As a solitary young boy, Michael Sellick took refuge in the art of

crocheting. As an adult, that refuge would grow into a passion. He started sharing videos to fellow crocheters in something he called The Crochet Crowd -- a far-flung group that now includes three million people around the world on Youtube, Facebook and Instagram. For Mikey the passion and joy are stronger than ever, and now he's hanging with the in crowd too: The Crochet Crowd. Packed with pictures, personality and 15 patterns, this book will resonate with first-time and experienced crocheters alike. Crocheters will be treated to an exclusive collection of patterns for afghans, scarves, hats, cowls and other items that emphasize the texture, colour and coziness that Mikey and Dan have become known for.

Crocheting Adventures with Hyperbolic Planes Leisure Arts

Winner, Euler Book Prize, awarded by the Mathematical Association of America. With over 200 full color photographs, this non-traditional, tactile introduction to non-Euclidean geometries also covers early development of geometry and connections between geometry, art, nature, and sciences. For the crafter or would-be crafter, there are detailed instructions for how to crochet various geometric models and how to use them in explorations. New to the 2nd Edition; Daina Taimina discusses her own adventures with the hyperbolic planes as well as the experiences of some of her readers. Includes recent applications of hyperbolic geometry such as medicine, architecture, fashion & quantum computing.

Amamani is short for Amigurumi Amish Animals. They are based on the traditional Amish puzzle ball, and, as such, come apart into three segments, or rings, which have to be assembled to form your animal. Gauge isn't important in these projects; however, it is important that you work as tightly as you comfortably can. Helpful tips and step-by-step photos are included in this pattern book. Each of the six designs is stitched in segments using Deborah Norville Everyday Premier yarn, is stuffed with polyfiberfill, and includes a pair of safety eyes. Animals included are Dinosaur, Elephant, Giraffe, Turtle, and two versions of Lion.

Christening Blanket Better Homes and Gardens Books

Add some color to your life with this step-by-step guide to crafting vibrant afghans and throw blankets. Amanda's bold and inspiring use of color and pattern gives stunning results that are deceptively easy to achieve. This colorful book contains illustrated block-by-block guides to creating ten stunning blankets, with color variations providing twenty further creations. Each of the ten blankets is constructed from a series of simple motifs, including squares, hexagons, and triangles: creating a large and sumptuous blanket is simply a matter of piecing together colorful motifs into wonderful arrangements. The book contains basic instruction on yarns and hooks, explains how to

join motifs and sew in ends, and provides a brief guide to using color. For each blanket there is an index of motifs used, accompanied by the instructions for how to make them: both in written form and as a chart. The blocks include a range of shapes and are accompanied by the “fillers” needed to fill the gaps between them. Each project has a full color chart and takes the reader block by block through the entire construction process.
