Si Tienes Un Papa Mago

DANIELLE PRESTON

Puss in Boots Knopf Books for Young Readers

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in

our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

Across a Hundred Mountains Big and SMALL

Gabriela Keselman escribió estos tres cuentos cortos para aquellos pequeños lectores que sienten que, de a ratos, crecer es verdaderamente fácil, y de a ratos, verdaderamente difícil. ¡Atención los castores que se comen las uñas! ¡Alerta para todas las ratoncitas que sueñan con hamacarse hasta el cielo! ¡Bienvenidos los patos a los que no les gusta el agua! Con estos relatos, dejarán atrás el aburrimiento, volarán alto y descubrirán que el ingenio puede ser más grande que el miedo.

Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while

daring greatly' -Theodore Roosevelt
Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be

courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' - Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank

range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. **I AM MALALA** is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. **I AM MALALA** will make you believe in the power of one person's voice to inspire change in

the world.
