## **BRADSHAW GEORGE**

---

**Healing Your Lost Inner Child Companion Workbook** Harper Collins  
The bestselling book on childhood trauma and the enduring effects of repressed anger and pain Why are many of the most successful people plagued by feelings of emptiness and alienation? This wise and profound book has

provided millions of readers with an answer--and has helped them to apply it to their own lives. Far too many of us had to learn as children to hide our own feelings, needs, and memories skillfully in order to meet our parents' expectations and win their "love." Alice Miller writes, "When I used the word 'gifted' in the title, I had in mind neither children who receive high grades in school nor children talented in a special way. I simply meant all of us who have

survived an abusive childhood thanks to an ability to adapt even to unspeakable cruelty by becoming numb.... Without this 'gift' offered us by nature, we would not have survived." But merely surviving is not enough. *The Drama of the Gifted Child* helps us to reclaim our life by discovering our own crucial needs and our own truth.

*Rescuing the Inner Child* Conari Press  
 NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE  
*A Little Life* follows four college classmates—broke, adrift,

and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, *To Paradise*, coming in January 2022.

*The Highly Acclaimed Method for Liberating Your Inner Self* Harper Collins  
 The critically acclaimed, award-winning,

modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel.

Healing from gaslighting starts with understanding it Gaslighting is the practice of psychologically manipulating someone into questioning their own sanity--and if you are reading this, you may be all-too familiar with this form of emotional abuse. The Gaslighting Recovery Workbook is a uniquely interactive method of rebuilding your self-esteem and allowing yourself to heal from an abusive relationship. Through a process of explanation, advice, positive affirmations, daily logs, visualizations, and a journal-style workbook approach, you'll understand gaslighting, the stages of recovery, and how to heal and move

forward. It contains the most effective, evidence-based strategies for conquering gaslighting at work, with friends and family, and partners. Recovery from gaslighting involves: Profile the abuser--Identifying and understanding abusive personality disorders is essential to the recovery process. You can do it--Grow through a positive and actionable approach filled with exercises that provide relief and recovery from abuse. Well thought out--Interactive exercises encourage thoughtful and comprehensive introspection, including a 'letter of commitment' to yourself. The Gaslighting Recovery Workbook is a thoughtful and comprehensive source of information for anyone who has been a victim of this form of abuse.

Practical Tools to Establish Boundaries and Reclaim Your Emotional Autonomy  
Rockridge Press

A large segment of the population struggles with feelings of being detached from themselves and their loved ones. They feel flawed, and blame themselves. Running on Empty will help them realize that they're suffering not because of something that happened to them in childhood, but because of something that didn't happen. It's the white space in their family picture, the background rather than the foreground. This will be the first self-help book to bring this invisible force to light, educate people about it, and teach them how to overcome it.

**How To Be A Great Parent To Your Inner Child** Souvenir Press Ltd

In Homecoming John Bradshaw one of the world's leading figures in the field of psychology and recovery, explains his revolutionary techniques to reveal the inner child. He believes that the wounds we receive during childhood and adolescence can continue to contaminate our adult lives. His methods explained clearly in this book, help people to reach back to the child inside and heal those wound. Homecoming includes unique questionnaires which allow readers to work through John Bradshaw's world-famous inner child course themselves. There are specifically designed exercises that allow you to reclaim and nurture your inner child, so that you as an adult can grow and move on. 'Three things are striking about inner child work' says John Bradshaw. 'The

speed with which people change the depth of that change, and the power and creativity that can result when the wounds from the past are healed For more information on John Bradshaw please visit [www.johnbradshaw.com](http://www.johnbradshaw.com) Running on Empty Recovery of Your Inner Child The Highly Acclaimed Method for Liberating Your Inner Self "Do you have a calling or yearning to be the best version of yourself but struggle to love and heal your inner child self?" ?f your answer "YES", you are in right place. Reyhan Toplu's journey will resonate with you because she was in the same place once upon time. And through her writing, she offers to walk with you and teach you how to do this inner child work. We've all heard the saying "don't lose the child within." But

what if the reason we struggle in our present day is due to unconsciously holding onto trauma or a negative emotional impact experience from our childhood? Could you be battling an inner child? Could it be that your inner child is almost biting against your adult-self and true spiritual nature? Perhaps it is time to realise this and end the battle to restore self-love, inner peace and harmony? There is a great deal of teachings in this book to help you understand your inner child, but do not feel that you have to absorb it all at once. Certain ideas, core beliefs will pop up at you that may need your focus and attention first. One good lesson from these teachings has the potential to improve the quality of your life in ways you may not have imagined. I feel that

an important thing to be aware of as you read is that the answers you are seeking "outside" are within you. The author now welcomes all of you to read this book to gently unveil the hidden truths of your inner child and explore amazing healing powers to reveal the awesomeness in you...

The Counsellor's Guide to Parks Inner Child Therapy Simon and Schuster

Have you ever wondered why you make certain negative choices about things, like with food or relationships, even though you know better? Have you ever felt depressed, scared, anxious or self-critical at a time when things were actually going well for you? Have you experienced chronic pain or feeling that you are missing something in your life? Many of your negative thoughts and

feelings as well as your physical and emotional pains are connected to a part of you often called the "wounded inner child." In this unique East - West perspective of our development stages and the seasons of life, you will learn about the benefits of understanding and connecting to your heart for healing, finding your higher purpose and living a more enlightened life. In Chinese medicine your Heart is your King or Queen. Any traumas or insults to your Inner Ruler during the spring season of your life, can break your heart into pieces leaving you with several, very powerful wounded inner children. The information, reflective questions and self-help tools provided in this book, not only guide and inspire you on how to be a great parent to your inner child, but

will help you heal your body, mind and spirit. The author combines concepts from psychology, Chinese medicine and universal principles as well as inspirational case histories, including parts of the author's own transformative journey. Once you discover your inner child, learn how to: - Nurture and protect your inner child - Re-parent yourself and fill in crucial parenting gaps - Connect with and heal your heart - Make better and more fulfilling choices - Transform negative emotions into positive virtues - Be creative and balance having fun with work - Connect to your higher purpose and express all of who you are

**How to Heal Your Inner Child** Anchor  
 FINALLY, THE BREAKTHROUGH BOOK  
 THAT PUTS YOU BACK IN CONTROL OF  
 YOUR LIFE Most of us have met our

Outer Child once too often. The self-sabotaging, bungling, and impulsive part of the personality. This misguided, hidden nemesis—the devil on your shoulder—blows your diet, overspends, and ruins your love life. A menacing older sibling to your emotionally needy Inner Child, your Outer Child acts out and fulfills your legitimate childlike needs and wants in the wrong place, at the wrong time, and in counterproductive ways: It goes for immediate gratification and the quick fix in spite of your best-laid plans. Food, attention, emotional release—your Outer Child usually gets what it wants, and your Adult self can feel powerless to stop it. Now, in a revolutionary rethinking of the link between emotion and behavior, veteran psychotherapist and theoretician

Susan Anderson offers a three-step, paradigm-shifting program to tame your Outer Child's destructive behavior. This dynamic, transformational set of strategies—action steps that act like physical therapy for the brain—calms your Inner Child, strengthens your Adult Self and releases you from the self-blame and shame that are the root of Outer Child issues, and paves new neural pathways that can lead to more productive behavior. Discover • the common Outer Child personality types, including the Drama Queen; the Master of Disguise; My Way or No Way; and Love the Getting, not the Having • proven techniques to resolve underlying sources of self-sabotage • insights that will allow you to stop blaming your supposed “lack of willpower” for your

problems • key strategies for healing the painful issues of your past • mental exercises that effectively deal with Outer Child challenges around food, procrastination, love, debt, depression, and more As your head, heart, and behavior come together and learn to help, not hurt, one another, your strong Adult Self, contented Inner child, and tamed Outer child will become a reality. The result is happiness and fulfillment, self-mastery, and self-love. From the Hardcover edition.

Recovery of Your Inner Child Basic Books Originally released in 1980, Lucia Capacchione's *The Creative Journal* has become a classic in the fields of art therapy, memoir and creative writing, art journaling, and creativity development. Using more than fifty

prompts and vibrantly illustrated examples, Capacchione guides readers through drawing and writing exercises to release feelings, explore dreams, and solve problems creatively. Topics include emotional expression, healing the past, exploring relationships, self-inventory, health, life goals, and more. The *Creative Journal* introduced the world to Capacchione's groundbreaking technique of writing with the nondominant hand for brain balancing, finding innate wisdom, and developing creative potential. This thirty-fifth anniversary edition includes a new introduction and an appendix listing the many venues that have adopted Capacchione's methods, including public schools, recovery programs, illness support groups, spiritual retreats, and

prisons. The Creative Journal has become a mainstay text for college courses in psychology, art therapy, and creative writing. It has proven useful for journal keepers, counselors, and teachers. Through doodles, scribbles, written inner dialogues, and letters, people of all ages have discovered vast inner resources.

The Emotionally Absent Mother, Updated and Expanded Second Edition The Experiment

Brain researchers have in recent years have discovered the vast, untapped potential of the brain's little-used, right hemisphere. Art therapist Lucia Capacchione discovered that our nondominant hand is a direct channel to that potential. Her research and fieldwork with people using their "other

hand" provides the raw material for this classic, first published in 1988. In workshops and private sessions, Lucia has worked with thousands of people, employing these techniques to help them become more creative, expressive, and intuitive in their day-to-day lives and also experience improved health and greater fulfillment in their relationships. Lucia will show you how to: Channel the deep inner wisdom of your True Self Change negative attitudes about yourself Unlock creativity Uncover hidden artistic abilities Heal your relationships Through various drawing and writing exercises, Lucia Capacchione hopes you will discover the power that lies hidden in your other hand. The techniques will help you explore and understand your thoughts and feelings

on a completely different level and reconnect with a sense of playfulness you may have left behind in childhood. *The Art of Finding Yourself: 35th Anniversary Edition* Piatkus Books Dr. Whitfield provides a clear and effective introduction to the basic principles of recovery. This book is a modern classic, as fresh and useful today as it was more than a decade ago when first published. Here, frontline physician and therapist Charles Whitfield describes the process of wounding that the Child Within (True Self) experiences and shows how to differentiate the True Self from the false self. He also describes the core issues of recovery and more. Other writings on this topic have come and gone, while *Healing the Child Within* has remained a strong introduction to

recognizing and healing from the painful effects of childhood trauma. Highly recommended by therapists and survivors of trauma.

**A Gift to Myself** John Wiley & Sons  
In this important sequel to *Adult Children of Emotionally Immature Parents*, author Lindsay Gibson offers powerful tools to help you step back and protect yourself at the first sign of an emotional takeover, make sure your emotions and needs are respected, and break free from the coercive control of emotionally immature parents. Growing up with emotionally immature (EI) parents can leave you feeling lonely and neglected. You may have trouble setting limits and expressing your feelings. And you may even be more susceptible to other emotionally immature people as you

establish adult relationships. In addition, as your parents become older, they may still treat your emotions with mockery and contempt, be dismissive and discounting of your reality, and try to control and diminish your sense of emotional autonomy and freedom of thought. In short, EIs can be self-absorbed, inconsistent, and contradictory. So, how can you recover from their toxic behavior? Drawing on the success of her popular self-help book, *Adult Children of Emotionally Immature Parents*, author Lindsay Gibson offers yet another essential resource. With this follow-up guide, you'll learn practical skills to help you recognize the signs of an EI, protect yourself against an emotional takeover, reconnect with your own emotions and

needs, and gain emotional autonomy in all your relationships. This is a how-to book, with doable exercises and active tips and suggestions for what to say and do to increase emotional autonomy and self-awareness. If you're ready to stop putting your own needs last, clear the clutter of self-doubt, and move beyond the fear of judgment and punishment that's been instilled in you by emotionally immature parents, this book will help you find the freedom to finally live your life your way.

**Becoming a Loving Adult to Your Inner Child** Parallax Press

Writing for Bliss is most fundamentally about reflection, truth, and freedom. With techniques and prompts for both the seasoned and novice writer, it will lead you to tap into your creativity

through storytelling and poetry, examine how life-changing experiences can inspire writing, pursue self-examination and self-discovery through the written word, and understand how published writers have been transformed by writing. Poet and memoirist Raab (Lust) credits her lifelong love of writing and its therapeutic effects with inspiring her to write this thoughtful and detailed primer that targets pretty much anyone interested in writing a memoir. Most compelling here is Raab's willingness to share her intimate stories (e.g., the loss of a relative, ongoing struggles with cancer, a difficult relationship with her mother). Her revelations are encouraging to writers who feel they need "permission to take... a voyage of self-discovery." The book's seven-step

plan includes plenty of guidance, including on learning to "read like a writer," and on addressing readers as if "seated across the table." Raab covers big topics such as the "art and power of storytelling" and small details such as choosing pens and notebooks that you enjoy using. She also helps readers with the important step of "finding your form." --PUBLISHER'S WEEKLY "Writing for Bliss" is about the profound ways in which we may be transformed in and through the act of writing. I am grateful to Diana Raab for sharing it, and I trust that you will feel the same as you read on. May you savor the journey." --from the foreword by MARK FREEMAN, PhD "By listening to ourselves and being aware of what we are saying and feeling, the true story of our life's past

experience is revealed. Diana Raab's book gives us the insights by which we can achieve this through her life-coaching wisdom and our writing." -- BERNIE SIEGEL, MD, author of *The Art of Healing* "Only a talented writer who has fought hard to overcome life's many obstacles could take her readers by the hand and lead them through the writing process with such enormous compassion, amazing insight, and kindness. Diana Raab is a powerful, wise, intelligent guide well worth our following." --JAMES BROWN, author of *The Los Angeles Diaries* and *The River* "Writing for Bliss is far more than a 'how-to manual'; it enlightens the creative process with wisdom and a delightful sense of adventure. Bravo to Bliss!" --LINDA GRAY SEXTON, author

of *Searching for Mercy Street: My Journey Back to My Mother*, Anne Sexton "Uniquely blending inspiring insights with practical advice, Diana guides you on a path to discover the story that is truly inside you and yearning to be told." --PATRICK SWEENEY, coauthor of the New York Times bestseller *Succeed on Your Own Terms* DIANA RAAB, PhD, is an award-winning memoirist, poet, blogger, workshop facilitator, thought provoker, and survivor. She's the author of eight books and over one thousand articles and poems. She lives in Southern California. Learn more at [www.DianaRaab.com](http://www.DianaRaab.com)  
*Inspired Exercises to Heal Your Codependent Relationships*  
Crown/Archetype  
Based on Dharma talks by Zen Master

Thich Nhat Hanh and insights from participants in retreats for healing the inner child, this book is an exciting contribution to the growing trend of using Buddhist practices to encourage mental health and wellness.

Reconciliation focuses on the theme of mindful awareness of our emotions and healing our relationships, as well as meditations and exercises to acknowledge and transform the hurt that many of us experienced as children. The book shows how anger, sadness, and fear can become joy and tranquility by learning to breathe with, explore, meditate, and speak about our strong emotions. Reconciliation offers specific practices designed to bring healing and release for people suffering from childhood trauma. The book is written for

a wide audience and accessible to people of all backgrounds and spiritual traditions.

*The Power of Your Other Hand* Farrar, Straus and Giroux (BYR)

All of us need positive affirmation throughout our lives. As children, these powerful messages helped us to know that we were worthwhile, that it was all right to want food and to be touched, and that our very existence was a precious gift. The messages that we received from our parents helped us to form decisions that determined the course of our lives. If we were raised with consistent, nurturing parents, we conclude that life is meaningful and that people are to be trusted. If we were raised with parents who were addictively or compulsively ill, we determine that

life is threatening and chaotic--that we are not deserving of joy. These are the crucial decisions that impact our lives long after we have forgotten them. Unfortunately, childhood judgments don't disappear. They remain as dynamic forces that contaminate our adulthood. When childhood needs are not taken care of because of abuse or abandonment, we spend our lives viewing the world through the distorted perception of a needy infant or an angry adolescent. The more we push these child parts away, the more control they have over us. This collection of daily meditations is dedicated to those adults who are ready to heal their childhood wounds. It is through this courageous effort that we will move from a life of pain into recovery.

**A Personal Workbook and Guide to "Healing the Child Within"** New Directions Publishing

Most people don't realize how much unresolved emotional pain they carry around. They don't know why they always feel depressed, anxious, victimized, or disappointed. They wonder why they keep making the same self-sabotaging impulsive decisions. These patterns often stem from their lost inner child, which carries a false narrative that has been on repeat since childhood. The hurt emotions resulting from childhood experiences of abuse, neglect, or trauma show up in adulthood as explosive anger, isolation, bad relationship choices, negative self-talk, feelings of being overwhelmed, being a people pleaser, and keeping others at arm's

length. In *Healing Your Lost Inner Child*, Psychotherapist and Reiki master Robert Jackman takes you on a personal journey to explore unresolved wounds from your early life using the HEAL process for healing and embracing an authentic life. Through stories and exercises, this easy-to-read book will encourage you to learn how to stop giving in to your wounded inner child's emotional pain frozen inside a snow globe within you. Each chapter gently takes you closer to this original

wounding so you can acknowledge and finally heal your pain. Move from being an impulsive reactor to an authentic, conscious creator in your life. The *Healing Your Lost Inner Child Companion Workbook* is also available to help you develop a deeper understanding of your relationships, codependency patterns and triggers, and create a self-nurturing plan. For more information about the author and other works please visit: [www.theartofpracticalwisdom.com](http://www.theartofpracticalwisdom.com).
