Hurston's novel "Their
Eyes Were Watching God"
can be considered "one of
the sexiest, most
'healthily' rendered
heterosexual love stories
in our literature" (Walker,
"Zora Neale Hurston" 88).
This paper provides
information about the
outer contexts of the
novel, as well as inductive
analyses of the novel. The
first part of the paper (Ch.
2-5) reveals information
about the author and the
historical and literary
context of the time in
which Hurston's novel was
published. The second
part of the paper (Ch. 6-7)
starts off with an analysis
of the plot and characters
of Their Eyes Were
Watching God, and then

focuses on the theme of
Otherness as it occurs in
Hurstons novel. The
examinations of the
concept of "Otherness",
alongside with other
terms such as
"Dichotomization" and
"Stigma", will be based on
the concepts that
Rosenblum and Travis
describe in their work The
Meaning of Difference:
American Constructions of
Race, Sex and Gender,
Social Class and Sexual
Orientation.

Zora Neale Hurston wrote
her most famous novel,
Their Eyes Were Watching
God, while in Haiti on a
trip funded by a
Guggenheim fellowship to
research the region's
transatlantic folk and
religious culture; this work
grounded what would
become her ethnography
Tell My Horse: Voodoo
and Life in Haiti and
Jamaica. The essays in
Zora Neale Hurston, Haiti,
and "Their Eyes Were
Watching God"
persuasively demonstrate
that Hurston's study of
Haitian Voudoun informed
the characterization,
plotting, symbolism, and
theme of her novel. Much
in the way that Voudoun

and its North American
derivative Voodoo are
syncretic religions,
Hurston's fiction enacts a
syncretic, performative
practice of reference,
freely drawing upon
Greco-Roman, Judeo-
Christian, and Haitian
Voudoun mythologies for
its political, aesthetic, and
philosophical
underpinnings. Zora Neale
Hurston, Haiti, and "Their
Eyes Were Watching God"
connects Hurston's work
more firmly to the cultural
and religious flows of the
African diaspora and to
the literary practice by
twentieth-century
American writers of
subscribing in their
fictional texts symbols
and beliefs drawn from
West and Central African
religions.

A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a “birthday present”. Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing

South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

One of the most important and enduring books of the 20th century, *Their Eyes Were Watching God* brings to life a Southern love story with the wit and pathos found only in the writing of Zora Neale Hurston. Out of print for almost thirty years—due largely to initial audiences' rejection of its strong black female protagonist—Hurston's classic has since its 1978 reissue become perhaps the most widely read and highly acclaimed novel in the canon of African-American literature.

Women's Issues in Zora Neale Hurston's *Their Eyes Were Watching God* Greenhaven Publishing LLC

'*Their Eyes Were Watching God* is one of the very greatest American novels of the 20th century. It is so lyrical it should be sentimental; it is so passionate it should be overwrought, but it is instead a rigorous, convincing and dazzling piece of prose, as emotionally satisfying as it is impressive. There is no novel I love more'

ZADIE SMITH 'She was stretched on her back beneath the pear tree soaking in the alto chant of the visiting bees, the gold of the sun and the panting breath of the breeze when the inaudible voice of it all came to her'

When, at sixteen, Janie is caught kissing shiftless Johnny Taylor, her grandmother swiftly marries her off to an old man with sixty acres. Jane endures two stifling marriages before she finally meets the man of her dreams - who offers not diamonds, but a packet of flowering seeds.

Zora Neale Hurston's *Their Eyes Were Watching God*, although well received in its own day,

was largely forgotten until the 1970s. The same thing was true of its author, who died in abject poverty. Fortunately, both this novel and most of Hurston's other works were eventually rediscovered, and *Their Eyes* is now seen as one of the most important books in twentieth-century American literature. This volume explores the book from numerous and diverse perspectives, including race, gender, and class; place it in a variety of historical and intellectual contexts; and give full attention to its remarkable artistry.
