MALLORY BRIDGET

Indian Society and Culture Prentice Hall
This innovative book explores what sociologists gain by treating temporality seriously, what we learn from placing social relations and events in historical context. In a series of chapters, readers will see how historical sociologists have addressed the origins of capitalism,

revolutions and social movements, empires and states, inequality, gender and culture. The goal is not to present a comprehensive history of historical sociology; rather, readers will encounter analyses of exemplary works and see how authors engaged past debates and their contemporaries in sociology, history and other disciplines to advance our understanding of how societies are created and remade across time."--Pub. desc.
Oswaal UPSC CSE Prelims 10 Years' Solved

Papers (2013-2022) General Studies Paper-1 (For 2023 Exam) SAGE Publications

This revised edition examines a fairly wide range of issues on political theory, identified at the beginning of the new millennium. Elaborating the nature and significance of political theory, the book delves into the concept of ideology, nature and different views on politics and approaches to the study of politics. It is designed to cater to the needs of various Indian universities and competitive

examinations including the Civil Services examination.

An Introduction To Political Theory (4 Edition) IAS.NETWORK

Giddens's analysis of the writings of Marx, Durkheim and Weber has become the classic text for any student seeking to understand the three thinkers who established the basic framework of contemporary sociology. The first three sections of the book, based on close textual examination of the original sources, contain separate treatments of each writer. The author demonstrates the internal coherence of their respective contributions to social theory. The concluding section discusses the principal ways in which Marx can be compared with the other two authors, and discusses misconceptions of some conventional views on the subject.

Essentials of Sociology, adapted from George Ritzer's Introduction to Sociology,

provides the same rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhof Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the "McDonaldization" of society. New to this Edition New "Trending" boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander (The New Jim Crow) o Elizabeth Armstrong and Laura Hamilton (Paying for the Party) o Matthew Desmond (Evicted) o Arlie Hochschild (Strangers in Their Own Land) o Eric Klinenberg (Going Solo) o C.J. Pascoe (Dude, You're a Fag) o Lori Peek and Alice Fothergill (Children of Katrina) o Allison Pugh (The Tumbleweed Society) Updated examples in the text and

"Digital Living" boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change further segmentation of wealthy Americans as the "super rich" transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism
IAS MAINS SOCIOLOGY PREVIOUS YEAR PAPERS Penguin UK

Himalayan Voices provides admirers of Nepal and lovers of literature with their first glimpse of the vibrant literary scene in Nepal today. An introduction to the two most developed genres of modern Nepali literature-poetry and the short story-this work profiles eleven of Nepal's most distinguished poets and offers translations of more than eighty poems written from 1916 to 1986. Twenty of the most interesting and best-known examples of the Nepali short story are translated into English for the first time by Michael Hutt. All provide vivid descriptions of Life in

twentieth-century Nepal. This book should appeal not only to admirers of Nepal, but to all readers with an interest in non-Western literatures.

Handbook of Indian Sociology Disha Publications

The revision comes 10 years after the first edition and completely overhauls the text not only in terms of look and feel but also content which is now contemporary while also being timeless. A large number of words are explained with the help of examples and their lineage which helps the reader understand their individual usage and the ways to use them on the correct occasion.

What is Historical Sociology? Kalinjar Publications

Ever since the introduction of Ethics Paper in IAS Mains General Studies (GS Paper 4), Civil Services aspirants are in a dilemma. As ethics is not a conventional area taught in schools/ colleges, it is quite natural from the candidates point of view to ponder about the questions to be asked from the same. But there is no need to panic and if properly handled, this area can in-fact turn high scoring. Decision Making/Interpersonal Skills section seen at

the last pages of Prelims CSAT Paper 2, is the first stage where UPSC check the ethics angle of Civil Services aspirants. But Ethics as part of Civil Services GS Mains has much wider dimensions. Ethics as a Subject in IAS Mains GS Yes, this is how you should treat ethics for IAS Mains from the year 2013 - treat it as a subject. Just like History, Geography or Polity, consider Ethics as a separate subject with more or less a definite syllabus. Ethics as a subject has its roots in Philosophy, Psychology, Sociology and Public Administration. But at the same time, UPSC does not seem to expect candidates writing too much technical answer into ethics paper, as this paper is part of General Studies. A fresh writing style, clear thinking and wide reading is what you need to score high in ethics paper. Now let's take a quick look at what UPSC's view on the newly introduced ethics paper: "This paper will include questions to test the candidates' attitude and approach to issues relating to integrity, probity in public life and his problem solving approach to various issues and conflicts faced by him in dealing with society. Questions may utilize the case study approach to determine

these aspects."Preface3What should you expect in Ethics, Integrity and Aptitude Paper for IAS Mains?The below mentioned areas can be expected based onUPSC syllabus of ethics for GS Mains as well as 2013 ethics question paper. The areas tested in this paper: Candidates' attitude and approach. Field of testing: Integrity, Probity in public life and Problem solving approach. The presence of case studies is more or less certain. As the paper is of 250 marks, expect theory questions apart from the mentioned case studies.Areas mentioned in Ethics, Integrity and Aptitude Paper of GS Paper 4 Ethics and Human Interface: Comment: This is one area where you can expect theory questions covering the basics of ethics, human values and lessons from the life of great leaders. Attitude: Your attitude in relation with thought and behavior. Aptitude: Checks whether you have an aptitude for Civil Services. Emotional Intelligence: A crucial mental quality, don't confuse with IQ. Contribution of moral thinkers and philosophers: Comment: See the relationship of the ethics paper with Philosophy and Sociology. Ethics in Public Administration: This is one major area

where you can expect lot of quality questions covering topics like Corporate Governance, Rules, Laws, Conflicts etc. Probity in Governance: RTI related matters. What to Study for Ethics paper in IAS Mains GS? As mentioned before, treat Ethics as a separate subject like History or Polity. Going through the UPSC Mains ethics (GS4) previous year question papers, it becomes clear that conventional rote learning will not turn fruitful here. What one needs is awareness about himself/herself. Good writing skills are a must. Devote time for preparation and reading; that will make you better equipped. Treating Ethics paper as a subject to attempted directly at exam hall without preparation may not turn beneficial for you. Though extensive preparation for other subjects might not turn necessary for this paper, a casual approach is not advised. Toppers who scored well in ethics paper was serious about this paper, and didn't take this lightly. -Virendra Singh

Challenge and Strategy Motilal Banarsidass Publishe

In today's highly competitive world with ever expanding boundaries of knowledge,

if you want to find a success mantra, then it has to be - 'know the right thing at the right time, make right use of it in just the right words.' Everybody has his own bank of knowledge; some have more than others, but, does it serve any purpose if you don't know how to use your knowledge well. Disha's 'Mission IAS' is acclaimed as one of the most authoritative and comprehensive books of high-quality reference materials to cater to aspirants of IAS exams. Main features of the book are -

- Exclusively designed to cater to the aspirants of IAS.
- Covers exam patterns of CSAT (Prelims & Main - English, GS & optional subjects) as well as Interview.
- Covers service profile -- recruitment, training, functions, promotions, designations, remunerations of 'All India Ser-vices' & 'Central Civil Service' -Group 'A' & 'B' under UPSC -- Civil Service Exams like IAS, IPS, IFS, IRS, etc.
- Infographics, bar charts and data in tabular form facilitating information quickly and clearly.
- Features interviews of IAS 2015 toppers, including Tina Dabi, Rank-1, and their tips & strategies for prospective IAS aspirants.
- Language is lucid making problem-solving fun to candidates of diverse

backgrounds. • Keeping the whole coverage of the book in accordance with the syllabus and pattern of the exam, it will act as a standard reference and preparation material for all the needs of aspirants of CSAT. • Preparation material is in line with the analysis of Previous Years' Exams Papers which will help aspirants know the trend of the questions and the difficulty level of the same.

Social Background of Indian Nationalism
Polity

The classic work that redefined the sociology of knowledge and has inspired a generation of philosophers and thinkers In this seminal book, Peter L. Berger and Thomas Luckmann examine how knowledge forms and how it is preserved and altered within a society. Unlike earlier theorists and philosophers, Berger and Luckmann go beyond intellectual history and focus on commonsense, everyday knowledge—the proverbs, morals, values, and beliefs shared among ordinary people. When first published in 1966, this systematic, theoretical treatise introduced the term social construction, effectively creating a new thought and transforming Western philosophy.

The third in a series of five volumes presents ten sociological analyses of the social aspects of industrialization and urbanization, and the management of complex organizations in India. Among the topics are the impact of society on industry, caste and status in a world of technology, world views of industrial entrepreneurs in Faridabad, social space and interaction in Pune City, and the

commercialization in a small town in Punjab. One unifying theme is the increasing resistance to neo-liberal policies and the possibility of humanizing the modern world. Annotation copyright by Book News, Inc., Portland, OR

Essentials of Sociology Oswaal Books and Learning Private Limited

The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the

complex and rapidly evolving 21st century world. Challenge and Strategy: Rethinking India's Foreign Policy focuses on India's immediate and strategic neighbourhood. It also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.

The book is aimed to help you prepare well and sharpen your problem-solving skills by practising through numerous questions in these solved papers and face the exam with confidence, successfully.

Administrative Thinkers OUP India
A thorough and incisive introduction to contemporary India. The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence,

analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic

reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Modernization of Indian Tradition SAGE Publishing India

This is a comprehensive reader for an introductory sociology course and is to be used to supplement a text. Drawn from professional journals, research monographs, popular mass market books, and from magazines, the sections in each chapter reflect three levels of analysis: cultural and contextual, individual, and cross-cultural.
