### **The Maze Runner Movie Tie-In Edition (Maze Runner, Book One)** Afraid

The first three books in the pulse-pounding Maze Runner series The maze is just the beginning ...

[The Maze Runner Files](#) Delacorte Press The author of the New York Times best-selling Maze Runner series leads us on a dark journey of generational horror as we visit The House of Tongues. David Player has spent 30 years trying to forget the traumas of his childhood. The threats, the kidnappings, the murders. The imagined curses of a people born centuries earlier, passed from father to son, mother to daughter, generation to generation. Its climax came in human form, a monster of a man, one of the most notorious serial killers the nation has ever seen: Pee Wee Gaskins. And Gaskins had a particular hatred for the Player family, then for David, himself, who barely escaped those years with his own life intact. Now David is

back, his four children in tow, visiting his parents' home, a place he has learned to cherish despite the evils that haunted his younger days. But no sooner does he return than a stranger visits their doorstep, the son of Pee Wee Gaskins. In a terrifying display, right in front of the kids, the man utters threats until he chokes on his own tongue, sparking a series of events that drag David and his family back into the days of curses and murders, onto a path of unimaginable terror, all too familiar. That path leads to an old gothic tower in the woods, a place David had blocked from his memory, a house of horrors both past and present. The House of Tongues.

After being kidnapped by Mr. Chu, Atticus "Tick" Higginbottom and his friends Paul and Sofia must survive a series of tests in several different Realities.

### **The Maze Runner Files (Maze Runner)** Delacorte Books for Young Readers

When the doors of the lift crank open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade - a

walled encampment at the centre of a bizarre and terrible stone maze. Like Thomas, the Gladers don't know why or how they came to be there - or what's happened to the world outside. All they know is that every morning when the walls slide back, they will risk everything - even the Grievers, half-machine, half-animal horror that patrol its corridors, to try and find out.

There they find that many have evolved into a more violent, intelligent version of Cranks due to a new string of the virus, and they are hunting those whose ancestors were sent away by Ava Paige.
