Chick lit is the marketing label attributed to a surge of books published in the wake of Helen Fielding's *Bridget Jones's Diary* (1996) and Candace Bushnell's *Sex and the City* (1997). Branded

by their pink or pastel-coloured book covers, chick-lit novels have been a highly successful and ubiquitous product of women's popular culture since the late 1990s. This study traces the evolution of chick lit not only as a genre of popular fiction, but as a cultural phenomenon. It complicates the genealogy of the texts by situating them firmly in the context of age-old debates about female literary creation, and by highlighting the dynamics of the popular-fiction market. Offering a convincing dissection of the formula which lies at the heart of chick lit, as well as in-depth analyses of a number of chick-lit titles ranging from classic to more recent and edgier texts, this book yields new insights into a relatively young field of academic study. Its close readings provide astute assessments of chick lit's notoriously skewed representational politics, especially with regard to sexuality and

ethnicity, which feed into current discussions about postfeminism. Moreover, the study makes a unique contribution to the scholarly debate of chick lit by including an analysis of the (online) fan communities the genre has fostered. *The Cultural Politics of Chick Lit* weaves a sound methodological network, drawing on reader-response criticism; feminist, gender, and queer theory; affect studies; and whiteness studies. This book is an accessible and engaging study for anyone interested in postfeminism and popular culture.

How to Hug St. Martin's Press

The #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* returns with a festive Shopaholic adventure filled with holiday cheer and unexpected gifts. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* 'Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could

possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic “Funny, charming, and the perfect read to get into the holiday spirit.”—PopSugar “Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour.”—Publishers Weekly

The Shopaholic's Guide to Buying for Mother and Child Online Dial Press

“Kinsella's heroine is blessed with the resilience of ten women, and her damage-limitation brain waves are always good for a giggle.”—Glamour (U.K.) What's a round-the-world honeymoon if you can't buy the odd souvenir to ship back home? Like the twenty silk dressing gowns Becky Brandon (née Bloomwood) finds in Hong Kong, or the hand-carved dining table from Sri Lanka, or the, um, huge wooden giraffes from Malawi (that her husband expressly forbade her to buy). Only now Becky and Luke have returned home to London, where two truckloads of those souvenirs have cluttered up their loft. The bills are outrageous,

Luke is furious, and Becky's feeling rather blue—until her parents deliver some incredible news. She has a long-lost sister! Becky is convinced her sister will be a true soulmate. They'll go shopping together, drink cappuccinos together, get manicures together. Then Becky meets Jessica and receives the shock of her life. Surely the shopaholic's own sister can't hate shopping? Praise for Sophie Kinsella "Kinsella has a genuine gift for comic writing."—The Boston Globe "Kinsella's Bloomwood is plucky and funny. . . . You won't have to shop around to find a more winning protagonist."—People "Faster than a swiping Visa, more powerful than a two-for-one coupon, able to buy complete wardrobes in a single sprint through the mall—it's Shopaholic!"—The Washington Post

Young Rebecca Bloomwood, a financial magazine writer whose perpetual shopping has dug her into a huge debt hole, tries to turn her life around when she meets the desirable Luke Brandon. *Shopaholic & baby* Dell

"Frothy fun . . . Faster than a swiping Visa, more powerful than a two-for-one coupon, able to buy complete wardrobes in a single sprint through the mall—it's Shopaholic!"—The Washington Post Becky Brandon thinks that having a daughter is a dream come true: a shopping friend for life! But two-year-old Minnie has a quite different approach to shopping. The toddler creates havoc everywhere she goes, from Harrods to her own christening. On top of everything else, Becky and Luke are still living with her parents (the deal on house #4 has fallen through), when suddenly there's a huge nationwide financial crisis. With people having to cut back, Becky decides to throw a surprise party for Luke to cheer everyone up. But when costs start to spiral out of control, she must decide whether to accept help from an unexpected source—and therefore run the risk of hurting the person she loves. Will Becky be able to pull off the celebration of the year? Will she and Luke ever find a home of their own? Will Minnie ever learn to behave? And . . . most important . . . will Becky's secret wishes ever come true? BONUS: This edition contains an excerpt from Sophie Kinsella's *Shopaholic to the Stars* and a sneak peek into all of the *Shopaholic* novels. Praise

for Mini Shopaholic “Madcap adventure.”—People “A page-turner . . . [Sophie] Kinsella at her most hilarious best.”—Fort Worth Star-Telegram “Screamingly funny.”—USA Today

Sahibs who Loved India Oxford University Press

The beloved New York Times bestseller from acclaimed author Eleanor Brown about three sisters who love each other, but just don't happen to like each other very much. Three sisters have returned to their childhood home, reuniting the eccentric Andreas family. Here, books are a passion (there is no problem a library card can't solve) and TV is something other people watch. Their father—a professor of Shakespeare who speaks almost exclusively in verse—named them after the Bard's heroines. It's a lot to live up to. The sisters each have a hard time

communicating with their parents and their lovers, but especially with one another. What can the shy homebody eldest sister, the fast-living middle child, and the bohemian youngest sibling have in common? Only that none has found life to be what was expected; and now, faced with their parents' frailty and their own personal disappointments, not even a book can solve what ails them...

Encyclopedia of Motherhood John Wiley & Sons

This free eBook short story fills in the gaps of Sophie Kinsella's bestselling *Shopaholic* series, following Becky Brandon and her husband, Luke, as they start their luxurious yearlong honeymoon around the world. But these jet-setters are about to hit some turbulence. Becky and Luke are in Venice—the city of winding canals, gorgeous historic buildings, and, of course, exceptional shopping. To unwind from the stress of their wedding, Becky has planned an utterly blissful honeymoon where, for an entire year, they will hop from one country to the next—Italy to the Czech Republic to Sri Lanka and beyond—as they please. But lately, Luke has been more restless than relaxed. In fact, he seems (unbelievably!) like he wants to go home. Will Becky be able to save their dream vacation, or will their globe-trotting come to a sudden halt? Praise for the *Shopaholic* novels “[Sophie] Kinsella has a genuine gift for comic writing.”—*The Boston Globe* “Hilarious . . . hijinks worthy of classic *I Love Lucy* episodes . . . too good to pass up.”—*USA Today* “Kinsella's Bloomwood is

Prada, Pumps und Babypuder Dial Press

The Religious Lives of Older Laywomen draws on ethnographic fieldwork, cross-cultural comparisons, and relevant theories exploring the beliefs, identities, and practices of "Generation A"—Anglican laywomen born in the 1920s and 1930s. Now in their 70s, 80s, and 90s, they are often described as the "backbone" of the Church and likely its final active generation. The prevalence of laywomen in mainstream Christian congregations is a widely accepted phenomenon that will cause little surprise amongst the research community or Christian adherents. What is surprising is that we know so little about them. Generation A laywomen have remained largely invisible in previous work on institutional religion in Euro-American countries, particularly as the focus on religion and gender has turned to youth, sexuality, and priesthood. Female Christian Generation A is on the cusp of a catastrophic decline in mainstream Christianity that accelerated during the 'post-war' (post-1945) age. The age profile of mainstream Christianity represents an increasingly aging pattern, with Generation A not being replaced by their children or grandchildren—the Baby-Boomers and generations X, Y, and Z. Generation A is irreplaceable and unique. "Generation" shares specific values, beliefs, behaviors, and orientations, therefore, when this generation finally disappears within the next five to 10 years, their knowledge, insights, and experiences will be lost forever. Abby Day both documents and interprets their religious lives and what we can learn about them and more widely, about contemporary Christianity and its future.

The Undomestic Goddess American Library Association

The #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* returns with another laugh-out-loud Becky Brandon (née Bloomwood) adventure: a hilarious road trip through the American West to Las Vegas. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Becky is on a major rescue mission through the American West to Las Vegas! Her father has vanished from Los Angeles on a mysterious quest with the husband of Becky’s best friend, Suze. Becky’s mum is hysterical; Suze is flat-out desperate. Worse, Becky must tolerate an enemy along for the ride, who she’s convinced is up to no good. Determined to get to the bottom of why her dad has disappeared, help Suze, contain the dreaded Alicia, and reunite her fractured family, Becky knows that she must marshal all her trademark ingenuity. The result: her most outrageous and daring plan yet! But just when her family needs her more than ever, can Becky pull it off? Praise for *Shopaholic to the Rescue* “Full of gags, sparkling dialogue and beautifully drawn characters . . . It’s a real treat to be reunited with the eminently loveable, incredibly ditzzy and fiercely loyal *Shopaholic* protagonist Becky Brandon (née Bloomwood).”—Daily Mail “Will Bex and best friend Suze ever make up? Will Becky’s old nemesis, banker Derek Smeath, finish his memoir? Why can’t our beloved *Shopaholic* seem to spend

any money, even on a \$2.50 pencil? . . . This is escapism that will make you giggle out loud.”—USA Today “Readers can’t help but be delighted. Kinsella never once loses Becky’s voice and heart, which is one of the joys of the *Shopaholic* series.”—Publishers Weekly “Full of Becky’s outrageous ideas, including a heist à la *Ocean’s Eleven*, this novel does not disappoint. . . . Kinsella adds a mystery and twists and turns at every corner in this latest work while maintaining Becky’s signature voice.”—Library Journal
