all future
royalties
received from
Women Who
Work to the
Ivanka M.
Trump
Charitable
Fund, a donor
advised fund
that will make
grants to
organizations

that empower
and educate
women and
girls.* "This is
a chatty step-
by-step guide
to living a
happy life and
getting ahead
in a career."
—USA Today
"The advice is
spot-on for
everyone, not

just women."
—Tony Hsieh,
CEO of
Zappos.com
and author of
Delivering
Happiness I
believe that
when it comes
to women and
work, there
isn't one right
answer. The
only person
who can
create a life
you'll love is
you. Our
grandmothers
fought for the
right to work.
Our mothers
fought for the
choice to be in
an office or to
stay at home.
Our
generation is
the first to
fully embrace
and celebrate
the fact that

our lives are
multidimensio
nal. Thanks to
the women
who came
before us and
paved the
way, we can
create the
lives we want
to lead—which
look different
for each of us.
I've been
fortunate to
be able to
build my
career around
my passions,
from real
estate to
fashion. But
my
professional
titles only
begin to
describe who I
am and what I
value. I have
been an
executive and
an

entrepreneur,
but also—and
just as
importantly—a
wife, mother,
daughter, and
friend. To me,
“work”
encompasses
my efforts to
succeed in all
of these
areas. After
appearing on
The
Apprentice
years ago and
receiving a
flood of letters
from young
women asking
for guidance, I
realized the
need for more
female
leaders to
speak out
publicly in
order to
change the
way society
thinks and

talks about “women who work.” So I created a forum to do just that. This book evolves the conversation that started on IvankaTrump.com, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions. Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees

and our children. We innovate at our current jobs and start new businesses. Women Who Work will equip you with the best skills I’ve learned from some of the amazing people I’ve met, on subjects such as identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to

make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. * The Ivanka M. Trump Charitable Fund (the “Fund”) is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole

member of IT WWW Pub, LLC (the "LLC"), which receives royalties from the publication of *Women Who Work*. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017

to May 1, 2022. Brothers, (You Can) Get It Right Bloomsbury Publishing In 1963, after 25 years in direct marketing sales, Mary Kay Ash invested her life savings of \$5,000 on a dream. Following her priorities--God first, family second, and career third--and some sound business strategies, she managed to create a multibillion-dollar international company as

well as a fulfilling life that reflects her values. In her new book, *Mary Kay shares her moving, inspirational introduction to her story. Sophia of Silicon Valley* HURST & Company Sharon Meers and Joanna Strober are professionals, wives, and mothers. They understand the challenges and rewards of two-career households. They also know that families thrive not in spite of working mothers but

because of them. You can have a great career, a great marriage, and be a great mother. The key is tapping into your best resource and most powerful ally—the man you married. After interviewing hundreds of parents and employers, surveying more than a thousand working mothers, and combing through the latest government and social science research, the authors have

discovered that kids, husbands, and wives all reap huge benefits when couples commit to share equally as breadwinners and caregivers. Mothers work without guilt, fathers bond with their kids, and children blossom with the attention of two involved parents. The starting point? An attitude shift that puts you on the road to 50/50—plus the positive step-by-step advice in this book. From

“baby boot camp” for new dads to exactly what to say when negotiating a leave with the boss, this savvy book offers fresh ideas to today’s families offering encouragement, hope, and confidence to any woman who has ever questioned her choices regarding work and family.

It's Hard to Make a Difference When You Can't Find Your Keys
Simon and Schuster

An entirely channeled book of messages from The Council, a group of ascended master beings, that communicate to us that we have the power to be the Creators of our lives. The Wisdom of the Council is an entirely channeled book of messages by The Council, a group of ascended master beings. Their messages are both empowering and gentle, and guide you

towards ascending to a new level of consciousness, stepping into the greatest version of you, and recognizing that you have the ability to create your own Heaven on Earth-a new way of perceiving your human experience. The Council assures us that we have the power to be the Creators of our lives. And from the Council's perspective, it's all done already-we already have this Creator

energy within us and it's just a matter of aligning with that frequency. The Council encourages us to expand our consciousness and awareness so we can go beyond our thinking mind. Only then can we expand our potential, come into alignment with who we truly are, manifest from a place of wholeness rather than lack, and ultimately live out our destiny. [Getting Real About Having](#)

it All Christi Barth Social sciences. Can I Have It All AuthorHouse Arnold M. Patent demonstrates how to experience the pleasure of opening one's heart, which leads to a life of safety, trust and boundless creativity. His simple, effective exercises and advice set the reader on a path to greater rewards, convincing him or her that they truly can have it all.

The Feminine Mystique Hay House, Inc What if the money game we are playing is designed to result in failure. Could it be that what we consider failure is really success? We have been playing the first part of an extraordinary game that we created to hide what we are looking for. MONEY is the guide to support us in playing the next part that uncovers what the first part was designed to hide -- a life of total joy and unlimited

abundance. **Nice Work (If You Can Get It)** Simon and Schuster The free market as we know it cannot produce gender equality. This is the bold but authoritative argument of Vicky Pryce, the government's former economics chief. Women vs Capitalism is a fresh and timely reminder that, although the #MeToo movement has been hugely important, empowerment of the mind

will not achieve full power for women while there remains economic inequality. Pryce urgently calls for feminists to focus attention on this pressing issue: the pay gap, the glass ceiling, and the obstacles to women working at all. Only with government intervention in the labor market will these long-standing problems finally be conquered. From the gendered threat of robot

labor to the lack of women in economics itself, this is a sharp look at an uncomfortable truth: we will not achieve equality for women in our society without radical changes to Western capitalism. *The Superwoman Myth* W. W. Norton & Company Poems that celebrate and remember. Poems that observe and question. Poems that honor life, love, and friendship.

You Can Have It All
Knopf
Includes a new afterword by the author
• “Slaughter’s gift for illuminating large issues through everyday human stories is what makes this book so necessary for anyone who wants to be both a leader at work and a fully engaged parent at home.”—Arianna Huffington
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST, NPR, AND THE

ECONOMIST

When Anne-Marie Slaughter accepted her dream job as the first female director of policy planning at the U.S. State Department in 2009, she was confident she could juggle the demands of her position in Washington, D.C., with the responsibilities of her family life in suburban New Jersey. Her husband and two young sons encouraged her to pursue the job; she

had a tremendously supportive boss, Secretary of State Hillary Clinton; and she had been moving up on a high-profile career track since law school. But then life intervened. Parenting needs caused her to make a decision to leave the State Department and return to an academic career that gave her more time for her family. The reactions to her choice to leave Washington

because of her kids led her to question the feminist narrative she grew up with. Her subsequent article for *The Atlantic*, “Why Women Still Can’t Have It All,” created a firestorm, sparked intense national debate, and became one of the most-read pieces in the magazine’s history. Since that time, Anne-Marie Slaughter has pushed forward, breaking free of her long-standing

assumptions about work, life, and family. Though many solutions have been proposed for how women can continue to break the glass ceiling or rise above the “motherhood penalty,” women at the top and the bottom of the income scale are further and further apart. Now, in her refreshing and forthright voice, Anne-Marie Slaughter returns with her vision for what true equality

between men and women really means, and how we can get there. She uncovers the missing piece of the puzzle, presenting a new focus that can reunite the women’s movement and provide a common banner under which both men and women can advance and thrive. With moving personal stories, individual action plans, and a broad outline for change, Anne-Marie Slaughter

reveals a future in which all of us can finally finish the business of equality for women and men, work and family. “I’m confident that you will be left with Anne-Marie’s hope and optimism that we can change our points of view and policies so that both men and women can fully participate in their families and use their full talents on the job.”—Hillary Rodham Clinton
Mary Kay, You

Can Have it All

What does it
really take to
get a job in
academia? Do
you want to
go to graduate
school? Then
you're in good
company:
nearly 80,000
students will
begin
pursuing a
PhD this year
alone. But
while almost
all new PhD
students say
they want to
work in
academia,
most are
destined for
something
else. The hard
truth is that
half will quit or
fail to get
their degree,

and most
graduates will
never find a
full-time
academic job.
In *Good Work
If You Can Get
It*, Jason
Brennan
combines
personal
experience
with the latest
higher
education
research to
help you
understand
what graduate
school and the
academy are
really like.
This candid,
pull-no-
punches book
answers
questions big
and small,
including •
Should I go to
graduate
school—and

what will I do
once I get
there? • How
much does a
PhD cost—and
should I pay
for one? •
What does it
take to
succeed in
graduate
school? •
What kinds of
jobs are there
after grad
school—and
who gets
them? • What
happens to
the people
who never get
full-time
professorships
? • What does
it take to be
productive, to
publish
continually at
a high level? •
What does it
take to teach
many classes

at once? • How does "publish or perish" work? • How much do professors get paid? • What do search committees look for, and what turns them off? • How do I know which journals and book publishers matter? • How do I balance work and life? This realistic, data-driven look at university teaching and research will help make your graduate and postgraduate experience a success. Good

Work If You Can Get It is the guidebook that anyone considering graduate school, already in grad school, starting as a new professor, or advising graduate students needs. Read it, and you will come away ready to hit the ground running.

Fahrenheit 451 Penguin Sharp, dramatic, and full of insider dish, SOPHIA OF SILICON VALLEY is one woman's story of a career storming the corridors of

geek power and living in the shadow of its outrageous cast of maestros. During the heady years of the tech boom, incorrigibly frank Sophia Young lucks into a job that puts her directly in the path of Scott Kraft, the eccentric CEO of Treehouse, a studio whose animated films are transforming movies forever. Overnight, Sophia becomes an unlikely nerd whisperer.

Whether her success is due to dumb luck, savage assertiveness, insightful finesse (learned by dealing with her irrational Chinese immigrant mother), or a combination of all three, in her rarified position she finds she can truly shine. As Scott Kraft's right-hand woman, whip-smart Sophia is in the eye of the storm, sometimes floundering, sometimes nearly losing relationships and her health, but

ultimately learning what it means to take charge of her own future the way the men around her do. But when engineer/inventor Andre Stark hires her to run his company's investor relations, Sophia discovers that the big paycheck and high-status career she's created for herself may not be worth living in the toxic environment of a boys-club gone bad. [Good Work If You Can Get It](#)

Macmillan
A New York Times
bestseller! In this motivational handbook—both a business how-to and self-help guide—the New York Times bestselling author of *Dot Complicated* takes on the fallacy of the "well-balanced" life, arguing that the key to success is learning to be well-lopsided. *Work. Sleep. Fitness. Family. Friends. Pick Three.* In an increasingly demanding

world, we've been told that we can do everything—maintain friendships, devote ourselves to work, spend time with family, stay fit, and get enough sleep. We just need to learn to balance it all. Randi Zuckerberg doesn't believe in being well-balanced. We can't do it all every day, she contends, and trying to do so only leaves us frustrated and feeling inadequate. But we can succeed if we

Pick Three. Randi first introduced the concept of Pick Three in a tweet—"The Entrepreneur's Dilemma"—that went viral. Now, in this book, she expands on her philosophy and inspires others to follow her lead. From entrepreneurs to professionals, busy parents to students, Randi can help everyone learn to reject the unrealistic burden of balance and enjoy success in their own lives—by

picking the most important areas to focus on in any given day. This practical handbook includes stories from Randi's career learning that there's no such thing as a perfect balance—as well as insights and examples from other professionals at the top of the biggest businesses in Silicon Valley, new moms searching for permission to focus on family, and recent graduates

convinced they should have it all under control, including Arianna Huffington, Reshma Saujani, Laurie Hernandez, and Brad Takei. We can't have it all every day, and that's okay, Randi reminds us. Pick Three is her much-needed guide to learning to embrace the well-lopsided life.

Witty and enchanting, the second novel from the well-loved actress and author of *Not Quite Nice* follows the hilarious exploits of expats in the South of

France. Somewhere on the French Riviera, tucked between glitzy Monte Carlo and Cannes' red carpets, lies the pretty town of Bellevue-Sur-Mer. Sheltered from the glittering melee, it is home to many an expat--including an enterprising team who plan to open a new restaurant. Snapping up a local property and throwing themselves into preparations, Theresa, Carol, William

and Benjamin's plans are proceeding unnervingly well. But when Theresa encounters a mysterious intruder, she begins to wonder what secrets the building is concealing. Meanwhile Sally, an actress who gave up the stage to live in quiet anonymity, has decided not to be involved. The famous Cannes Film Festival is on and she is far too busy entertaining unexpected

visitors from her past, and an intriguingly handsome Russian. As the razzmatazz of the festival begins to spill over into Bellevue-Sur-Mer, its inhabitants become entangled in complex love triangles and conflicting business interests. With the race on to get the restaurant open in time, the gang find themselves knee-deep in skulduggery, and realize they can no longer tell who's nasty . .

. and who's nice. *The Art of Not Having it All* National Geographic Books Josh Hardwick's life looks great. He lives with his best friends, runs a gourmet food truck, and spends his nights hooking up with every eligible woman in D.C.. But he hides his daily struggle with dyslexia-- which holds him back from expanding his business. The last complication he needs is a relationship.

Especially not with an off-limits friend who is dangerously hot... Annabeth Vasquez wears combat boots because life is a war zone and she damn well intends to be a survivor. She's clawed her way out of poverty and is still in shock at her amazing new job. Failure isn't an option. So being distracted by Josh's playboy moves is definitely out of the question. The boutique job

puts her in the middle of his circle of rich, educated friends. Annabeth can't believe they accept her--or that Josh wants her. Dating a player always ends badly, and Annabeth can't risk losing her job. No matter how well Josh kisses... Her job's at stake. Josh's friends will kill him if he screws up and hurts her. But they can't ignore how long--and how much--they've wanted each other. So when Josh comes up with

a plan to test-drive their relationship, Annabeth's on board. Will they be able to move beyond their complicated pasts and fears and discover love makes it possible to have it all? [Getting to 50/50](#) Lsu Press
This book is about how you can use your God given powers already in you to have all that you really want in life. You can live your dreams and be happy. This great power in you

is for good. To have health, wealth, happiness, love, money, and a whole lot more. I show you in this book how to change those negative thought that's destroying your life. I teach you how to think to prosper and have all the money you desire. God is your supplier and is ready to supply all of your needs.

Money

Penguin
Named a BEST BOOK OF THE YEAR... SO FAR by The New Yorker

Named a BEST BOOK OF THE MONTH by The Washington Post A candid exploration of the genius, shame, and celebrity of Whitney Houston a decade after her passing On February 11, 2012, Whitney Houston was found submerged in the bathtub of her suite at the Beverly Hilton Hotel. In the decade since, the world has mourned her death amid new revelations about her

relationship to her Blackness, her sexuality, and her addictions. Didn't We Almost Have It All is author Gerrick Kennedy's exploration of the duality of Whitney's life as both a woman in the spotlight and someone who often had to hide who she was. This is the story of Whitney's life, her whole life, told with both grace and honesty. Long before that fateful day in 2012, Whitney split the world wide open with her voice.

Hers was a once-in-a-generation talent forged in Newark, NJ, and blessed with the grace of the church and the wisdom of a long lineage of famous gospel singers. She redefined “The Star-Spangled Banner.” She became a box-office powerhouse, a queen of the pop charts, and an international superstar. But all the while, she was forced to rein in who she was amid constant accusations

that her music wasn’t Black enough, original enough, honest enough. Kennedy deftly peels back the layers of Whitney’s complex story to get to the truth at the core of what drove her, what inspired her, and what haunted her. He pulls the narrative apart into the key elements that informed her life—growing up in the famed Drinkard family; the two romantic

relationships that shaped the entirety of her adult life, with Robyn Crawford and Bobby Brown; her fraught relationship to her own Blackness and the ways in which she was judged by the Black community; her drug and alcohol addiction; and, finally, the shame that she carried in her heart, which informed every facet of her life. Drawing on hundreds of sources, Kennedy takes readers back

to a world in which someone like Whitney simply could not be, and explains in excruciating detail the ways in which her fame did not and could not protect her. In the time since her passing, the world and the way we view celebrity have changed dramatically. A sweeping look at Whitney's life, *Didn't We Almost Have It All* contextualizes her struggles against the backdrop of tabloid

culture, audience consumption, mental health stigmas, and racial divisions in America. It explores exactly how and why we lost a beloved icon far too soon.

Can Men Have It All?

Bloomsbury Publishing USA
The book begins by raising a thoughtful question, "Can women have it all, family, work and everything in between?" If yes, then are women 'superwomen'? More

importantly, what or who is a 'superwoman'? In other words, this book discusses the role of contemporary women in today's modern career world and its myriad of challenges, and in turn explores the nuanced role of millennial women and provides insights into how women juggle demands at home and at work; family and career management. Using case studies from

interviews with two hundred women, the authors draw on data from women themselves to explore how they navigate their daily lives to achieve work-life balance. This book will motivate readers to reframe their roles at home and in the workplace and hopefully help them reclaim control in their career/family journeys. This book is also an essential guide to thought leadership for women in

leadership positions or aspiring to be in leadership positions. Finally, this book will demystify gender roles in the workplace and at home, enabling women of all ages and backgrounds to embark on their career with confidence. This book will motivate younger women who are embarking on their first career and looking to develop the inner leadership that helps

them thrive in life.

Boys Before Business
Harvard Business Review Press
Overbooking?
Running late?
Feeling overwhelmed by clutter and to-dos?
Management consultant Dr. Marilyn Paul guides you on a path to personal change that will bring true relief from the pain and stress of disorganization. Unlike other books on getting organized, It's Hard to Make a Difference When You

Can't Find Your Keys offers a clear seven-step path to personal development that is comprehensive in nature. Drawing on her own

experience as a chronically disorganized person, Paul adds warmth, insight, humor, and hope to this manual for change and self-discovery. She

introduces the notion of becoming "organized enough" to live a far more rewarding life and make the difference that is most important to you.
