Historia de la provincia de Espana, de la orden de predicadores...Escribiala el presentado Fr. Manuel Joseph de Medrano... University of Toronto Press

One of the most widely-read and translated Spanish works in sixteenth-century Europe was Fernando de Rojas' *Celestina*, a 1499 novel in dialogue about a couple that faces heartbreak and tragedy after being united by the titular brothel madam. In *'Celestina' and the Ends of Desire*, E. Michael Gerli illustrates how this work straddles the medieval and the modern in its exploration of changing categories of human desire - from the European courtly love tradition to the interpretation of want as an insatiable, destructive force. Gerli's analysis draws on a wide range of *Celestina* scholarship but is unique in its use of modern literary and psychoanalytic theory to confront the problematic links between literature and life. Explorations of influence of desire on knowledge, action, and lived experience connect the work to seismic shifts in the culture of early modern Europe. Engaging and original, *'Celestina' and the Ends of Desire* takes a fresh look at the timeless work's widespread appeal and enduring popularity.

The Laughter of the Saints En la

An investigation by Dorothy Sherman Severin of the importance of Rojas' *Celestina* as a precursor to the modern novel.

Diccionario castellano: P-Z University of Toronto Press

Between the fourteenth and seventeenth centuries in Spain, a large number of parodic works were produced that featured depictions of humorous, satirical, and comical saints. *The Laughter of the Saints* examines this rich carnivalesque tradition of parodied holy men and women and traces their influence to the anti-heroes and picaresque roots of early modern novels such as *Don Quixote*. The first full-length treatment of the ways in which Spanish writers imitated religious depictions of saints' lives for comic purposes, Ryan D. Giles' erudite study explores the inversion of oaths, invocations, pious legends, and liturgical devotions. Analyzing a variety of texts from *Libro de buen amor*, to later works such as the *Celestina*, *Carajicomedia*, *Lozana andaluza*, and *Lazarillo de Tormes*, Giles not only sheds light on Golden Age Spanish literature, but also on the origins of the comic novel. A well-argued and convincing work, *The Laughter of the Saints* reveals the uproarious results of the collision of official and unofficial methods of storytelling.

Celestina and the Ends of Desire Liverpool University Press

In *Secrets of Pinar's Game*, Roger Boase deciphers a card game completed in 1496 for Queen Isabel, Prince Juan, her daughters and her 40 court ladies. This book reveals information about the court culture that cannot be found in official sources.

Maria Victoria Atencia: Legend of Myself Crossroad Press

In this collection of 65 short poems, Roberta Quance exemplifies the range, vitality and inner mysticism of work by one of Spain's foremost, if controversial, contemporary female poets, drawing on the contents of a number of Spanish collections.

Historia de la provincia de España de la Orden de Predicadores Hal Leonard Publishing Corporation Award-winning Mexican author Juan Pablo Villalobos explores illegal immigration with this emotionally raw and timely nonfiction book about ten Central American teens and their journeys to the United States. You can't really tell what time it is when you're in the freezer. Every year, thousands of migrant children and teens cross the U.S.-Mexico border. The journey is treacherous and sometimes deadly, but worth the risk for migrants who are escaping gang violence and poverty in their home countries. And for those refugees who do succeed? They face an immigration process that is as winding and multi-tiered as the journey that brought them here. In this book, award-winning Mexican author Juan Pablo Villalobos strings together the diverse experiences of eleven real migrant teenagers, offering readers a beginning road map to issues facing the region. These timely accounts of courage, sacrifice, and survival—including two fourteen-year-old girls forming a tenuous friendship as they wait in a frigid holding cell, a boy in Chicago beginning to craft his future while piecing together his past in El Salvador, and cousins learning to lift each other up through angry waters—offer a rare and invaluable window into the U.S.-Central American refugee crisis. In turns optimistic and heartbreaking, *The Other Side* balances the boundless hope at the center of immigration with the weight of its risks and repercussions. Here is a necessary read for young people on both sides of the issue.

The Other Side UNM Press

In the summer of 1931, folklorist Espinosa traveled throughout northern New Mexico asking Spanish-speaking residents for tales of olden times. These tales are available once again, in the original Spanish and now for the first time in English translation.

Cuentos de Cuanto Hay Scholastic UK

In the dark, they are watching... They are waiting for you. No one has ever lived to tell the horrifying truth about them. Yet even now the Wolfen are gathered in the night-dark alleys ... unseen, poised ... ready to destroy their helpless human prey. Only one man and one woman, trained cops, willing to risk their lives, stand in the way.

Luz de verdades catholicas, y explicacion de la doctrina christiana, BRILL

Contains over 1200 songs with words and music for intruments and singing.

The Wolfen Farrar, Straus and Giroux (BYR)

When Maisie is struck by lightning, her face is partially destroyed. She's lucky enough to get a face transplant, but how do you live your life when you can't even recognize yourself any more? She was a runner, a girlfriend, a good student ... a normal girl. Now, after a single freak accident, all that has changed. As Maisie discovers how much her looks did and didn't shape her relationship to the world,

she has to redefine her own identity, and figure out what 'lucky' really means.
