*Gawain* Harpercollins

In the long-awaited return to Avalon by the beloved author of *The Mists of Avalon* and her collaborator, bestselling author Diana L. Paxson, Marion Zimmer Bradley fuses myth, magic and romance in a spectacular unfolding of one woman's role in the making of history and spirit...

**From Hell** Oxford, England : Clio Press

Desde su creación en el siglo I, tras la conquista romana de Britania, Londinium ha sido un enclave fundamental para el desarrollo económico, político y cultural de Occidente, auténtico

crisol de culturas, y con el paso de los años ha sabido crear una rica mitología propia que ha marcado profundamente a sus habitantes. Peter Ackroyd, uno de los mayores apasionados de Londres, ha reconstruido magistralmente este proceso y logra transmitir a sus lectores una genuina e intensa pasión por esa metrópoli. A través de un sorprendente recorrido por su historia, que no rehuye los episodios más negros, los barrios más peligrosos ni los aspectos más sombríos y menos conocidos, Ackroyd se sirve de su brillante prosa para arrojar luz sobre una ciudad caracterizada por la bruma y para mostrarnos hasta sus más peculiares detalles, lo que Unamuno llamaría su intrahistoria. Una auténtica obra maestra, cuya originalidad hace imposible clasificarla en los géneros al uso. Pero que demuestra, sin duda alguna, que Londres siempre ha sido una ciudad muy

viva.

*The Song of Taliesin* Aeon Books

Eclectic British author Alan Moore (b. 1953) is one of the most acclaimed and controversial comics writers to emerge since the late 1970s. He has produced a large number of well-regarded comic books and graphic novels while also making occasional forays into music, poetry, performance, and prose. In *Alan Moore: Comics as Performance, Fiction as Scalpel*, Annalisa Di Liddo argues that Moore employs the comics form to dissect the literary canon, the tradition of comics, contemporary society, and our understanding of history. The book considers Moore's narrative strategies and pinpoints the main thematic threads in his works: the subversion of genre and pulp fiction, the interrogation of superhero tropes, the manipulation of space and time, the uses of magic and mythology, the instability of gender and ethnic identity, and the accumulation of imagery to create satire that comments on politics and art history. Examining Moore's use of comics to scrutinize contemporary culture, Di Liddo analyzes his best-known works-- *Swamp Thing*, *V for Vendetta*, *Watchmen*, *From Hell*, *Promethea*, and *Lost Girls*. The study also highlights Moore's lesser-known output, such as *Halo Jones*, *Skizz*, and *Big Numbers*, and his prose novel *Voice of the Fire*. *Alan Moore: Comics as Performance, Fiction as Scalpel* reveals Moore to be one of the most significant and distinctly postmodern comics creators of the last quarter-century.

*Alan Moore* Simon and Schuster

Roman London was Hugh Chapman's stamping ground and it is entirely fitting that his friends and colleagues should have chosen it the theme of this tribute to his memory: it is no surprise at all

that there are many contributors. Contents: The Temple of Diana (G. Clark) ; The Beginnings of Archaeology in the City of London (P. Marsden) ; London as Provincial Capital (M. Hassall) ; the Status of Londinium (J. Wilkes) ; Characterizing Roman London (M. Millett); How to Interpret Roman London? (R. Reece); Monumental architecture (T. F. C. Blagg); A palace disproved: reassessing the provincial governor's presence (G. Milne); the cemeteries of Roman London (J. Hall); a miniature chalk head from the Thames and the 'cult of the head' (J. Cotton); sculptors from the west (M. Henig); the London hunter-god and his significance (R. Merrifield); Isis, not Cybele: a bone hairpin from London (C. Johns); frogs from the Walbrook: a cult and its attribution (J. Bird); Petreus connected: thirty years on (G. B. Dannell); the hare with three legs (A. H. Easson); Iron Age and Roman pottery traditions (P. Tyers); Procuratorial mortarium stamps (K. F. Hartley); coin interpretation (M. J. Hammerson); decorated Roman spoons (C. E. E. Jones and D. Sherlock); a new collyrium stamp and some thoughts on eye-medicine (R. Jackson); Roman material from London in the Pitt-Rivers collection at Salisbury (N. Griffiths); Dem dry bones (C. Orton); a five-acre wood in Roman Kent (R. S. O. Tomlin); the London region in the Roman period (D. G. Bird); in search of Sulloniacis (H. Sheldon); Stony Jack's Roman London (J. Macdonald); Displaying Roman London (M. Hebditch). Michael Robbins contributes an appreciation of Hugh Chapman, and Bernard Nurse a bibliography of his publications.

*Sacred Architecture of London* Anchor

THE HOLY GRAIL IS ONE of the most powerful myths in Western Culture. At the centre of this myth is the story of the chalice

containing the Holy Blood of Christ, shed when Longinus pierced his side at the crucifixion. The search for the Grail has inspired artists and mystics for hundreds of years. Many churches and cathedrals were built on sites that claimed their part in this sacred mystery. *IMBUED WITH THE SPIRIT OF* the ancient quest and aware of its power as an antidote to our modern spiritual malaise, Ean and Deike Begg travelled throughout Europe, researching sites of the Holy Grail, the Precious Blood and their associated myths. This book is an illustrated account of their search and a practical, informative guidebook for travellers and seekers. It is full of fascinating information, such as the name of the Spanish cathedral that holds the cup of the Last Supper, the story of how a fig tree carried the Precious Blood to France and the secrets of the Grail castles of Germany. 'I believe that Ean and Deike Begg have done something of great importance in exploring the myth of the Holy Grail that played such a vital part in the deeps of Jung's spirit, and in re-establishing how now it is still one of the most dynamic elements in the search of the lost and bewildered modern soul for wholeness.'-Sir Laurens van der Post 'Deike and Ean Begg have revitalized the idea of pilgrimage.'-Michael Baigent 'An exemplary and vividly written guide to the many strange and beautiful sites associated with the Grail quest throughout Europe.'-Count Nikolai Tolstoy  
*The New Arthurian Encyclopedia* Quest Books  
 This exhilarating exploration provides authentic textual background to a complex mythology about nine of the women in Arthurian legend. In addition, there are guided visualizations for each of the Ladies, which will open pathways to readers on their own personal quest.

### **From Hell: Master Edition** HarperThorsons

This is a definitive bibliography of over 600 years of the Arthurian tradition in English. It is a chronological and descriptive listing of Arthurian literature and related material from the beginning of the English language to 2000.

Bibliography of Printed Works on London History to 1939 Modern Library

A world list of books in the English language.

Londres: una biografía Penguin

Jack is back—and this time, the blood is red. The award-winning bestseller FROM HELL—often ranked among the greatest graphic novels of all time—takes on haunting new dimensions in FROM HELL: Master Edition, enhanced by impressionistic hues and revisions by Eddie Campbell himself, along with all the original annotations by Alan Moore.

London's Ley Lines Pathways of Enlightenment Mushroom eBooks

En inventant le terme de psychogéographie, Guy Debord institue une expérience de la ville qui devait aboutir à une « science » des états psychiques en relation avec l'environnement urbain. Le projet initial de la psychogéographie n'a pas résisté à la radicalité politique des situationnistes. Pourtant, en nous affranchissant de la définition précise et restrictive proposée par Debord, il devient possible de considérer que la psychogéographie est à la fois héritière d'une tradition, interlocutrice de ses contemporains et initiatrice d'une postérité. Réunissant des auteurs d'horizons disciplinaires variés (philosophie, géographie, urbanisme, psychanalyse, sinologie), ce volume incite à une réflexion théorique, historique et littéraire sur ce que nous apprend l'expérience de la dérive urbaine aujourd'hui.

**Priestess of Avalon** Phillimore

London has a unique series of churches built after the Great Fire of 1666, when most of the City of London was destroyed. Among these iconic churches are St Paul's, St Mary-le-Bow, St Bride's, St Clement Danes, St Martin-in-the-Fields, St Mary-le-Strand, St George Bloomsbury and Christ Church Spitalfields. They remain today as outstanding landmarks that define their local cityscapes. Designed by Sir Christopher Wren and his followers - Hawksmoor, Gibbs, Archer and James - these beautiful churches embody spiritual principles expressed through the conventions of Classical architecture. Underlying their outward, visible forms is sacred geometry, an ancient art that explores the invisible inner structure of the Cosmos and gives expression to it in physical form. In this book, Nigel Pennick explains the sacred geometry, spiritual symbols and emblems that make these churches among the most notable buildings of London.

**From Hell T01 - Édition couleur** Routledge

Five unsolved murders. Two of the greatest creators in the history of comics. One sprawling conspiracy, one metropolis on the brink of the 20th century, and one bloody-minded Ripper ushering London into the modern age of terror. The award-winning bestseller FROM HELL, often ranked among the greatest graphic novels of all time, takes on haunting new dimensions in FROM HELL: The Master Edition, enhanced with impressionistic hues by Eddie Campbell himself. This volume contains chapters 2 and 3, as well as all of the original annotations.

**London City of Revelation** Oxford University Press, USA

Africa : the most distinctive land mass on the surface of the earth. Yet for all its majesty it is a country whose historical and

religious wealth remains a mystery to all but a very few of Western observers. How many people know anything at all about pre-Colonial Africa? The Aquarian Guide to African Mythology is the first comprehensive overview of the beliefs, myths and cosmology of African peoples. It deals not only with traditional stories woven around a pantheon of gods and mythical figures but also with legends, fables and more general subjects that played a part in African mythology and African life. The wide range of entries include religious concepts, prophets, the best-known tribes, mystical phenomena, spirits and demons, and the many animals that played such a large part in African mythology. Dr Jan Knappert's alphabetical guide is founded on his many years of personal experience in Africa. Its very accessible style makes it ideal not only as a reference work for students of anthropology but as a sample for general readers wishing to dip in and be informed on any subject that appeals to them. The book is illustrated with examples of African art.

**Legendary Ireland** EDHASA

"Here there be dragons"--this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond. Heroes who ventured there were only as great as the beasts they encountered. This encyclopedia contains more than 2,200 monsters of myth and folklore, who both made life difficult for humans and fought by their side. Entries describe the appearance, behavior, and cultural origin of mythic creatures well-known and obscure, collected from traditions around the world.

International Journal of Comic Art Univ. Press of Mississippi  
Leys are as elusive as beams of starlight. They are everywhere,

you just can't see them. They may be compared to the hidden knowledge of a secret tradition. On public display and freely available to those in the know. Invisible and unsuspected by those who aren't. Thus the ancient wisdom at the basis of leys is encoded within the land for future generations to discover anew, if they possess the vision. London's leys can lead you to magical places, to the soul of the city and to an understanding of the hidden unity which connects our ancient sacred sites to each other and also links our spiritual dimensions to theirs. To our ancestors these locations were places of the gods, places of healing, places of power, places of vision initiation, inspiration and revelation. They still are.

**Nouvelles Psychogéographies** Facet Publishing

Paperback re-print of Earthstars The Visionary Landscape.

London's Sacred sites are not scattered about the capital at random. Many form a recognisable pattern of sacred geometry, a vast temple groundplan identical to the design used to lay out Stonehenge's megaliths over 3,500 years ago. Astonishingly, it also relates to the measures and proportions of the New Jerusalem, The City of Revelation. If the conclusions drawn by the author are correct, this pattern is a circuit diagram of the forces of creation and a new evolutionary impulse is coming through our sacred sites, a transformatory influence which will change the way we perceive the world

**Mythical Journeys, Legendary Quests** McFarland

A NEW YORK TIMES NOTABLE BOOK Here are two thousand years of London's history and folklore, its chroniclers and criminals and plain citizens, its food and drink and countless pleasures. Blackfriar's and Charing Cross, Paddington and Bedlam.

Westminster Abbey and St. Martin in the Fields. Cockneys and vagrants. Immigrants, peasants, and punks. The Plague, the Great Fire, the Blitz. London at all times of day and night, and in all kinds of weather. In well-chosen anecdotes, keen observations, and the words of hundreds of its citizens and visitors, Ackroyd reveals the ingenuity and grit and vitality of London. Through a unique thematic tour of the physical city and its inimitable soul, the city comes alive.

**London** Thorsons Publishers

First published in 1996. Routledge is an imprint of Taylor & Francis, an informa company.

**Creating Places of Power** Thorsons Publishers

This book examines how and why practitioners of nature religion - Western witches, druids, shamans - seek to relate spiritually with nature through 'magical consciousness'. 'Magic' and 'consciousness' are concepts that are often fraught with prejudice and ambiguity respectively. Greenwood develops a new theory of magical consciousness by arguing that magic ultimately has more to do with the workings of the human mind in terms of an expanded awareness than with socio-cultural explanations. She combines her own subjective insights gained from magical practice with practitioners' in-depth accounts and sustained academic theory on the process of magic. She also tracks magical consciousness in philosophy, myth, folklore, story-telling, and the hi-tech discourse of postmodernity, and asks important questions concerning nature religion's environmental credentials, such as whether it is as inherently ecological as many of its practitioners claim.

*Giants Monsters and Dragons* W. W. Norton & Company

The history of London is so important in national and indeed international terms, it seems extraordinary that this is the first general bibliography of the subject to appear. It contains over 22,000 selected references to books and articles on the history of London, from the Dark Ages to the beginning of the Second World War. The whole of the former GLC area plus the City is covered. Arrangement is by subject, and there is a substantial analytical

index. Material for the bibliography was collected from specialist libraries all over London and beyond. It is a starting point for any enquiry about London's development over the centuries, whether from the academic historian, the amateur or the general enquirer. A supplement is planned, to cover new material on the period.
