CAMERON JAYLEEN

The Camper Van Bible Hachette UK

'The Camper Cookie: Easy Recipes and Cool Tips for Your Campervan Life' is a friendly cookbook full of easy, delicious recipes that you can make in a campervan kitchen. The book also has some really helpful tips for cooking in a campervan like: how to create a capsule larder that uses the same ingredients for many meals or kitchen kit, like silicone lids, that help to make your cooking life easier. The recipes are also really good for weekday meals when you get in from work and want proper food but want something quick and simple. Summer is a passionate campervanner who also loves good food and she now blogs and writes books about the easy, home-style recipes that she creates for the campervan life. Summer and her partner, Glyn, had been camping for many years but got fed up with putting up a tent in the half-light on a Friday night or taking it down in the rain at the end of a wet weekend so decided to buy themselves a small campervan. They went to the campervan shows but realised that their very small budget would buy them barely more than a wheel there! But then they found a company that sold converted Toyota Previas for a reasonable price and their new campervan, 'Trev-the-Prev' came in to their life. Summer had Chronic Fatigue Syndrome for many years but healed herself by researching, like a maniac, everything to do with mind-body health. She realised that nutritious food is very important to staying well and happy but found that it was not so easy to cook good food in the limited kitchen that you get in a small campervan. So she started to search for and develop easy real-food

recipes that they could cook when they were out having adventures. She loves to share her recipes so she started up a blog (www.thecampercookie.com) and also writes recipe books for campervan cooking. She also demonstrates her recipes on YouTube and at shows.

This book is, essentially, a love story. The story of an Irish girl who fell in love with a Lithuanian man, then fell in love with his country and its food. The book contains nine of June's favourite traditional Lithuanian dishes, including kugelis (potato pudding), cepelinai (potato dumplings), koldūnai (pasta dumplings) and SaltibarŠčiai (cold beet soup). Eat Less from a Box and More from the Earth Headline

Forget hurrying. Forget putting your foot down and racing through sweeping bends. Forget the understeer (whatever that is). Forget the blur of a life lived too fast. This is a look at taking life slowly. It's about taking the time to enjoy journeys and places for their own sake. It's about stopping and putting the kettle on. Stopping to take a picture. Stopping to enjoy stopping. How are you going to do it? In a camper van or a motorhome, of course. In this book we define the best driving routes around Ireland for camper vans and motorhomes. We show you the coolest places to stay, what to see, what to do and explain why it's special. We meander around Ireland on the most breathtaking roads, chugging up mountain passes and pootling along the coast. We show you stuff that's fun; often free. We include the best drives for different kinds of drivers; for surfers, wildlife watchers, climbers and

walkers. We include the steepest, the bendiest, the scariest and most interesting. And you don't even have to own a camper van or motorhome - we'll tell you the many places you can rent one to take you on the journey. All of this is interspersed with beautiful photos, handy maps and quirky travel writing from the king of camper vans and motorhomes, Martin Dorey. So if all you want to do is flick through it on a cold day and plan your next outing, you'll be transported (albeit slowly) to pastures, beaches, mountains and highways that make you want to turn the key and go, go, go!
