[Hoosiers and the American Story](#) Gibbs Smith
An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.
It Happened in Ohio Carole Marsh Books
This book relays the factual details of the War of 1812. The narrative provides multiple accounts of the event, and readers learn details from the point of

view of a U.S. Soldier, a British soldier, and a privateer working on the side of the U.S. This book offers opportunities to compare and contrast various perspectives in a text while gathering and analyzing information about an historical event.

Ohio Native Peoples The Princeton Review Student text and teacher's guide for teaching Ohio history and social studies to the 4th grade.

Social Studies Level 4 Indiana Historical Society

The Roadmap series works as a year-long companion to earning higher grades, as well as passing the high-stakes 4th Grade Social Studies Ohio Proficiency Test that is necessary for grade level promotion. This book has been designed according to the specific standards set forth by the state of Ohio. Now parents can work with their kids to both improve their grades and pass these important tests. The experts at The Princeton Review have analyzed the OPT, and this book provides the most up-to-date, thoroughly researched practice possible. TPR breaks the test down into individual skills and provides lessons modeled after the OPT to familiarize students with the test's structure, while

increasing their overall skill level. The Princeton Review knows what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to raise student performance. TPR provides: - Content review, detailed lessons, and practice exercises modeled after the actual exam - Test-taking skills and social studies essentials such as using charts and graphs and reading maps - 2 complete practice OPTs
Resources in Education Capstone Classroom
Grades K-8. Features 30 history projects for kids to complete-and includes actual state facts. Each project is quick, easy, and inexpensive! Projects include: creating a cartoon panel describing how our state name came about; writing a state constitution for the 21st century; creating a topographic map of the state; dress up as a famous explorer and recreate their main discovery; and more! Students will have a blast creating projects sure to end up as part of a history resource center-all about your state! Most projects use ordinary, easy-to-access materials. 32 pages.

Ohio History Gallopade International

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Our United States of America Learning Express (NY)

Basically a history of Ohio, but with

material on the state's government, culture, and famous people.

Pequot Press

Getting Ready for the 4th Grade

Assessment Test: Help Improve Your Child's Math and English Skills - Many parents are expressing a demand for books that will help their children succeed and excel on the fourth grade assessment tests in math and English -especially in areas where children have limited access to computers. This book will help students practice basic math concepts, i.e., number sense and applications as well as more difficult math, such as patterns, functions, and algebra. English skills will include practice in reading comprehension, writing, and vocabulary. Rubrics are included for self-evaluation.

The First Peoples of Ohio and Indiana
Gibbs Smith Publishers

This unique book combines state-specific facts and 30 fun-to-do hands-on projects. The History Project Book includes creating a cartoon panel to describe how your state name may have come about, creating a fort replica, making a state history museum, dressing up as a famous

explorer and recreating the main discovery, and more! Kids will have a blast and build essential knowledge skills including research, reading, writing, science and math. Great for students in K-8 grades and for displaying in the classroom, library or home.

O is for Ohio Arthur W. McGraw

Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating

the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review
