Under the storm clouds of  
war, can they hope for  
happiness? In the  
tumultuous years before  
the First World War, four  
sisters seek to follow their  
dreams in Judith Lennox's

compelling novel *All My Sisters*. Perfect for fans of Lulu Taylor and Kate Morton. Iris, Marianne, Eva and Clemency are the daughters of Sheffield manufacturer, Joshua Maclise. In the tumultuous years before the First World War, the sisters seek to fulfil their ambitions. Pretty, self-centred Iris dreams of a grand marriage, quiet Marianne meets the love of her life, and passionate Eva longs for independence. Only Clemency, caring for her invalid mother, remains

tied to the family home. Years pass and, her hopes of marriage dashed, Iris becomes a nurse in a London hospital. Marianne, living on a tea estate in Ceylon, finds first her happiness and then her life is threatened by a cruel and ruthless man. When Eva falls in love with the Bohemian, Gabriel Bellamy, her dreams of a career as an artist falter. As the clouds darken and war changes the lives of all the sisters, Clemency fights to free herself from the bonds that confine her and to

discover love at last. What readers are saying about *All My Sisters*: 'This is a book to savour - so many characters, all of them well drawn and who invite our sympathy. A wonderful story' '[Judith Lennox] is the ultimate storyteller... her stories are compelling and beautifully descriptive of both characters and feelings' 'Happy and sad, [this book] has all the qualities to make for an excellent read'

into existence in 1960 thanks to private initiative and a readiness to undertake risks; the successful start was made possible with help from the French Navy and the United States Navy. A prerequisite for the development of the laboratory was also the benevolence of the authorities of the University of Zurich toward a research project from which scarcely any practical use could be expected for the landlocked country of Switzerland. The

development of the laboratory and the systematic research were supported generously from 1964 by Shell Internationale Petroleum Maatschappij of The Hague. The basic theme of the research was always the well-being and functional ability of the human being in an atmosphere of abnormal pressure and or abnormal composition. Many connections became obvious with respiratory physiology, circulatory physiology, and physiology at great

heights, and close contact with other special laboratories of the Medical Clinic proved very valuable. With a relatively small number of steady collaborators it was possible to master an extensive experimental program. Special thanks are due to Mr. Benno Schenk, who as technical head was responsible for the exact performance of all the hyperbaric experiments.

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world. Step into the world of the Trylle, and prepare to be enchanted.... When Wendy Everly first discovers the truth about herself—that she's a changeling switched at birth—she knows her life will never be the same. Now she's about to learn that there's more to the story... She shares a

closer connection to her Vittra rivals than she ever imagined—and they'll stop at nothing to lure her to their side. With the threat of war looming, her only hope of saving the Trylle is to master her magical powers—and marry an equally powerful royal. But that means walking away from Finn, her handsome bodyguard who's strictly off limits...and Loki, a Vittra prince with whom she shares a growing attraction. Torn between her heart and her people, between love and duty,

Wendy must decide her fate. If she makes the wrong choice, she could lose everything, and everybody, she's ever wanted...in both worlds. As a special gift to readers, this book contains a new, never-before-published bonus story, "One Day, Three Ways," set in the magical world of the Trylle. Inspiration for the Netflix Limited Series, Tales of the City The eighth novel in the beloved Tales of the

City series, Armistead Maupin's best-selling San Francisco saga. Following the success of his New York Times bestseller *Michael Tolliver Lives*, Armistead Maupin's *Mary Ann in Autumn* is a touching portrait of friendship, family, and fresh starts, as the City by the Bay welcomes back Mary Ann Singleton, the beloved *Tales of the City* heroine who started it all. A new chapter begins in the lives of both Mary Ann and Michael "Mouse" Tolliver when she returns to San Francisco to rejoin

her oldest friend after years in New York City... the reunion that fans of Maupin's beloved *Tales of the City* series have been awaiting for years. *Come Away with Me* Del Rey "[F]ull of lush locations, memorable characters, and a turn of events that is nothing short of jaw-dropping." —Taylor Jenkins Reid, author of *Daisy Jones & The Six* An unexpected journey leads one woman to discover that life after loss is possible in this emotional novel from the bestselling

author of *Recipe for a Perfect Wife*. One minute, Tegan Lawson has everything she could hope for: an adoring husband, Gabe, and a baby on the way. The next, a patch of black ice causes a life-altering, devastating accident. Tegan is consumed by grief—not to mention anger toward Gabe, who was driving on the night of the crash. Just when she thinks she's hit rock bottom, Gabe reminds her of their *Jar of Spontaneity*, a collection of their dream destinations, and so

begins an adventure of a lifetime. From the bustling markets of Thailand to the flavors of Italy to the ocean waves in Hawaii, Tegan and Gabe embark on a journey to escape the tragedy and search for forgiveness. But they soon learn that grief follows you no matter how far away you run, and that acceptance comes when you least expect it. Heartbreaking, hopeful and utterly transporting, *Come Away with Me* is a luminous celebration of the strength of the human spirit. Previously

*Dictionnaire complet des participes français et de leur accord, précédé de la syntaxe générale des participes* Macmillan A single woman's cat has a curious way of playing matchmaker when he steals from a handsome neighbor in this romance novel inspired by a true

story. Jamie Snyder may be thirty-four and single, but she's far from ready to mingle. After one too many bad relationships, she's ready to focus on herself—and her adorable tabby cat MacGyver, of course. Despite MacGyver's habit of sneaking out at night to steal things from the neighbors, he's still the only male Jamie trusts. He's also the only companion she needs . . . or so she tells herself. MacGyver knows his human is lonely. He can smell it. It's the same

smell he's noticed on their neighbor David, a handsome young baker who's tired of his friends trying to fix him up. But now MacGuyver the cat burglar is on the case. First, he steals something from David's house and stashes it at Jamie's. Then, he steals something from Jamie's house and leaves it with David. Before long, the two are swapping stolen goods, trading dating horror stories, and trying not to fall in love. But they're not fooling MacGyver. When humans generate this

much heat, the cat is out of the bag . . .

In *Transcultural Migration in the Novels of Hédi Bouraoui: A New Ulysses*, Elizabeth Sabiston analyses the dominant theme of transcultural migration, or immigration, in the experimental fiction of Hédi Bouraoui. His protagonists are seen as

Ulysses-figures for the postmodern age, crossing boundaries of language as well as geography

### **Veniss Underground**

Createspace Independent Publishing Platform  
From the New York Times bestselling author of *Annihilation*, Jeff VanderMeer's first novel, *Veniss Underground*, takes readers on a journey to a labyrinthine city of tunnels, and the dangers lurking behind each turn. Set in the mysterious and magical city of Veniss, a surreal metropolis that sits over

an underground labyrinth of tunnels and mines. In this tale, epic and mythological in scope, VanderMeer takes the reader below the surface of the earth to the dark and decadent future. It's a world where Living Artists craft works out of biological material, and humans are either tossed out or recycled into something wholly unrecognizable. Told from three distinct viewpoints—Nicholas, a not-quite-talented-enough Artist; his twin sister, Nicola; and Nicola's

former lover, Shadrach—Veniss Underground follows these characters as they embark on a journey to hell and back, replete with the blend of horrors (biological, environmental, and ethical) that also animate VanderMeer's subsequent blockbuster novels. Veniss Underground explores the limits of love, memory, and obsession in a landscape that defies the boundaries of imagination. This reissue will include a new introduction by the

National Book Award-winning author Charles Yu and more new material from Jeff VanderMeer. *Broadchurch* Library of Alexandria  
Destiny sucks. . . . There was a time when Persephone Alcmedi thought her life was hard to manage, what with wondering how to make sure she took adequate care of both her grandmother and her foster daughter, Beverley, whether she'd end up in the unwanted position of high priestess of a coven,

and whether her wærewolf lover, Johnny, would resist the groupies who hang around his band Lycanthropia. But that was before the fairies started demanding that Seph's frightening, unpredictable ally—the ancient vampire Menessos— be destroyed . . . or the world will suffer. Seph and Menessos are magically bonded, but that's a secret she dares not reveal to her fellow witches lest they be forced to reject her and forbid her use of magic.

And, despite the strain this casts on her relationship with Johnny, as a showdown with the fairies nears, she and Menessos badly need the wærewolves as allies. Life, death, and love are all on the line, but when destiny is calling, it doesn't help to turn away. With the individual threads of their fates twisted inextricably together, can Seph, Johnny, and Menessos keep the world safe from fairy vengeance?

 Headline

"A collection of twelve interconnected short stories, each featuring Megan McKeenan, a young woman who sets out from Portland, Oregon with nothing but a rucksack and a bad case of wanderlust. These emotional vignettes each represent a year in the life of this young vagabond as she searches for a place to call home, both physically and spiritually. Set in twelve real life cities across North America, this painstakingly researched and meticulously

illustrated volume collects for the first time the critically acclaimed series that writer Brian K. Vaughan called 'the sharpest slices of life the medium has ever seen'"--

An epic novel of gangland intrigue from 'one of crime fiction's new stars' [Sunday Telegraph] When Catherine Ducane disappears in the heart of New Orleans, the local cops react rapidly - she is the daughter of the Governor of Louisiana after all. But the case gets very strange, very quickly. Her bodyguard

turns up horribly mutilated in the trunk of a beautiful vintage car and when her kidnapper calls he doesn't want money: he wants time alone with Ray Hartmann, who works for a Washington-based organised crime task force. All Ray wants to do is get this over with quickly, and go home to try and repair his broken marriage. Instead he must listen to the mysterious kidnapper, an elderly Cuban named Ernesto Perez, who wants to tell him his life story. It's only when he realises that

Ernesto has been a brutal hitman for the Mob since the 1950s that things start to come together. But by the time the pieces fall into place, it's already too late...
