The most solemn, majestic, and beautiful gifts that Jesus Christ gave to the world are His sacraments. He endowed them with unprecedented and unparalleled power—power to change lives, save souls, and share God's very life. The sacraments are the ordinary means by which God directs the course of each human life and all of world history. The Church celebrates seven sacraments: baptism, Eucharist, confirmation, matrimony, holy orders, confession, and anointing of the sick. Each was established by Jesus for the sake of salvation. When Jesus spoke of the sacraments, He made clear that they were essential: Unless one is born of water and the Spirit, he cannot enter the kingdom of God (Jn 3:5) . . . unless you eat of the flesh of the Son of man and drink His blood, you have no life in you (Jn 6: 53). In *Swear to God*, Dr. Scott Hahn explores the richness of Christ's sacraments—their doctrine, history, symbols, and rituals. Drawing upon the Bible and the Church's tradition, he shows how God's covenants—with Adam, Noah, Abraham, Moses, and David—became the driving forces in history. When Jesus came to fulfill all these covenants, He established a new covenant, with greater power than ever before. Christians are God's children now. Joined to Christ by baptism, we can already share in the eternal life of the Trinity, a life we hope to know fully in heaven. But heaven is with us, even now, in the sacraments.

"In this book, a Methodist minister examines the sources of John Wesley's ideas about marriage and shows how those beliefs found expression in the cleric's revision of the Anglican wedding service." "Author Bufford W. Coe describes the radical differences between a typical eighteenth-century wedding and a church wedding of today. He also tells the fascinating story of Wesley's romances with Sophia Hopkey and Grace Murray, based on his own private diaries, and shows how those relationships, as well as his miserably unhappy marriage, were affected by Wesley's beliefs about matrimony." "Four days after Wesley decided he would marry at the age of forty-seven, he spoke to a group of unmarried men and encouraged them to remain single. In the matrimonial service he devised for American Methodists, Wesley eliminated the custom of the bride being given in marriage

by her father, although Wesley consistently taught that Christians should not marry without the consent of their parents. Wesley strongly condemned the Roman Catholic Church for requiring celibacy of its priests, but his own rules required that Methodist preachers who married during their initial probationary period were thereby disqualified." "In 1784, Wesley published *The Sunday Service of the Methodists in North America with Other Occasional Services*. Coe studies the components of Wesley's marriage liturgy from the Sunday Service to try to determine why Wesley revised the Anglican wedding service in the way that he did."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
