Auszug: Ahoi  
(gesprochen ) ist ein  
Signalwort, um ein  
Schiff oder Boot  
anzurufen, und  
entstammt der  
deutschen  
Seemannssprache. Der  
Ruf galt als veraltet, ist

aber mit zunehmender Beliebtheit des Segelsports wieder gebräuchlicher geworden. In Nebenbedeutungen dient ahoi als Gruss, Warnung oder Abschiedsformel. Im deutschen Brauchtum wird ahoi als regionaler Karnevals- beziehungsweise Fastnachtsgruss verwendet. Die maritime Bezeichnung kommt in ähnlicher Aussprache und Schreibung in mehreren Sprachen vor; Ursprungswort ist das englische ahoy. Als Gruss ist ahoj in Tschechien und der Slowakei alltäglich. Im Telefonverkehr in den USA setzte sich das von Erfinder Alexander Graham Bell vorgeschlagene ahoy nicht gegen Thomas Alva Edisons hello

durch. Piers der Pfluger, Ochsen antreibend, in einem Psalter des 14. Jahrhunderts Der Ausdruck ist aus den beiden Bestandteilen a und hoy zusammengewachsen. Die Partikel a wurde vorangestellt, um mehr *Programm //39. **Das große Horex-Buch** Simon and Schuster

A commemorative hardcover edition of the only collection ever published of the celebrated novelist's shorter works. Here is a treat for devoted fans of John Irving. First published twenty years ago, *Trying to Save Piggy Sneed* contains a dozen short works by the author, beginning with three memoirs. The longest of the memoirs is "The Imaginary Girlfriend," his candid account of his twin careers in writing and wrestling, which, as the *Denver Post* observed, is filled "with anecdotes that are every bit as hilarious as the antics in his novels . . . [and] combines the lessons

of both obsessions." The middle portion of the book is fiction. Over a career that spans thirteen novels, these are the six stories that Mr. Irving considers finished. Among them is "Interior Space," for which he won the O. Henry Award. In the third and final section are three homages: one to Günter Grass and two to Charles Dickens. To each of the twelve pieces, he has contributed author's notes, which provide some perspective on the circumstances surrounding the writing of each piece. For readers who prefer a hardcover, this commemorative edition is a book to treasure. For new readers, it is a perfect introduction to the author of works as

moving and mischievous as *The World According to Garp*, *A Prayer for Owen Meany*, and *In One Person*. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that

are sometimes overlooked and to authors whose work might not otherwise find a home.

Restauración de motos antiguas Grupo Planeta (GBS)

"The nearest thing to an autobiography Irving has written . . . worth saving and savoring."—Seattle Times Dedicated to the memory of two wrestling coaches and two writer friends, *The Imaginary Girlfriend* is John Irving's candid memoir of his twin careers in writing and wrestling. The award-winning author of best-selling novels from *The World According to Garp* to *In One Person*, Irving began writing when he was fourteen, the same age at which he began to wrestle at Exeter. He competed as a wrestler for

twenty years, was certified as a referee at twenty-four, and coached the sport until he was forty-seven.

Irving coached his sons Colin and Brendan to New England championship titles, a championship that he himself was denied. In an autobiography filled with the humor and compassion one finds in his fiction, Irving explores the interrelationship between the two disciplines of writing and wrestling, from the days when he was a beginner at both until his fourth wrestling related surgery at the age of fifty-three. Writing as a father and mentor, he offers a lucid portrait of those—writers and wrestlers from Kurt Vonnegut to Ted Seabrooke—who

played a mentor role in his development as a novelist, wrestler, and wrestling coach. He reveals lessons he learned about the pursuit for which he is best known, writing. "And," as the Denver Post observed, in filling "his narrative with anecdotes that are every bit as hilarious as the antics in his novels, Irving combines the lessons of both obsessions (wrestling and writing) . . . into a somber reflection on the importance of living well."

Wenn es nach dem Gesetzgeber gegangen wäre, hätte es die Kleinkrafträder nie gegeben. Da sich aber ein Hersteller nicht um die Vorgaben scherte und ein so überzeugendes Fahrzeug mit 50 Kubikzentimetern Hubraum auf die Räder

gestellt hatte, wurde die »Lex Kreidler« erlassen: Solange der Hubraum stimmte, war Leistung kein Thema, und unter diesen Vorzeichen begann 1954 eine bis 1980 laufende Erfolgsstory. Die kleinen Motorräder waren für Jugendliche so wichtig wie es heute Smartphones sind. Und die Statussymbole hießen Kreidler, Hercules und Zündapp.

**Horex** Causey Enterprises, LLC  
 Toisen maailmansodan moottoripyörät- kirja on jatkoa aikaisemmin kirjoittamalleni ja vuonna 2018 julkaistulle Sotilasmoottoripyörät 1900-1933 kirjalle. Toisen maailmansodan moottoripyörät kirjassa esitellään toisen maailmansodan osapuolten käytössä olleet sotilasmoottoripyörät 1930-luvun alusta toisen maailmansodan päättymiseen asti. Toisen maailmansodan armeijat varustettiin pääosin 1930-luvulla suunnitelluilla ja valmistetuilla moottoripyörillä. Hitlerin valtaan tulon myötä natsi-Saksa hylkäsi ensimmäisen maailmansodan

päättäneen Versaillesin rauhansopimuksen Saksan armeijalle asettamat voimakkaat rajoitukset. Ensimmäisen maailmansodan voittajavallat havahtuivat mahdollisen uuden sodan syttymiseen ja aloittivat myös omien armeijoidensa modernisoinnin ja kehittämisen. Sodan uhkaan havahduttiin liian myöhään ja näin ollen liittoutuneiden toisen maailmansodan moottoripyörät perustuvat suurimmalta osalta 1930-luvulla kehitettyihin moottoripyörämalleihin . Toisen maailmansodan aikana valmistettiin lähinnä juuri ennen toista maailmansotaa tuotantoon otettujen moottoripyörämallien

sotilaskäyttöön  
enemmän tai  
vähemmän  
modifioituina versioita.
