Our civilization runs on software. Yet the art of creating it continues to be a dark mystery, even to the experts. To find out

why it's so hard to bend computers to our will, Scott Rosenberg spent three

years following a team of maverick software developers—led by Lotus 1-2-3

creator Mitch Kapor—designing a novel personal information manager meant to

challenge market leader Microsoft

Outlook. Their story takes us through a

maze of abrupt dead ends and

exhilarating breakthroughs as they

wrestle not only with the abstraction of

code, but with the unpredictability of

human behavior— especially their own.

Priya's idyllic world turns upside down

when she realizes her husband considers

her dead weight after stripping her off

her inheritance for his ambitions and

lavish lifestyle. Instantly attracted to

Priya, Abhimanyu knows getting involved

with a married woman is inviting trouble.

But despite common sense, cautions and

hesitations, he is drawn to help her.

Happily ever after has become a myth

for Priya and trying to keep the

relationship platonic is becoming more

and more difficult for Abhimanyu. In the

tussle between ethics, fears and

desires... will Priya embrace a second

chance at happiness?

Hair Salon and Day Spa Jô Zanardini Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted with the nuances of traditional nuptials . . . so she chose to take a walk off the beaten aisle. In this updated edition of *Offbeat Bride*, Stallings humorously recounts the story of the original offbeat wedding-hers-and shares anecdotes and advice from dozens of other nontraditional couples. She also includes a chapter on budget weddings in today's weak economy, along with sidebars, tips, tricks, and planner encouragement to help you figure out your special day. What results is a combination of hilarious wedding stories and tons of helpful how-tos-a perfect mash-up of memoir and handbook. At once practical and enjoyable, *Offbeat Bride* validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process-from unique ideas on how to announce their engagement all the way to answering the question, "So, how's married life?" Stallings is the ultimate guide to the alternative wedding of your dreams, and with *Offbeat Bride*, she brings you a book that serves both as an encouragement and celebration of aisles

less traveled.

Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

My name is Tina Alberino, and I wrote this book to save you. This is not another lame book full of generic beauty business advice. This book serves as the literary equivalent of a kick in the ass and a punch to the throat. You hold in

your hands a compendium of harsh lessons and a raw depiction of the true nature of this industry. The vast majority of these lessons aren't taught in schools and don't appear in textbooks; they're learned through experience--often in a way that is less-than-gentle. This book will help you navigate this tumultuous industry. The waters run deep, the currents are swift, and the tides shift quickly. The journey can certainly be treacherous. Don't learn these lessons the hard way. Learn how to avoid scoundrel salon owners and crackpot contracts, build a loyal following of glamorous gals and gallant gents, and land your first big break before graduation day!
