BRADSHAW ALINA

Fault Lines Kregel Academic

Though best remembered as the most popular preacher of the Victorian era, C. H. Spurgeon was also founder and president of the Pastors College in London. He supervised the training of over 800 students, presided at an annual conference for ministers, and, on Friday afternoons, delivered regular lectures on every aspect of pulpit ministry. Featuring such gems as "The Ministers Fainting Fits" "Posture, Action, Gesture, etc." and "On the Choice of a Text," this unabridged edition of 28 of Spurgeon's classroom discourses on homiletics overflows with practical wisdom, discerning wit, and sage advice. Covering the call, open-air preaching, ordinary conversations, using illustrations, and conduct outside the church, Spurgeon's words are as rich and nourishing for pastors and students today as they were more than a century ago. CHAPTERS INCLUDE The Ministers Self-Watch Our Public Prayer On Spiritualizing The Blind Eye and the Deaf Ear On Conversion as Our Aim The Sciences as Sources of Illustration

In his debut book, *The Cussing Pastor: Bullsh*t From The Pulpit*, Thaddeus Matthews stays true to his form and delivers his truth just like he does his sermons and radio show topics: raw and uncut. You'll learn more about the man behind his moniker, how he came to be *The Cussing Pastor*, and who he is off the air when he's not putting morally corrupt people in their rightful places. Known for going viral for using a few strong-choice words after talking about a passionate topic, the world was introduced to *The Cussing Pastor*. Sure, you may have heard him telling salacious stories about local politicians, or listened to him tell celebrities about themselves in a no-nonsense way, or possibly you've heard about his own sketchy past and cheating scandals. At the root of this *Cussing Pastor* is a heart that loves God. That will become very clear after diving into this juicy read. Is his delivery unorthodox? Extremely! Is there a message in the midst of his messy commentary? Absolutely. After reading, *The Cussing Pastor: Bullsh*t From The Pulpit*, not only will you have a different understanding of Thaddeus Matthews but you will also have a better understanding of how to really serve God unapologetically.

Dear Church Wm. B. Eerdmans Publishing

The Ground Is Moving The death of George Floyd at the hands of police in the summer of 2020 shocked the nation. As riots rocked American cities, Christians affirmed from the pulpit and in social media that "black lives matter" and that racial justice "is a gospel issue." But what if there is more to the social justice movement than those Christians understand? Even worse: What if they've been duped into preaching ideas that actually oppose the Kingdom of God? In this powerful book, Voddie Baucham, a preacher, professor, and cultural apologist, explains the sinister worldview behind the social justice movement and Critical Race Theory—revealing how it already has infiltrated some seminaries, leading to internal denominational conflict, canceled careers, and lost livelihoods. Like a

fault line, it threatens American culture in general—and the evangelical church in particular.

Whether you're a layperson who has woken up in a strange new world and wonders how to engage sensitively and effectively in the conversation on race or a pastor who is grappling with a polarized congregation, this book offers the clarity and understanding to either hold your ground or reclaim it.

Studies consistently show that physical health among clergy is significantly worse than similar adults who are not in ministry. *Flourishing in Ministry* offers clergy and those who support them practical advice for not just surviving this grueling profession, but thriving.

Practical Psychology for Pastors Moody Publishers

The Center for Pastor Theologians (CPT) seeks to overcome the bifurcation that has developed between the roles of pastor and theologian. Based on the first CPT conference in 2015, this volume brings together the reflections of church leaders and academic theologians to consider how these roles might be reconnected once again.

The Protestant Clergy of Early Modern Europe provides a comprehensive survey of the Protestant clergy in Europe during the confessional age. Eight contributions, written by historians with specialist research knowledge in the field, offer the reader a wide-ranging synthesis of the main concerns of current historiography. Themes include the origins and the evolution of the Protestant clergy during the age of Reformation, the role and function of the clergy in the context of early modern history, and the contribution of the clergy to the developments of the age (the making of confessions, education, the reform of culture, social and political thought).

Higher Education: Handbook of Theory and Research Chocolate Readings

NEW YORK TIMES BESTSELLER • The bestselling author of *The Ruthless Elimination of Hurry* equips readers to recognize and resist the lies that seek to rob them of peace and freedom. "Live No Lies is brilliant, deep, scriptural, and will equip you to face the enemy and fight."—Jennie Allen, New York Times bestselling author of *Get Out of Your Head* We are at war. Not with a foreign government or domestic terrorists or a creepy new artificial intelligence hell-bent on taking over the world. No, it's a war we feel deep inside our own chests: we are at war with lies. The problem isn't so much that we tell lies but that we live them. We let them into our bodies, and they sabotage our peace. All around us in the culture and deep within our own body memories are lies: deceptive ideas that wreak havoc on our emotional health and spiritual well-being, and deceptive ideas about who God is, who we are,

and what the good life truly is. The choice is not whether to fight or not fight, but whether we win or surrender. Ancient apprentices of Jesus developed a paradigm for this war; they spoke of the three enemies of the soul: the devil, the flesh, and the world. *Live No Lies* taps into this ancient wisdom from saints of the Way and translates the three enemies for the modern era, with all its secularism and sophistication. As a generation, we chuckle at the devil as a premodern myth, we are confused by Scripture's teaching on the flesh in an age where sensual indulgence is a virtue not a vice, and we have little to no category for the New Testament concept of the world. In this provocative and practical book, bestselling author John Mark Comer combines cultural analysis with spiritual formation. He identifies the role lies play in our spiritual deformation and lays out a strategic plan to overcome them. Do you feel the tug-of-war in your own heart, the inner conflict between truth and lies? The spirit and the flesh? The Way of Jesus and the world? It's time to start winning. It's time to live no lies...

Becoming a Pastor Theologian Hachette UK

With easy access to sermons on the Internet, plus pressure to deliver the next sermon with little time to prepare, no wonder some pastors have resorted to plagiarizing other people's sermons, passing them off as their own. This growing epidemic has received coverage in the *Wall Street Journal*, on National Public Radio, and elsewhere. Some pastors have been caught in the act and dismissed from their churches. Is this fair? Is this stealing? How can you recognize it? How can it be prevented? This book not only helps explain the problem, but it also explores the ethical implications and gives advice on how to avoid it or deal with it if the problem surfaces in your church. It includes study questions at the end of chapters and a concluding case study.

Pastoral Ministry OUP USA

Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work—drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, *Dear Church* offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. *Dear*

Church rejects the narrative of church decline and calls everyone—leaders and laity alike—to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus.

Published annually since 1985, the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities. Each chapter provides a comprehensive review of research findings on a selected topic, critiques the research literature in terms of its conceptual and methodological rigor, and sets forth an agenda for future research intended to advance knowledge on the chosen topic. The Handbook focuses on a comprehensive set of central areas of study in higher education that encompasses the salient dimensions of scholarly and policy inquiries undertaken in the international higher education community. Each annual volume contains chapters on such diverse topics as research on college students and faculty, organization and administration, curriculum and instruction, policy, diversity issues, economics and finance, history and philosophy, community colleges, advances in research methodology, and more. The series is fortunate to have attracted annual contributions from distinguished scholars throughout the world.

Evidence Explained InterVarsity Press

"If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as: • building integrity • seizing opportunities • exploring new horizons • speaking into crises • receiving power • accepting authority • promoting truth • managing expectations • dealing with criticism Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness. "Lawrenz gives us hope that the leadership pendulum which has swung from "over-spiritualized" to "de-spiritualized" in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, *Leadership Journal*, from the foreword "It is exciting to think about believers at every level of society rising to a new call to exercise powerful spiritual influence. In his newest book, *Spiritual Influence*, Mel Lawrenz has given us all a new baseline for leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring restoration in our broken world!" - Mark Batterson, Lead Pastor, National Community Church in Washington, D.C.

40 Questions about Interpreting the Bible Hendrickson Publishers

"Can't anyone teach me how to pray?" Millions of people today are asking the same question. There is a sense of the necessity of prayer - we have to pray. But how?' Prayer is central to Christian faith; indeed, as Timothy Keller notes in his introduction, it is the main way we experience deep change. Yet so many people struggle with prayer - a struggle that the author himself has shared. This wise and inspiring book is the fruit of those struggles, offering a real and glorious vision of what it can mean to seek God in prayer. Keller begins by giving a theological underpinning of what prayer actually is - both conversation and encounter with a personal God - before describing how we can learn to pray, and then deepen that prayer. Finally he gives detailed, practical suggestions on how to make prayer a part of the reality of daily life.

Lectures to My Students Springer

Pastoral ministry today is often ruled by an emphasis on short-sighted goals, pragmatic results, and shallow thinking. Unfortunately, those in the academy tend to have the opposite problem, failing to connect theological study to the pressing issues facing the church today. Contemporary evangelicalism has lost sight of the inherent connection between pastoral leadership and theology. This results in theologically anemic churches, and ecclesial anemic theologies. Todd Wilson and Gerald Hiestand contend that among a younger generation of evangelical pastors and theologians, there is a growing appreciation for the native connection between theology and pastoral ministry. At the heart of this recovery of a theological vision for ministry is the re-emergence of the role of the "pastor theologian." The Pastor Theologian presents a taxonomy of the pastor-theologian and shows

how individual pastors—given their unique calling and gift-set—can best embody this age-old vocation in the 21st century. They present three models that combine theological study and practical ministry to the church: The Local Theologian—a pastor theologian who ably services the theological needs of a local congregation. The Popular Theologian—a pastor theologian who writes theology to a wider lay audience. The Ecclesial Theologian—a pastor theologian who writes theology to other theologians and scholars. Raising the banner for the pastor as theologian, this book invites the emerging generation of theologians and pastors to reimagine the pastoral vocation along theological lines, and to identify with one of the above models of the pastor theologian.

Foundations of Chaplaincy Thomas Nelson Publishers

Flourishing in Ministry Simon and Schuster

In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again.
