It is now 25 years since the Personal Totem Pole was first published in 1987. It has never been out of print in that time.

The book remains a steady seller as it serves still as one of the clearest and most accessible descriptions of how a person can explore the Deep Imagination. Accessing as it does, the experience of Deep Imagery through the chakra system of the body, the book describes a way to engage with the deepest levels of imagery and still remain grounded and rooted in body. The Personal Totem Pole tells the story of the discovery of the chakra power animals. The chakra

power animals are the basis for the therapeutic model known as the Personal Totem Pole Process(c). The Personal Totem Pole Process(c) is an internationally acclaimed discipline, with practitioners worldwide. The Personal Totem Pole is an account by Dr. Gallegos of his experiences with his Totem Pole animals and of the experiences of some of his clients with theirs. The book is a gentle introduction to Deep Imagery and is of special interest to any one who

wishes to explore the Personal Totem Pole process, either on an individual level or as a therapeutic tool. The Personal Totem Pole Process(c) has been used worldwide by individuals interested in their own growth and healing, by medical practitioners, by those working with children, on vision quests and by artists and writers and other creative individuals in supporting their own creativity. The third edition of the book (2012) contains some new and updated materi

**The Power of Love** Hay House, Inc  
Jonathan Langley's life took a devastating turn when he lost his eyesight to a rare illness. Once a successful painter and printmaker, Jonathan now lives in complete darkness, rarely leaving his apartment and angry at the world. When he encounters his precocious 11-year-old neighbor, Lupe, the two form an unlikely friendship. Her cheerful presence shatters his hardened exterior, revealing a gentle man struck by

tragedy. Lupe leads him to a fresh perspective by showing him the power of kindness, compassion, and love. Based on the celebrated teachings of Louise Hay, *Painting the Future* explores the power of positive thinking in healing past struggles and learning to live a joyful, heart-centered life.
