An invitation for overachievers to discover what it means to rest as God's daughters without compromising their God-given design as doers. Are you a

Martha who feels guilty for not being a Mary? Do you want to sit at Jesus's feet as Mary did—but you feel the need to get things done? In *Made Like Martha*, Katie M. Reid invites you to exchange try-hard striving for hope-filled freedom without abandoning your doer's heart in the process. Through her own story and rich biblical illustrations, Katie reminds you that it's not important whether you sit and listen or stand and work. What matters is that your spiritual posture is one of a beloved daughter who knows she doesn't need to earn God's love. Your desire to get things done is not something to temper but something to embrace as you serve from a place of strength and peace—knowing Christ already did His most important work for you on the cross. With “It Is Finished”

activities at the end of each chapter and a five-week Bible study included, *Made Like Martha* helps you find rest from striving even as you celebrate your God-given design to “do.” “*Made Like Martha* will infuse your life with a fresh perspective as you learn both to embrace your God-given personality and also discover how—and when—to rest and retreat.” —Karen Ehman, Proverbs 31 Ministries speaker and New York Times bestselling author of *Keep It Shut*

A cultural history of Australia told through our fiction. Australia's novels lie at the heart of the country. Capturing everyday lives and exceptional dreams, they have held up a mirror to the nation, reflecting the good and the bad. In this

companion book to the ABC TV series, Carl Reinecke looks at the history of Australian culture through the books we have read and the stories we have told. Touching on colonial invasion, the bush myth, world wars, mass migration, the recognition of Indigenous sovereignty and the emergence of a modern, global, multicultural nation Carl examines how these pivotal events and persuasive ideas have shaped some of Australia's most influential novels, and how these books, in turn, made us. In a panoramic account of Australian fiction stretching from Marcus Clarke to Melissa Lucashenko, Patrick White to Peter Carey, and Henry Handel Richardson to Michelle de Kretser, this is a new history of key authors and compelling books that have kept us reading and made a

difference for over 200 years.

Start With Why has led millions of readers to rethink everything they do - in their personal lives, their careers and

their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-

step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

The impact of The Late Great Planet

Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle

East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

The Book That Made Your World Harper Collins

God Made All of Me by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it should be treated by

others—without conveying a message of shame. Through carefully written language and relatable storytelling, *God Made All of Me* helps parents navigate discussion that can so easily be warped into confusion, embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of *God Made All of Me*, parents and caregivers can begin conversations with

boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. *God Made All of Me* is the first children's book written by *Rid of My Disgrace* authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims

of sexual abuse. Explore God Made All of Me and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

The Late Great Planet Earth W. W. Norton & Company

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-

blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Every person has been designed by God for one-of-a-kind Masterpiece Mission, what most people refer to as personal calling or personal purpose. Everyone needs to be able to name what God has put them on the earth to do. Most people

never do. That is a tragedy of epic proportions. We need a simple way to discover that calling, and Find Your Place is that way. GPS technology is widely known as a way to know where you are on the earth, as well as a way to guide you to get where you want to go. The Find Your Place book will help followers of Jesus locate three signals that will help people discern their personal calling: their Gifts, their Passions, and their Story, and help them take meaningful next steps to engage that calling. Furthermore, the American Church has a Co-Dependency Disorder. Church members have become dependent upon church leaders, and church leaders need their members to remain that way. This co-dependence is doing more than throttling the vitality of

the church...it is strangling it. In order for the people of God to truly thrive and be salt and light in the world, church leaders must move from simply "gathering and teaching" their members to "empowering and releasing them." This book, the accompanying online assessment, and the disciple-making

tools that both will be integrated into, will all be a part of a turn-key solution for church leaders to accomplish that goal. *God Made All of Me* Biblioasis
