Home To The Readers Almost Everything About This Particular Form Of Dance-Drama, The

Music, Dance Costumes And Make-Up And Impromptu Dialogue As Well As Its Literature On Which The Dramatic Themes Are Based, The Rituals Performed Before, During, And After The Drama, The Organization Of A Troupe, The Existing Troupes, And The Training Of The Performers. With Nineteen Four-Colour Reproductions, Twenty-Tree Black-And-White Illustrations And Eighteen Line Drawings, Yakshagana Has Something To Offer To Each Of Its Readers. For Those Trained In Music There Is The Style Of Singing And Rhythms Peculiar To Yakshagana. And Those Who Are Learned In Poetry, Religious Epics And Legends Can Revel In

The Beauty Of The Poetry, And Those Who Have A Sense Of Colour And Design Can Be Enchanted By The Costumes And Make-Up. The Readers Will Vicariously Experience The Intricate Steps Of The Dance, Not To Be Seen In Any Other Indian Dance Forms, Yet They Are Characteristically Indian. Yakshagana, As Experienced By The Authors, Reveals The Deeper Meanings Of The Indian Epics And Legends Through The Extempore Dialogue Of The Performers. Their Descriptions Of The Risqué Humour Of The Buffoon And His Comic Movements Come Alive Before The Readers. Here Is A Point Of Departure For More Study In New Directions, Valuable To The Students Of Arts

And Folk Culture, And Yet Tempting The General Readers With Its Rich Fare Of Aesthetic And Intellectual Experiences. Yakshagana Is Tempting To The Booklover In Many Other Ways: The Subject Of The Book Has Been Presented And Decorated By One Of The Famous Indian Artists K.K. Hebbar, And Introduced By C. Sivaramamurti, A Noted Historian And Archaeologist Whose Deep Knowledge In Iconography Has Made Rich Contributions To The Study And Understanding Of The Ancient And Medieval Visual Arts In This Country. *The Puffin History of India* Puffin  
The epic tale of victory

and defeat... The story of the Ramayana had been told innumerable times. The enthralling story of Rama, the incarnation of God, who slew Ravana, the evil demon of darkness, is known to every Indian. And in the pages of history, as always, it is the version told by the victors, that lives on. The voice of the vanquished remains lost in silence. But what if Ravana and his people had a different story to tell? The story of the Ravanayana had never been told. Asura is the epic tale of the vanquished Asura people, a story that has been cherished by the oppressed outcastes of India for 3000 years. Until now, no Asura has dared to tell the tale. But perhaps the time has

come for the dead and the defeated to speak. "For thousands of years, I have been vilified and my death is celebrated year after year in every corner of India. Why? Was it because I challenged the Gods for the sake of my daughter? Was it because I freed a race from the yoke of caste-based Deva rule? You have heard the victor's tale, the Ramayana. Now hear the Ravanayana, for I am Ravana, the Asura, and my story is the tale of the vanquished." "I am a non-entity-invisible, powerless and negligible. No epics will ever be written about me. I have suffered both Ravana and Rama - the hero and the villain or the villain and the hero. When the stories of great men are told, my voice

maybe too feeble to be heard. Yet, spare me a moment and hear my story, for I am Bhadra, the Asura, and my life is the tale of the loser." The ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas. In desperation, the Asuras look up to a young saviour-Ravana. Believing that a better world awaits them under Ravana, common men like Bhadra decide to follow the young leader. With a will of iron and a fiery ambition to succeed, Ravana leads his people from victory to victory and carves out a vast empire from the Devas. But even when Ravana succeeds spectacularly, the poor Asuras find that nothing much has changed for them. It is

when that Ravana, by one action, changes the history of the world.
