**ANDREW
JAYLIN**

**The Ways of
Mental
Prayer** EWTN

Publishing,
Inc.

In order, then,
to attach
ourselves to
this great
means of

salvation, we
must first of
all consider
how
necessary it is
to us, and how
powerful it is
to obtain for
us all the
graces that we
can desire
from God, if
we know how
to ask for
them as we

ought. Hence,
in the first
part, we will
speak first of
the necessity
and power of
prayer; and
next, of the
conditions
necessary to
make it
efficacious
with God.
Then, in the
second part,

we will show that the grace of prayer is given to all; and there we will treat of the manner in which grace ordinarily operates.

The teachings of St Teresa of Avila about personal prayer. The practicality of St. Teresa's teaching about mental prayer shines through in this wonderful synopsis of her writings

about it-- something she said "the whole world could not purchase."

Learn how we should pray, in order to grow in the spiritual life.

Imprimatur.

The Art of Mental Prayer
TAN Books

The Ways of Mental Prayer ranks as one of the Church's greatest classics on prayer, and was highly recommended as such by Fr. Garrigou-LaGrange, the 20th Century's greatest authority on mystical theology. Here Dom Lehodey, Abbot of

Bricquebec, concentrates on the beginning stages of prayer, up through what is called the prayer of quiet, but he also describes the higher forms of prayer as well, including the very summit, or the prayer of union. In the process, he explains the advantages, the joys and—yes—the trials of mental prayer, plus he gives practical instructions on the methods of practicing this type of

prayer. He also shows what to avoid and how to overcome the difficulties involved. By far the salient strength of this book is its description of how one goes from ordinary prayer to mystical prayer, which constitutes the giant step in the spiritual life. A wise and learned guide to spiritual matters, *The Ways of Mental Prayer* is a work destined to lead many to divine intimacy—a foretaste of

Heaven on earth.
Mary Magdalen
 Hassell Street Press
 At the heart of all prayer is a deeper inner desire for conversion of heart. This classic text by the well-known Dominican, Fr Wilberforce, establishes the importance of prayer in daily life, and systematically overcomes all the objections and difficulties people have in trying to establish a meaningful relationship with God

through prayer. The booklet's great strength is the simple and practical steps it invites the reader to follow to reach a point where daily mental prayer becomes an integral and important part of everyday living.

[The Ways of Mental Prayer](#)
Wellspring Prayer-- it's mysterious, challenging, frustrating . . . and life-changing.
Discover why growing in prayer, which sometimes can be compared to a battle, is worth every ounce of effort you give it. Even if you've never prayed, or if you've

never developed the habit of daily prayer, God is waiting to meet you where you are and encourage you every step of the way. Using a simple approach to prayer, you'll learn how even ten minutes a day can change your life. Author Dan Burke explains how to set up your own sacred prayer space, discusses the common obstacles to prayer, and provides practical ways

to overcome them. You'll also read stories of others who are seeking to orient themselves to God through prayer. If you're ready for God to transform your heart and mind, you will know the life that Jesus has promised; a life of peace and joy that cannot be taken away by the trials of this world. *Deliverance Prayers* Scepter Publishers A famous book based on the theme of founding one's

whole spiritual life on the lessons we learn from the Passion and Death of Jesus. Includes 31 meditations on different aspects of the Passion. Each meditation has 3 points, followed by a holy resolution to be taken and an example from the life of a Saint. The book also has many extras -- the Five Holy Wounds, visits to a crucifix, Mary Queen of Dolours, How to assist well at Mass, and more!

The Ways of Mental Prayer TAN

Books This book is the fruit of Fr. Dubay's many years of study and experience in spiritual direction and in it he synthesizes the teachings on prayer of the two great doctors of the

Church on prayer--St. John of the Cross and St. Teresa of Avila--and the teaching of Sacred Scripture. But the teaching that Fr. Dubay synthesized is not collected from Teresa and John for contemplative s alone. It is meant for every Christian and is based on the Gospel imperative of personal prayer and the call to holiness. All the major elements of these great teachers are ordered,

commented on and put in the context of their scriptural foundations. Here is an outstanding book on prayer and the spiritual life written by one of the best spiritual directors and retreat masters of our time, and based on the writings of the Church's two greatest mystical doctors. The Ways of Mental Prayer Forgotten Books This booklet clearly explains what mental prayer or

"meditation" is and how to do it. Whereas larger books about this topic fail, this booklet succeeds in helping to seek a true understanding of mental prayer as a form of meditation. Takes the beginner step-by-step through the 3 basic aspects. Mental prayer is for all--so is this book. How to Converse with God TAN Books In this short but comprehensive guide, Father Gabriel

describes in clear terms the means and methods of mental prayer. Set out in question-and-answer format, the Little Catechism of Prayer is an invaluable work for those seeking to enter more deeply into a life of prayer and loving communion with God. Mental prayer is indispensable to the spiritual life; normally it is, so to speak, its very breath. However, this spontaneity in

prayer is usually realized only if the soul applies itself to meditation for some time by its own personal effort. In other words, one must learn how to pray. It is to teach souls this devout practice that various meditation books have been published. There are many methods, each with its own merit; among them is the Teresian method, so called because it is based on the teachings of St. Teresa of Jesus, the Foundress of the Discalced Carmelites and the great mistress of the spiritual life. . . . We outlined this method in a pamphlet called the Little Catechism of Prayer.... It is a simple exposition of the Teresian method according to the writings of many Carmelite authors; its widespread circulation shows very clearly that this method answers the needs and the desires of many prayerful souls. Father Gabriel of St. Mary Magdalene, Preface to Divine Intimacy (1963). *Time for God* Tan Books
 The visions of Blessed Anne Catherine Emmerich are the world's greatest source of detail on the life of St. Mary Magdalen -- great sinner and penitent. Fully referenced to The Life of Jesus Christ (their source),

these pages agree completely with Sacred Scripture, but also tell of Mary Magdalen's sinful life from age 9, her extravagant attire, her second repentance after falling back into sin, her exorcism by Our Lord, His defense of her against the self-righteous, her relationship with Martha and Lazarus, her external appearance, her role at Calvary and much more. The Contemplative

Rosary with St. John Paul II and St. Teresa of Avila TAN Books
 Long beloved of Catholics worldwide, this book helps you conquer the obstacles that confront most people when they begin to try to pray regularly. Eugene Boylan discusses the nature and ways of prayer, the difficulties that you're likely to face if you don't pray, the purpose of meditation, and more. He examines all

this not from a theoretical standpoint, but from the perspective of the individual Catholic who's trying to pray better. As such, this book offers you solid encouragement to press on in prayer. The Way, Furrow, and The Forge Ignatius Press
 This keepsake book combines St. Josemaría's three beloved collections of spiritual guidance -- The Way, Furrow, and The Forge -- into one, with an expanded

and combined index. This three-in-one edition offers you a starting-point for prayer and for finding Christ in all your life's experiences. It introduces you to St. Josemaría's guiding vision of holiness in everyday life. *Carmelite Spirituality* TAN Books
