 Police officer Megan Luz and her K-9 partner in crime, Brigit, are on all fours as they try to solve their latest Lone Star mystery. AT THE ZOO The weather is beautiful, work is slow, and her canine colleague could use a walk. What better day for Megan to take Brigit to the Fort Worth Zoo, where they can let loose and witness the law and order of nature unfold? But what begins as a fun field trip turns serious when a pair of rare hyacinth macaws named Fabiana and Fernando goes missing. Is the new custodian, a gentle soul who happens to be an ex-convict, to blame? Or is something far

more sinister afoot? AND ON THE HUNT
 The birds are worth thousands of dollars, and the list of people on the premises who might have stolen them is long. Soon other animals start disappearing. . .and Megan and Brigit have their hands and paws full of suspects. But when a rare black rhino is taken from the zoo, presumably for its black-market-friendly horn, time is of the essence. Can Megan and Brigit find out who's behind the mystery—before they too become prey? "Funny and acerbic... perfect for lovers of Janet Evanovich." —Librarian and Reviewer
Secret Service Dogs Animals with Jobs
 A cowboy and his dog must keep a witness safe... even as he investigates her When cowboy Mac Dolan and his dog, Barnie, stop an attempted abduction, Mac is surprised to learn the target is attorney Liv

Calloway—the woman the FBI contracted him to investigate. Letting Liv hide on his ranch is the perfect way to keep her close. But even as he protects her, Mac must figure out whether Liv is a murderer...or a witness being framed. From Love Inspired Suspense: Courage. Danger. Faith.

 Routledge
 In 1953, there were zero canine programs on any American police force. In 1989, there were more than 2,000 programs with over 7,000 police handler dog teams. In 1953, the Royal Canadian Mounted Police had the nation's only program with 20 teams but in 1989 there were 46 programs with 300 teams. These are dramatic program expansions. There have been controversial issues of using dogs; the pros and cons of using dogs for specialized functions are thoroughly

analyzed in this book. Clearly identified are the elements to be assessed as a prelude to implementing a canine patrol unit, with the essential features critical to a unit's organization, operation, and ultimate success.

Learn how to: Master the basic skills and common procedures every decoy needs. Read dogs accurately through seven key factors. Stimulate and reward useful forms of K9 aggression. A good decoy is a K9 trainer's most valuable tool. A good decoy can make a poor dog better, a mediocre dog good, and a good dog excellent. A poor decoy, on the other hand, can have devastating effects, ruining even a good dog. Stephen Mackenzie, professor of animal science and deputy sheriff with more than 30 years' experience training and handling police dogs, shows you how

to master the art of being a decoy in this revised and updated new edition. You'll learn how to communicate effectively with your canine partner and how to stimulate specific types of aggression in the dog in a safe, positive way. This guide is essential reading for all decoys, including both instructors and students. It will improve the effectiveness of all K9 personnel, handlers, and trainers. THE POLICE DOG: A STUDY OF THE GERMAN SHEPHERD DOG (OR ALSATIAN)
By David Brockwell A VINTAGE DOG BOOKS CLASSIC REPRINT. Originally published New York 1925, this scarce early work on the German Shepherd Dog (G.S.D.) is very hard to find in its first edition.

VINTAGE DOG BOOKS have now republished it, using the original text and photographs, as part of their CLASSIC BREED BOOKS series. The book was originally published to assist American breeders and owners of the "Police Dog", which at that time was a relatively recent introduction in the U.S.A. Its objective was to provide a complete and concise knowledge of every phase of this breed. The book's two hundred and ten pages contain seven comprehensive chapters: - Origin and History. - Appearance and Characteristics. - Breeding. - Care and Rearing. - Training (Emphasis on Police and Guard Dog Work) - Various Uses. - Diseases and Accidents. The book is well illustrated with text drawings and full page photographs of Champions of that era. This is a fascinating read for any G.S.D. enthusiast or historian of the breed, and also contains much information that is still practical and useful today. Many of the earliest dog breed books, particularly those dating back to the 1900s and before, are now increasingly scarce and expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

AS SEEN ON BBC BREAKFAST 'The real-life pet detective' Sunday Mirror Read the extraordinary tale of how a dog and her owner became the ultimate pet-detective duo . . . When ex-policeman Colin Butcher set up his own pet detective agency to search for lost and stolen pets, he quickly realised he needed a partner. Enter Molly, an unloved and unwanted cocker spaniel he spotted on a rescue website. Clever and charismatic, she melted Colin's heart and the two became instantly inseparable. Colin's detective skills combined with Molly's intelligence, tenacity and sense of smell made them the ultimate team and it wasn't long before they were cracking cases and solving crimes across the country. From the search for Pablo the ginger tom cat kidnapped in Devon, to unearthing a treasure trove of stolen jewels in a north London wood, the duo have countless exciting adventures and make plenty of new friends along the way. Charming, moving and thrilling, *Molly and Me* is the story of a rescue cocker spaniel with a troubled past who - thanks to the love and devotion of her owner - finds a new life, purpose and a forever friend.

Working Dogs Enslow Publishing, LLC
Dogs and horses can be more than just pets. They can work at important jobs helping police to keep the rest of us safe and secure. This book explores how animals work alongside police officers every day, all around the world. A police dog and handler are partners who depend on each other. Unlike most police units, they stay together twenty-four hours a day. The horse and rider in a mounted police unit are also a close team. The officer takes good care of the horse, and the horse has complete trust in the officer. Dogs and horses also work in search-and-rescue teams, helping to find people who

are lost or injured in the wilderness or a natural disaster. If you would like a career working with police dogs or horses, you could join the police and become a K-9 handler or be part of a mounted police unit. This book provides information on how to get started in these exciting careers. Book jacket.

THE TOP TEN BESTSELLER: The Inspirational Life of Finn, Britain's Bravest Dog, Winner of the 2017 Daily Mirror Animal Hero of the Year Award Hertfordshire, October 5th 2016. At around 2 a.m., PC Dave Wardell and his dog, PD Finn, were trying to apprehend a robbery suspect when he turned around and attacked them. Finn was stabbed with a ten-inch-bladed knife, both through his chest, via his armpit and then - the knife bound for Dave - through the top of his head. Finn no doubt saved Dave's life, but the race was on to try and save Finn's. Dave Wardell's heartfelt memoir charts an

incredible journey of friendship and loyalty. It is a celebration of the bond between one man and his dog, from when Dave collected Finn from his kennels at just nine months old, all the way through to Finn's recent and hard-earned retirement. The book charts the career of a highly trained, highly decorated dog. In his time on the job Finn tracked offenders of all kinds; found missing children; tackled armed offenders; saved lives. But Finn isn't just a police dog - he's also a cherished family pet and this is his remarkable, life-affirming story.

Fire Dog Heroes St. Martin's Paperbacks Paw Enforcement introduces police officer Megan Luz and her loyal K-9 partner Brigit-two Fort Worth cops who are worth their weight in kibble. SHE'S ON A SHORT LEASH. Officer Luz is lucky she still has a job after tasing a male colleague where it counts the most. Sure, he had it coming-which is why the police chief is giving Megan a second chance. The catch? Her new partner can't carry a gun, can't drive a cruiser, and can't recite the Miranda

Rights. Because her new partner is a big furry police dog. So that's what the chief meant when he called Megan's partner a real b*tch... WILL FATE THROW HER A BONE? With Brigit out on the beat, Megan is writing up enough tickets to wallpaper the whole station. But when a bomb goes off at the mall's food court, it's up to Megan and Brigit to start digging-and sniffing-for clues. With the help of dead-sexy bomb-squad expert Seth Rutledge and his own canine partner named Blast, Megan finds herself in a desperate race to collar a killer. Will justice be served-or will she end up in the doghouse? "Readers should be prepared for a laugh fest. Diane Kelly is first class."-Night Owl Romance *Fabulous Finn* Penguin

This is the story of a dog a pedigree Alsatian who became a Police Dog in the West Riding Police Force. He was brave, intelligent and loyal, with a wicked sense of humour and a big heart. This is the tale of that career and of the family whose lives he enriched.
