ALEXANDER LIN

Thud! Discworld

In the days leading up to her wedding to Darcy O'Mara, Lady Georgiana Rannoch takes on the responsibilities of a grand estate, but proving she can run a household just may be the death of her in the new Royal Spyness Mystery from the New York Times bestselling author of *On Her Majesty's Frightfully Secret Service*. If only Darcy and I had eloped! What I thought would be a simple wedding has been transformed into a grand affair, thanks to the attendance of the queen, who has offered up the princesses as bridesmaids. Silly me! I thought that withdrawing from the royal line of succession would simplify my life. But before Darcy and I tie the knot in front of queen and country, we have to find a place to live as man and wife... House hunting turns out to be a pretty grim affair. Just as we start to lose hope, my globetrotting godfather offers us his fully staffed country estate. Mistress of Eynsleigh I shall be! With Darcy off in parts unknown, I head to Eynsleigh alone, only to have my hopes dashed. The grounds are in disarray and the small staff is suspiciously incompetent. Not to mention the gas tap leak in my bedroom, which I can only imagine was an attempt on my life. Something rotten is afoot--and bringing the place up to snuff may put me six feet under before I even get a chance to walk down the aisle...

Feet of Clay Harper Collins

It's the night before Hogswatch. And it's too quiet. Superstition makes things work in the Discworld, and undermining it can have consequences. It's just not

right to find Death creeping down chimneys and trying to say 'Ho Ho Ho...' It's the last night of the year, the time is turning, and if Susan, gothic governess and Death's granddaughter (sort of), doesn't sort everything out by morning, there won't be a morning. Ever again... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel *Hogfather* wittily and faithfully reimagines the story for the stage.

Going Postal Harper Collins

War has come to Discworld ... again. And, to no one's great surprise, the conflict centers around the small, arrogantly fundamentalist duchy of Borogravia, which has long prided itself on its unrelenting aggressiveness. A year ago, Polly Perks's brother marched off to battle, and Polly's willing to resort to drastic measures to find him. So she cuts off her hair, dons masculine garb, and -- aided by a well-placed pair of socks -- sets out to join this man's army. Since a nation in such dire need of cannon fodder can't afford to be too picky, Polly is eagerly welcomed into the fighting fold--along with a vampire, a troll, an Igor, a religious fanatic, and two uncommonly close "friends." It would appear that Polly "Ozzer" Perks isn't the only grunt with a secret. But duty calls, the battlefield beckons. And now is the time for all good ... er ... "men" to come to the aid of their country.

Men at Arms Random House

Someone is murdering old men, the Patrician has been poisoned, the clay workers have started committing suicide, and there is a werewolf suffering from pre-lunar tension.

The Ankh-Morpork Archives Harper Collins

Think you know Ankh-Morpork? Think

again. In this top-secret guide, intrepid explorers will receive a first-hand experience of the real city. If you've ever wondered where Unseen University students wet their whistles (while avoiding their teachers as they do the same), or pondered just what the Assassins' Guild constitutes a proper means of inhumation - there are standards to be upheld - then this is the book for you. That's right, have yourself a glimpse of what actually goes on in the city's societies. Cut the chaff, peek behind the curtain, see how the sausage gets made . . . err, you get the idea. Just don't let the Thieves' Guild catch you with this. They won't appreciate their methods being flogged behind their back. Flogging's their job. Completely revamped and redesigned, this full-colour book contains material from Discworld Diaries across the decades. Four Funerals and Maybe a Wedding Oberon Modern Playwrights

The sea has taken everything. Mau is the only one left after a giant wave sweeps his island village away. But when much is taken, something is returned, and somewhere in the jungle Daphne—a girl from the other side of the globe—is the sole survivor of a ship destroyed by the same wave. Together the two confront the aftermath of catastrophe. Drawn by the smoke of Mau and Daphne's sheltering fire, other refugees slowly arrive: children without parents, mothers without babies, husbands without wives—all of them hungry and all of them frightened. As Mau and Daphne struggle to keep the small band safe and fed, they defy ancestral spirits, challenge death himself, and uncover a long-hidden secret that literally turns the world upside down. . . . Internationally revered storyteller Terry Pratchett presents a breathtaking adventure of

survival and discovery, and of the courage required to forge new beliefs. *The Rince Cycle* Bloomsbury Publishing

'Some people would be asking: whose side are you on? If you're not for us, you're against us. Huh. If you're not an apple, you're a banana' Koom Valley, where the trolls ambushed the dwarfs, or the dwarfs ambushed the trolls, was a long time ago. But if he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. With his beloved Watch crumbling around him and war-drums sounding, he must unravel every clue, outwit every assassin and brave any darkness to find the solution. And darkness is following him. Oh . . . and at six o'clock every day, without fail, with no excuses, he must go home to read 'Where's My Cow?', with all the right farmyard noises, to his little boy. There are some things you have to do. Guards! Guards! Harper Voyager

From Snuff: 'Vimes' prompt arrival got a nod of approval from Sybil, who gingerly handed him a new book to read to Young Sam. Vimes looked at the cover. The title was *The World of Poo*. When his wife was out of eyeshot he carefully leafed through it. Well, okay, you had to accept that the world had moved on and these days fairy stories were probably not going to be about twinkly little things with wings. As he turned page after page, it dawned on him that whoever had written this book, they certainly knew what would make kids like Young Sam laugh until they were nearly sick. The bit about sailing down the river almost made him smile. But interspersed with the scatology was actually quite interesting stuff about septic tanks and dunnakin divers and gongfermors and how dog muck helped make the very

best leather, and other things that you never thought you would need to know, but once heard somehow lodged in your mind.'

Interesting Times Yen Press LLC

Beloved and bestselling author Sir Terry Pratchett's *Dodger*, a Printz Honor Book, combines high comedy with deep wisdom in a tale of one remarkable boy's rise in a fantasy-infused Victorian London. Seventeen-year-old *Dodger* is content as a sewer scavenger. But he enters a new world when he rescues a young girl from a beating, and her fate impacts some of the most powerful people in England. From *Dodger*'s encounter with the mad barber Sweeney Todd, to his meetings with the great writer Charles Dickens and the calculating politician Benjamin Disraeli, history and fantasy intertwine in a breathtaking account of adventure and mystery.

[Walking to Aldebaran](#) Bloomsbury Publishing

Once, in a gods-forsaken hellhole called Koom Valley, trolls and dwarfs met in bloody combat. Centuries later, each species still views the other with simmering animosity. Lately, the influential dwarf, Grag Hamcrusher, has been fomenting unrest among Ankh-Morpork's more diminutive citizens—a volatile situation made far worse when the pint-size provocateur is discovered bashed to death . . . with a troll club lying conveniently nearby. Commander Sam Vimes of the City Watch is aware of the importance of solving the Hamcrusher homicide without delay. (Vimes's second most-pressing responsibility, in fact, next to always being home at six p.m. sharp to read *Where's My Cow?* to Sam, Jr.) But more than one corpse is waiting for Vimes in the eerie, summoning darkness of a

labyrinthine mine network being secretly excavated beneath Ankh-Morpork's streets. And the deadly puzzle is pulling him deep into the muck and mire of superstition, hatred, and fear—and perhaps all the way to Koom Valley itself.

Feet of Clay Bloomsbury Publishing
NOW UPDATED to include material on the Discworld books up to *Raising Steam*. Most of us grow up having always known to touch wood or cross our fingers, and what happens when a princess kisses a frog or a boy pulls a sword from a stone, yet sadly some of these things are now beginning to be forgotten. Legends, myths, fairytales: our world is made up of the stories we told ourselves about where we came from and how we got there. It is the same on Discworld, except that beings which on Earth are creatures of the imagination - like vampires, trolls, witches and, possibly, gods - are real, alive and in some cases kicking on the Disc. In *The Folklore of Discworld*, Terry Pratchett teams up with leading British folklorist Jacqueline Simpson to take an irreverent yet illuminating look at the living myths and folklore that are reflected, celebrated and affectionately labelled in the uniquely imaginative universe of Discworld.

Nation Harper Collins

When Tiffany Aching sets out to become a witch, she faces ominous foes and gains unexpected allies. As she confronts the Queen of Fairies and battles an ancient, bodiless evil, she is aided (and most ably abetted) by the six-inch-high, fightin', stealin', drinkin' Wee Free Men! Laugh-out-loud humor and breathtaking action combine in the books that launched the unforgettable adventures of a determined young witch and her tiny but fierce blue friends.

Reaper Man Bloomsbury Publishing
 Feet of Clay Someone is killing Lord Vetinari, Patrician of Ankh-Morpork. No one knows who, no one knows why and, worst of all, no one knows how - he just gets weaker and weaker. But it's not just Vetinari - across the city, people are being murdered, but there's no trace of anything alive having been at the crime scene. Commander Vimes, Head of the City Watch, is a man who hates 'clues'. He and his team must question everyone - the butcher, the baker, the candlestick maker. In a city teeming with vampires, werewolves, dwarfs with attitude and golems, Vimes must solve the crimes and save the Patrician. The Rince Cycle As a punishment, failed wizard Rincewind is given the task of guiding and safeguarding the Disc's first tourist, Twoflower (with his magical luggage on legs). As they travel the city and beyond, they meet the world's oldest hero, Cohen the Barbarian. With him, and with Bethan (a qualified sacrificial victim), they encounter druids, trolls, adventurers, a hairdresser and a power-crazed wizard. Oh, and Death. But not fatally. Did we mention that Rincewind also has to save the world from destruction by a huge red star that will collide with the Discworld at Hogswatch? The Rince Cycle is mostly based on The Light Fantastic, with bits of The Colour of Magic and Sourcery added for good measure. Unseen Academicals 'Two households, both alike in dignity, in fair Ankh-Morpork, where we lay our scene...' Football divides the city. Each area has its own team - and rivalry means supporters never mix. Until a Dimwell fan falls for a Dolly Sisters girl. And now an ancient bequest means the wizards of Unseen University must win a football match, without using magic. Luckily they're coached by the

mysterious Mr Nutt (and no one knows anything much about Mr Nutt, not even Mr Nutt, which worries him, too). As the match approaches, four lives are entangled and changed forever. Because the thing about football - the important thing about football - is that it is not just about football.

The World of Poo Harper Collins

They say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

Jingo Random House

A Young Dwarf's Dream Corporal Carrot has been promoted! He's now in charge of the new recruits guarding Ankh-Morpork, Discworld's greatest city, from Barbarian Tribes, Miscellaneous Marauders, unlicensed Thieves, and such. It's a big job, particularly for an adopted dwarf. But an even bigger job awaits. An ancient document has just revealed that Ankh-Morpork, ruled for

decades by Disorganized crime, has a secret sovereign! And his name is Carrott... And so begins the most awesome epic encounter of all time, or at least all afternoon, in which the fate of a city—indeed of the universe itself!—depends on a young man's courage, an ancient sword's magic, and a three-legged poodle's bladder.

Lady Whistledown Strikes Back Rebellion Publishing Ltd

Someone is killing Lord Vetinari, Patrician of Ankh-Morpork. No one knows who, no one knows why and, worst of all, no one knows how he just gets weaker and weaker. But it's not just Vetinari across the city, people are being murdered, but there's no trace of anything alive having been at the crime scene. Commander Vimes, Head of the City Watch, is a man who hates clues. He and his team must question everyone the butcher, the baker, the candlestick maker. In a city teeming with vampires, werewolves, dwarfs with attitude and golems, Vimes must solve the crimes and save the Patrician. As all children know, the way you get into a fantasy world is by accident... You go into the wardrobe, looking for somewhere to hide and bingo. And that's how Stephen Briggs found Discworld. In 1990, he wrote to ask Terry if he could stage Wyrdsisters. That was the first time anyone, anywhere in the world, had dramatised Terry's work. He had no idea it would go any further than one play (possibly two). But it did. So far, he has now adapted, staged and published twenty-two plays. He and Terry also worked together to produce the original Discworld Maps and Diaries, Nanny Ogg's Cookbook, The Discworld Companion (now called Turtle Recall) The Wit & Wisdom of Discworld. [The City Watch Trilogy](#) Gollancz
Join the Bridgertons, and the rest of the

ton, as they pore over (and gossip about) Lady Whistledown's latest musings. The elusive Regency-era gossip columnist -- popularized in # 1 New York Times bestselling author Julia Quinn's Bridgerton novels, now a series created by Shondaland for Netflix - reveals society's most recent secrets in this second glittering anthology, following the New York Times bestseller, *The Further Observations of Lady Whistledown. Who Stole Lady Neeley's Bracelet?* Was it the fortune hunter, the gambler, the servant, or the rogue? All of London is abuzz with speculation, but it is clear that one of four couples is connected to the crime. —Lady Whistledown's Society Papers, May 1816
Julia Quinn enchants: A dashing fortune hunter is captivated by the Season's most desired debutante . . . and must prove he is out to steal the lady's heart, not her dowry. Suzanne Enoch tantalizes: An innocent miss who has spent her life scrupulously avoiding scandal is suddenly—and secretly—courted by London's most notorious rogue. Karen Hawkins seduces: A roving viscount comes home to rekindle the passionate fires of his marriage . . . only to discover that his beautiful, headstrong bride will not be so easily won. Mia Ryan delights: A lovely, free-spirited servant is dazzled by the romantic attentions of a charming earl . . . sparking a scandalous affair that could ruin them both. You'll hear it first from Lady Whistledown!

I'M LOST. I'M SCARED. AND THERE'S SOMETHING HORRIBLE IN HERE. My name is Gary Rendell. I'm an astronaut. When they asked me as a kid what I wanted to be when I grew up, I said, "astronaut, please!" I dreamed

astronaut, I worked astronaut, I studied astronaut. I got lucky; when a probe exploring the Oort Cloud found a strange alien rock and an international team of scientists was put together to go and look at it, I made the draw. I got even luckier. When disaster hit and our team was split up, scattered through the endless cold tunnels, I somehow survived. Now I'm lost, and alone, and scared, and there's something horrible in here. Lucky me. Lucky, lucky, lucky. A new standalone novella by the Arthur C Clarke Award-winning author of Children of Time.
