Paramount's International  
News Whalen Book Works  
WHY DO BAD GUYS LIVE  
IN GOOD HOUSES? From  
Atlantis in The Spy Who  
Loved Me to Nathan  
Bateman's ultra-modern  
abode in Ex Machina, big-  
screen villains often live

in architectural splendor.  
From a design standpoint,  
the villain's lair, as  
popularized in many of  
our favorite movies, is a  
stunning, sophisticated,  
envy-inducing expression  
of the warped drives and  
desires of its occupant.  
Lair: Radical Homes and  
Hideouts of Movie Villains,  
celebrates and considers  
several iconic villains'  
lair from recent film

history. From futuristic  
fantasies to deathtrap-  
laden hives, from  
dwellings in space to  
those under the sea, pop  
culture and architecture  
join forces in these  
outlandish, primarily  
modern homes and in  
Lair, which features  
buildings from fifteen  
films, including: Dr.  
Strangelove Or: How I  
Learned to Stop Worrying

and Love the Bomb Star Wars The Incredibles Blade Runner 2049 You Only Live Twice The Ghost Writer Body Double North by Northwest Edited by acclaimed architect Chad Oppenheim with Andrea Gollin, Lair includes interviews with production designers and other industry professionals such as Ralph Eggleston, Richard Donner, Roger Christian, David Scheunemann, Gregg Henry, and Mark Digby. Contributors include director Michael Mann, cultural critic Christopher

Frayling, museum director Joseph Rosa, and architect Amy Murphy. Architectural illustrations and renderings by Carlos Fueyo provide multiple in-depth views of these spaces. New York Grand Central Publishing With more than 250 images, new information on international cinema—especially Polish, Chinese, Russian, Canadian, and Iranian filmmakers—an expanded section on African-American filmmakers, updated discussions of

new works by major American directors, and a new section on the rise of comic book movies and computer generated special effects, this is the most up to date resource for film history courses in the twenty-first century. Indianapolis Monthly Routledge The former first daughters share intimate stories and reflections from the Texas countryside to the storied halls of the White House and beyond. Born into a political dynasty, Jenna and Barbara Bush grew up in the public eye. As small

children, they watched their grandfather become president; just twelve years later they stood by their father's side when he took the same oath. They spent their college years watched over by Secret Service agents and became fodder for the tabloids, with teenage mistakes making national headlines. But the tabloids didn't tell the whole story. In *Sisters First*, Jenna and Barbara take readers on a revealing, thoughtful, and deeply personal tour behind the scenes of their

lives, as they share stories about their family, their unexpected adventures, their loves and losses, and the sisterly bond that means everything to them. *History of Woman Suffrage: 1883-1900* John Wiley & Sons Dedicated to all women who recognize Frenchwomen as genuine style models, this book is an appealing, pocket-size guide to French style and glamour, with 100 practical and concrete tips and delightful photos and sketches. Seven years

after the success of the style guide *Parisian Chic* by Inès de la Fressange, Sophie the Parisian offers a fresher, wider, and more varied guide to French style. The Parisian woman is considered a female role model by definition: classical in taste, but independent and dynamic; elegant and sophisticated at times, feminine and seductive, but not vulgar; attentive to what she wears and taking care of her body, but without excessive vanity; and who has sophisticated and original

but simple taste. Food lover and partygoer, she focuses on the quality of food rather than on her shape. Fond of natural beauty, and without plastic surgery, she doesn't try to hide the signs of aging, which she wears with pride. Sophie the Parisian doesn't take herself too seriously and uses a well-balanced mix of charm, great taste, and irony--three typical traits of the modern Frenchwoman--to cover topics ranging from fashion to the well-being of the body, from looks to

health, from cooking to decoration: everything that makes the French joie de vivre a role-model lifestyle worldwide.

**Full Service** University of Michigan Press

Based on a series of case studies of globally distributed media and their reception in different parts of the world, *Imagining the Global* reflects on what contemporary global culture can teach us about transnational cultural dynamics in the 21st century. A focused multisited cultural

analysis that reflects on the symbiotic relationship between the local, the national, and the global, it also explores how individuals' consumption of global media shapes their imagination of both faraway places and their own local lives. Chosen for their continuing influence, historical relationships, and different geopolitical positions, the case sites of France, Japan, and the United States provide opportunities to move beyond common dichotomies between East and West, or United

States and “the rest.” From a theoretical point of view, *Imagining the Global* endeavors to answer the question of how one locale can help us understand another locale. Drawing from a wealth of primary sources—several years of fieldwork; extensive participant observation; more than 80 formal interviews with some 160 media consumers (and occasionally producers) in France, Japan, and the United States; and analyses of media in different

languages—author Fabienne Darling-Wolf considers how global culture intersects with other significant identity factors, including gender, race, class, and geography. *Imagining the Global* investigates who gets to participate in and who gets excluded from global media representation, as well as how and why the distinction matters. *L'expansion* St. Thomas, Ont. : Elgin County Library "Film legend Sophia Loren shares vivid memories of work, love, and family"--

Simon and Schuster "Tobacco has been pervasive in China almost since its introduction from the Americas in the mid-sixteenth century. One-third of the world's smokers--over 350 million--now live in China, and they account for 25 percent of worldwide smoking-related deaths. This book examines the deep roots of China's contemporary "cigarette culture" and smoking epidemic and provides one of the first

comprehensive histories of Chinese consumption in global and comparative perspective"--Publisher's description.

*I Believe in ZERO* Univ of California Press

A moving, heartfelt true story that celebrates the way animals and humans rescue one another . . .

Baby seagulls, mischievous ferrets, strutting peacocks...in the decades that Barby Keel has run her animal sanctuary in the English countryside, she has seen all manner of creatures. Thousands of cats and

dogs have come through her doors and, with the aid of Barby and her dedicated staff, found loving forever homes. But Gabby, a small terrier with solemn, terrified eyes, is like no case Barby has ever encountered before. Gabby has spent all eight years of her life indoors. She has no idea how to play with a toy or chew a treat. She has never dug in the dirt or rolled happily in the grass. Strangest of all, Gabby does not know how to bark. Barby can tell that the little golden-haired

dog is bright and curious beneath her paralyzing fear, but coaxing out Gabby's true spirit will be a daunting task. Yet sometimes, a dog and a human fit together like two puzzle pieces, and so it is with Gabby and Barby. And Barby, who believes passionately in animals' ability to help and heal those they love, will find her faith in Gabby repaid just when she, and her sanctuary, need it most . . .

The Photomontages of Hannah Höch University of Toronto Press

"Japanese Rinzai Zen Buddhism" gives a new perspective on contemporary Japanese Zen Buddhism. Ideas, ritual practices, temples and interactions between the clergy, the laity and the institution are investigated as living representations of a unique and yet common Japanese religion. Comparing the Literatures Citadel Press  
Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing,

investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Univ of California Press  
The second edition of Genetic Counseling Practice: Advanced Concepts and Skills, provides in-depth content regarding the advanced competencies for meeting patient needs across the changing landscape of genetic counseling practice. The content aligns with the Reciprocal Engagement Model (REM) of practice which integrates the biomedical knowledge and psychosocial aspects of genetic counseling. This

edition has been revised and expanded to reflect advances made in the present-day field. Edited by a team of two genetic counselors and a psychologist, the chapters offer a holistic picture of genetic counseling. Chapter authors are all recognized experts in the profession. The chapters are grounded in evidence-based practice and research. Each chapter includes learning activities to help readers apply concepts and skills. Featured topic areas include: Meeting the

needs of culturally diverse patients Addressing challenging patient dynamics Working with children, adolescents and families Using emerging service delivery models for genetic counseling Engaging in self-reflective, deliberate practice Promoting genetic counselor professional development Genetic Counseling Practice is an indispensable guide to the complex and evolving field of genetic counseling, and this updated second edition

will help practitioners and trainees alike navigate its most pressing and practical challenges with skill and care.

*Gems & Gemology* BRILL Bubbly is a collection of more than 60 effortlessly stunning cocktail recipes featuring the most festive bottle behind the bar—champagne! With bright, seasonal flavors, simple techniques, and no pretense, author and photographer Colleen Jeffers shares her most irresistible sparkling cocktails, alongside quick-trick tips on topics like

buying the right bottle of bubbly, keeping carbonation crisp, scoring cheap vintage glassware, and making simple syrup without a stove. Inside this beautiful book's plush, gold foil cover, recipes include: French 75—tart, light, crisp, refreshing, and arguably the best known of all vintage champagne cocktails Aperol Spritz—ideal for aperitivo hour Paloma Punch—perfect for serving a crowd Bubbly Mary—a modern brunch classic Margarita Fizz—a

deceptively simple and refreshing Holiday Mail—a cheery seasonal favorite And many, many more! This book will quickly become your go-to resource for recipes that rely on fresh, easy-to-find ingredients for head turning flavor without an expert's collection of bottles and tools. With an entire chapter devoted to brunch cocktails and another to party-ready punches, it's a weapon every home cook needs in their entertaining arsenal. And with a plush, shiny gold foil hardcover,

rounded corners, glossy art paper, and gorgeous photography, it's a book you won't want to hide on a shelf! Inventive enough to appease the experienced cocktail creator but approachable enough for complete beginners, Bubbly proves that a splash of champagne can make any moment a cause for celebration. From the Author There aren't hundreds of recipes in this book, because each one had to earn its place in your kitchen, the kitchen of a stranger who's

welcomed me in. I don't take your precious leisure time—your seasons and gatherings and free moments lightly. The cost and effort I'll ask you to spend on any one step or ingredient must be justified by a proportionate gain in flavor. I promise you that none of these drinks are dull, and that your loved ones will love them. I promise that I've described the absolute best way to make each drink without compromise, but also the simplest way to do so.

The dry practicality that went into the development of these recipes found balance in the pure joy of dreaming them up and of imagining you enjoying each one. I pictured you in your own kitchens and couches and beaches and backyards, experiencing the pure bliss that is a perfectly mixed drink. I hope that you'll return to these pages whenever you're in need of that bliss, over and over again. —Colleen Jeffers  
*Tableau* Princeton University Press

First-hand, human stories of hope, resilience, determination, and family: a call to see the world's children as our own, by the President and CEO of the U.S. Fund for UNICEF In I Believe in ZERO, President and CEO of the U.S. Fund for UNICEF, an organization known for its decades of charity work and philanthropy with the United Nations, Caryl M. Stern draws on her travels around the world, offering memorable stories that present powerful and sometimes counter-intuitive lessons about

life. I Believe in ZERO reflects her-and UNICEF's-mission to reduce the number of preventable deaths of children under the age of five from 19,000 each day to zero. Each of the stories in I Believe in ZERO focuses on a particular locale-Bangladesh, Mozambique, earthquake-ravaged Haiti, the Brazilian Amazon-and weaves together fascinating material on the country and its history, an account of the humanitarian crises at issue, and depictions of the people she meets on

the ground. Stern tells of mothers coming together to affect change, of local communities with valuable perspectives of their own, and of children who continue to sustain their dreams and hopes even in the most dire of situations. Throughout, Stern traces her emerging global consciousness-and describes how these stories can positively impact our own children. In this incredibly moving book, Stern hopes to open hearts and minds and leave readers with the belief that no child

anywhere should lack basic human support-and that every child and mother can be an inspiration.

### **Perogies and Politics**

ROM Editions

In Perogies and Politics, Rhonda Hinthier explores the twentieth-century history of the Ukrainian left in Canada from the standpoint of the women, men, and children who formed and fostered it. For twentieth-century leftist Ukrainians, culture and politics were inextricably linked. The interaction of Ukrainian

socio-cultural identity with Marxist-Leninism resulted in one of the most dynamic national working-class movements Canada has ever known. The Ukrainian left's success lay in its ability to meet the needs of and speak in meaningful, respectful, and empowering ways to its supporters' experiences and interests as individuals and as members of a distinct immigrant working-class community. This offered to Ukrainians a radical social, cultural, and political alternative to the

fledgling Ukrainian churches and right-wing Ukrainian nationalist movements. Hinder's colourful and in-depth work reveals how left-wing Ukrainians were affected by changing social, economic, and political forces and how they in turn responded to and challenged these forces.??

Feature Films Rutgers University Press

Annotation A study of how the physical processes of learning to play a piece of music can enrich and inform the mental process

of studying and analyzing the music, using the cello music of Luigi Boccherini as a case study.

Kate Remembered

National Geographic Books

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's

consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Golden-Silk Smoke St.

Martin's Press

Online Communication provides an introduction to both the technologies of the Internet Age and their social implications. This innovative and timely textbook brings together current work in communication, political science, philosophy, popular culture, history,

economics, and the humanities to present an examination of the theoretical and critical issues in the study of computer-mediated communication.

Continuing the model of the best-selling first edition, authors Andrew F. Wood and Matthew J. Smith introduce computer-mediated communication (CMC) as a subject of academic research as well as a lens through which to examine contemporary trends in society. This second edition of Online

Communication covers online identity, mediated relationships, virtual communities, electronic commerce, the digital divide, spaces of resistance, and other topics related to CMC. The text also examines how the Internet has affected contemporary culture and presents the critiques being made to those changes. Special features of the text include:  
\*Hyperlinks--presenting greater detail on topics from the chapter  
\*Ethical Inquiry--posing questions on the nature of

human communication and conduct online

\*Online Communication and the Law--examining the legal ramifications of CMC issues Advanced undergraduates, graduate students, and researchers interested in the field of computer-mediated communication, as well as those studying issues of technology and culture, will find Online Communication to be an insightful resource for studying the role of technology and mediated communication in today's society.

Imagining the Global  
Bantam

A World War II veteran and Hollywood gas station attendant describes how his good looks and open bisexuality culminated in liaisons with numerous celebrities, providing a chronicle of Hollywood's sexual underground in the 1940s and 1950s.

A Short History of Film,  
Third Edition Tra  
Publishing

'For more than twenty years, Katharine Hepburn imparted many of the details of her life to me suggesting that I weave

them into a book - one that would appear upon her death. Sad to say, the time has come to publish that book. But I find comfort in knowing she lived a very rich 96 years; and I have tried my best to honour her wish of making the book as true to her spirit as possible - as inspiring, as loving and as fun.' Scott Berg KATE REMEMBERED is a loving tribute and a tender farewell that reveals an unusual relationship in a unique life, one fully lived - and largely according to Katharine Hepburn's own

rules. More importantly, it sets down many of the stories of that life as she saw them, full of sentiments she felt should not be made public until after her death. Ultimately, this book is

not only a story of the poignant final twenty years in which Scott Berg knew Katharine Hepburn, but also a tale of a great theatrical personality and the better part of the century that was the

stage for her distinguished life.
