Power Of The Five Elements
Based on thirty years of medical practice, Power of the Five Elements presents the Five Adaptation Types, Dr. Charles Moss' modern application of the Five

Elements of Chinese medicine. The five types allow readers to identify through questionnaires and case histories their own energetic patterns for adaptation and to create strategies for reducing stress and improving health. Power of the Five Elements "Power of the Five Elements is a must-read for those practitioners of acupuncture who desire

to have a powerful and lasting effect on their patients' mental and physical health. The author points out that when combined with proper diet, mindful meditation techniques, and appropriate exercise, the adaptive powers of the Five Elements can provide 'long life and everlasting vision.'
