First United Methodist Church (UMC) of San Diego has worshipped in several locations throughout San Diego, California, since February 1869. As the city of San Diego grew, so did the church. The first locations were near the waterfront and in the neighborhood that is known today as the Gaslamp Quarter. From 1870 to 1906, the church was in the heart of what is now downtown. In 1906, the congregation decided to move a few blocks northeast, and it worshipped from 1907 to 1963 in a Gothic Revival-style sanctuary designed by Irving J. Gill. In the late 1950s, even with additions, First Church was outgrowing its space, and so it moved again, to a location in Mission

Valley. In 1963, construction began on a Spanish contemporary-style church that was completed in 1964 and continues to be an iconic landmark in San Diego. Over the years, the church's reach has expanded to multiple sites and many congregations.

First United Methodist Church, Mt. Pleasant, Michigan

This is the story of a church that began serving a small community in Indian Territory shortly after the end of the Civil War. For many years, the church provided a place for families to worship through world wars, pandemics, and financial crises. Toward the end of the twentieth century, the church envisioned and built a new campus to serve a growing community. This bold action of faith and stewardship positioned the church for the 21st century. In 1999, with the arrival of a senior pastor with a vision of what Claremore First United Methodist Church (CFUMC) could become, the church began a remarkable period of growth and expansion of outreach ministries. For the first two decades of the 21st century, CFUMC doubled in membership

and tripled in worship attendance. Through local missions, it also became known as "the church that helps people." The book describes how these extraordinary results were achieved when many mainline churches were struggling and should be of interest not only to local and statewide Methodists, but to any church or nonprofit that relies on gifts and volunteers to complete its mission. About the Author Ron Scott is a lifelong Methodist and has been a member of CFUMC since 1971. He has served in several administrative positions and ministries, and he recognized the importance of documenting the incredible story of CFUMC. In 2018, he offered to lead the effort to write a complete church history. Ron and his wife, Sally, have three children and eight grandchildren.
