MAURICE SULLIVAN

Contraires Milet Limited

Courtney Dicmas introduces babies to basic concepts with her award-winning charm and humour. In Opposites, interactions between animals with drastically different characteristics provides plenty of opportunities to discuss and make comparisons. Colours takes an original approach to the topic by representing popular colours through ocean creatures. Shapes cleverly demonstrates the way that different shapes appear in

nature, through the outlines of animals, or through the negative space between them and their family members. How many birds can roost on a wire? Find out in the final book in the series: Numbers!

Gibbs Smith Publishers

"My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce

core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean!"

Azbuka My First Bilingual Book

Illustrations captioned in English and Arabic present the different types of emotions or feelings, like boredom, grumpiness, and pride.

Marta! Big & Small Grosset & Dunlap

EARLY LEARNING / EARLY LEARNING CONCEPTS. Featuring a one-page spread for each way that children can make life a little bit easier for weary parents, from folding laundry to taking care of the family pet. Each activity is described underneath in both Urdu and English. The simplicity of the tasks mentioned mean that as well as being bilingual this title is multicultural; readers hailing from the cultures associated with both languages will find tasks and routines that they can relate to. Illustrations feature clean, bold lines and block colours in the style of children's classics Miffy and Elmer. Ages 0+

Cartwheel Books

A charming collection of fourteen well-loved verses, Korean and English Nursery Rhymes is an excellent introduction to Korean language and culture for young children. This enchanting,

beautifully illustrated book featuring well-known Korean children's songs and rhymes makes a beautiful gift for kids and families who are interested in the Korean way of life. The highlighted verses, presented in both Korean hangeul script and English, are arranged in a clear side-by-side format that encourages successful and fun language learning. Korean and English Nursery Rhymes also includes downloadable audio with recordings of kids singing in both languages. These songs are so lively and sweet you'll soon find yourself singing right along! Many of the songs accompany everyday play activities like jumping rope and hand clapping games. Others speak to a child's simple view of nature and a deep love of home. The fourteen favorite rhymes and songs featured include: "Little One" "Monkey's Bottom" "Twirling Round" "Spring in My Hometown" And more! For preschoolers and beyond, this book will provide lasting pleasure for the mind, the eye, the ear, and the heart—an exquisite celebration of Korean folk songs and heritage.
