Discover more about our fuzzy little insect friends with award-winning author and illustrator Charlotte Milner. The perfect introduction to bee conservation for little ones. Learn all about the beautiful world of bees and their adventure from flower to flower. You'll find out just how much they matter, why they are declining, and what we can do to help in this adorable kids' book. Bees are brilliant at building, super social creatures and along with other insects, are responsible for a third of every mouthful of food you eat! Children will be fascinated by the beautiful pictures and learn plenty of buzz-worthy fun facts in every chapter, covering types of bees, beehives, beekeeping, how they pollinate plants and make honey. A beautiful kid's educational book about bees with a crucial message: not only does it inform and educate about an issue that is a real threat, but it also delivers it in a way that is gripping for all ages. A dazzling celebration of bees,

packaged in a gorgeous hard-backed book made with high-quality paper and spectacular illustrations. What's The Buzz About Honey Bees? Meet the humble honeybee face-to-face - an animal that is considered nature's hardest worker, in this engaging, educational kids' book that you can treasure forever. What do they do all day? Why are bees important? Find out why they need our help and what you can do. Bees are responsible for so much more than making honey. This book is an essential tool in encouraging the protection of our precious buzzing friends for generations to come. Learn all about these valuable creatures: - What happens in the hive - What pollination is - Who the queen is - How honeybees talk to each other - How we can help them and much, much more! This adorable book is one of three children's books on conservation by award-winning author Charlotte Milner and includes The Sea Book and The Bat Book for your little ones to enjoy.

Field Trip to the Moon Chapter Books

Ros Taylor wakes from a drugged sleep in her North London flat to the ultimate urban nightmare. She has been sexually assaulted, her flatmate raped and murdered. And she can remember nothing. During the investigation that follows, Ros becomes increasingly close to one of the detectives. He admits that the police know who the killer is but don't have enough admissible evidence to be certain of a conviction. So Ros decides to lie. She identifies the accused man as her attacker. But her action has unexpected and unwelcome repercussions. As events spiral out of control, Ros realizes that neither she nor the police understand what really happened that night. She is about to discover that she is capable of things she never thought possible -- and that sometimes the truth can be even more dangerous than a lie . . .

The Elf's Hat One Day on Our Blue Planet

Irresistible chemistry and thrilling suspense combine in this electrifying new installment in New York Times bestselling author Lynsay Sands' Argeneau series... One hundred and twenty-five years is a long time to nurse a crush. That's how long it's been since Beth Argenis first met Cullen "Scotty" MacDonald and he instantly became the star of her most X-rated dreams. Back then, he was rescuing her from a Rogue Immortal. Now Beth's a Rogue Hunter - a damn good one. She doesn't need saving anymore, despite what Scotty thinks. What she does need is the fierce, wild desire that finally erupts between them. Scotty has hesitated to claim Beth as his own. But one explosive kiss confirms what he's long suspected: She's his life mate. But Beth is tough, fearless, beautiful...and in immortal danger. Unless he wants to lose her forever, he'll have to rethink everything he once believed about love and destiny as well as confront an enemy who's terrifyingly close.
