Acupuncture and the chakra energy system have both become increasingly mainstream in the West, but rarely have the two approaches been joined into one practice. *Acupuncture and the Chakra Energy System: Treating the Cause of Disease* does just that. By comparing the traditional approaches of Chinese medicine and modern Western acupuncture with the chakra energy system of Ayurvedic philosophy,

author John Cross offers clinically proven strategies for treating the causes of conditions, not just the symptoms. The book describes the seven major and twenty-one minor chakras in detail and explains how each is related to the body's aura, meridians, Key points, endocrine glands, autonomic nervous system, and varying symptomatology. Focusing on how to use the chakras in the treatment of chronic physical and emotional conditions—osteo-

arthritis, rheumatoid arthritis, low back pain with sciatica, insomnia, hypertension, depression, menopausal symptoms, and frozen shoulder, among others—Cross's clear, in-depth explanations make his techniques easy for anyone to follow. Including appendices on how to use the chakras with copper and zinc needles and biomagnets, as well as which types of patients respond to such treatments, *Acupuncture and the Chakra Energy System* is a well-rounded

guide for acupuncturists and other practitioners as well as interested students.

Pendulum Healing is the  
 use of a pendulum to  
 stimulate change and

make what you want to  
 have happen more likely  
 to occur. There is no limit  
 to what you can do. The  
 only limit is your  
 imagination. Pendulum  
 commands are  
 statements that you make  
 while doing a Pendulum  
 Healing. The purpose of  
 pendulum commands is to  
 make something more  
 likely to happen, stop  
 something, change  
 something, and/or to  
 strengthen something by  
 affirming it. This book  
 consists of pendulum  
 commands grouped into  
 topics and listed in

alphabetical order. There  
 are literally hundreds of  
 commands for anything  
 you could possibly want to  
 influence. This book was  
 written because everyday  
 people ask me "What  
 command should I use?"  
 so, this book is invaluable  
 for anyone who wants a  
 ready source of pendulum  
 commands. These  
 commands are the best  
 ones I have at this time  
 and utilize "power words"  
 that are most likely to get  
 results. Benefits: -Save  
 time by quickly getting  
 the exact command you  
 need to influence a

situation.-Improve your life and the lives of others by positively shifting reality using proven pendulum commands.- One successful command could change your life, or

the lives of those you love, and potentially bring all kinds of benefits to you.I have also included a brief introduction to each section that will give you an overview and fascinating insights into

the topics covered in the book.If you want to use your pendulum to positively influence your life and the lives of those you care for then this book is for you.
