One Of Us Is Lying
Piatkus Books

A few years ago she had fled him with a million, a few years later she had returned with her child, and a premeditated marriage had brought together two people who were supposed to be strangers. She hated his identity, his infidelity. He resented her betrayal, her departure. He thought that he would be cold-hearted towards this little liar. However, when he saw her crafty and intelligent eyes, he couldn't say any of those ruthless words. Not to mention that she had a soft and silky bun by her side. When

all the misunderstandings were resolved, he finally knew how much he had hurt her. It was deeply engraved in his memory, and he was dripping with blood. Fortunately, it was not too late. "Let me go." The woman said no, but her body was as soft as a spring in his arms. "Little swindler, you're still not telling the truth?" The man dubiously kissed her on the corner of her mouth and said, "This is just the right punishment. Let's make another Erbao." Fortunately, it was not late, and you were still by my side.

Jesus is alive! So why do we follow him like he's not? Sometime during the centuries

between Jesus' time on earth and ours, we started to believe that living vicariously through the ancient disciples was the closest we could ever get to being disciplined by Jesus. But Jesus promised to never leave us or forsake us. He is alive, and because of his great love for each of us, Jesus is ready, willing, and able to do for us what he did for the twelve. Robert Gelinaz dives into the Bible to show us the Jesus of the gospels, and the Jesus who is alive and yearning to disciple each one of us today. Isn't it time we allowed ourselves to be disciplined by Jesus?

She's not the woman I thought ... but dammit, she's the woman I want. I never thought of myself as cynical, but getting dumped at the altar changes a man. Now, I'm all about my job. About building my business and getting on with my life. Don't get me wrong; I still love

women. I love the way they look. The way they smell. The way they feel. Especially the way they feel. And I've pretty much made it my mission to give each and every woman who shares my bed the ride of her life. But getting close? Getting serious? Giving a woman my trust again? Yeah, that's not going to happen. Or so I thought. Then I met her. It's funny how things can change in a heartbeat. How one case of mistaken identity can change everything. But there she was, all business and completely uninterested in me. And damned if I didn't want her. Crave her. Most of all, I wanted to help her. To keep her and her sister safe. But the more I get to know her, the more I want

her. The whole package. The complete woman. And the miracle is that she wants me, too. Trouble is, we've both been burned before. Now, I know one thing for certain—the only way that we'll survive the heat that crackles between us is if we both find the courage to leap into the fire together.
