 Published on the eve of the philosopher-playwright's centenary, this study offers a wide-ranging re-appraisal of Sartre's complete dramatic opus, from the inaugural 'nativity' play, *Bariona* (1940), to the swan-song chorus of *Armageddon*, *Les Troyennes* (1965). It draws on a close reading of Sartre's writings in philosophy, literature and criticism, and provides an extensive survey of journalistic and academic reception. Each play is situated in relation both to Sartre's intellectual

evolution and to the broader historical context. This is the first full-length study in English, for more than thirty years, covering the whole of Sartre's theatre, and it will interest students of twentieth-century European drama, as well as those of modern French literature and ideas. *La demeure du chaos* University of Alberta
 A variety of productions and representations of Canadian identities are the central theme that runs through this book. The different contributions explore imagined spaces by considering Canadian music, poetry and novels; they engage with political space by addressing various ways in which the people of Canada have made claims to different regions in the distant and recent past; and they address lived spaces, and their actual and symbolic meanings. It is an unusual book

as it encompasses the writings by those studying the arts and literature as well as writings by social scientists, and it includes both English and French-speaking scholars. The richness that can be found in this multitude of perspectives and approaches to exploring Canadian space is characteristic of the way in which Canadian Studies is practiced nowadays. It is therefore an appropriate volume to celebrate 20 years of Canadian Studies in the Netherlands.

Legislatures in Evolution presents a series of essays on evolution and change in the legislative context. They cover a wide range of topics, including both proposed and implemented reforms. The contributions included here discuss parliamentarians' attitude toward party discipline; the specific challenges associated with implementing sexual harassment policies within legislatures; the consequences of the Supreme Court's ruling in *Mikisew Cree First Nation v. Canada* on the government's duty to consult Indigenous Peoples when drafting legislation; parliamentarians' engagement in budgetary control issues; the reform of the rules governing prayers in the Legislature of British Columbia; and time management reforms in the Legislative Assembly of Yukon. Charles Feldman, Geneviève Tellier, David Groves, and their contributors bring together both practical and academic experience and perspectives. They conclude with an analysis of parliamentary reforms, paying particular attention to the impact of the COVID-19 pandemic on the functioning of legislatures.

The award-winning screenplay for the classic film the *New York Post* hailed as "overwhelming . . . a motion picture landmark." One of the most influential works in the history of cinema, Alain Renais's *Hiroshima Mon Amour* gathered international acclaim upon its release in 1959 and was awarded the International Critics' Prize at the Cannes Film festival and the *New York Film Critics' Award*. Ostensibly the story of a love affair between a Japanese architect and a French actress visiting Japan to make a film on peace, *Hiroshima Mon Amour* is a stunning exploration of the influence of war on both Japanese and French culture and the conflict between love and inhumanity.

The "International Labour Law Reports (ILLR) is a series of annual publications of labour law judgments by the highest courts in a number of jurisdictions. "ILLR is a particularly useful resource for judges, labour law practitioners, industrial relations specialists, and students who seek ready access to authoritative information of a comparative nature on problems arising in the field of labour law and industrial relations. "ILLR accompanies each reprinted judgement with Headnotes and, in practically all cases, an Annotation which sets forth, among other things, - the legal issues involved, - the basic facts of the case (if not included in the judgment itself), - the relevant statutory provisions and judicial precedents, - the labour law and industrial relations context in which the case arose, and - the significance of the judgment in the development of the law. "ILLR" provides the reader with factual information not coloured by the personal views of the annotators. As a rule, judgments are printed in extenso; the editors summarize or cut portions of judgments that are purely technical or only of marginal interest. "ILLR" also provides a list of cases both by jurisdiction and by subject matter. As a result, this work offers the reader a concise, readily-accessed statement of law. Volume 16 covers the period 1 October 1995 to 30 September 1996. (Volume 15 covers the period 1 October 1994 to 30 September 1995 and is also available, as are all earlier volumes.)

Judicial Reports / Recueils judiciaires, 1997 University of Ottawa Press

The "Judicial Reports/Recueils judiciaires" of the International Criminal Tribunal for the former Yugoslavia (ICTY) comprise (in English and French) all public Indictments, as well as Decisions and Judgements issued in a given year. It will give lawyers, scholars, students and the general public convenient access to the historic work of the ICTY, which was established pursuant to United Nations Security Council Resolution 827 in 1993 to try individuals accused of serious violations of international humanitarian law committed

in the territory of the former Yugoslavia since 1991. The "Judicial Reports" are organized chronologically by case. Within each case, one will find the text of Indictments, reviews of Indictments and, where applicable, deferral requests. Thereafter the text of a public review of the Indictment pursuant to Rule 61 may follow. The publication also contains the texts of the Orders, Decisions and Judgements, as well as the separate and/or dissenting opinions that may accompany a given Trial Chamber or Appeals Chamber ruling. The "Judicial Reports" will contribute to a greater knowledge of the judicial activities of the ICTY. Various annexes, such as a table of cases, a list of Indictments and Indictées, a table of Deferrals and of Rule 61 Procedures, as well as a table of references, facilitates the use of these volumes.
