JIMMY ERNESTO

Taking Wing Zondervan
On the heels of the successful Lifetime TV version of *Flowers in the Attic* comes the TV movie tie-in edition of *Petals On the Wind*, the second book in the captivating Dollanganger saga. Forbidden love comes into full bloom. For three years they were kept hidden in the eaves of Foxworth Hall, their existence all but denied by a mother who schemed to inherit a fortune. For three years their fate was in the hands of their righteous, merciless grandmother. They had to stay strong...but in their hopeless world, Cathy and her brother Christopher discovered blossoming desires that tumbled into a powerful obsession. Now, with their frail sister Carrie, they have broken free and scraped enough together for three bus tickets and a chance at a new life. The horrors of the attic are behind them...but they will carry its legacy of dark secrets forever.

Signs of Hope Bethany House

In 1861, just a few years after the publication of

Charles Darwin's *On the Origin of Species*, a scientist named Hermann von Meyer made an amazing discovery. Hidden in the Bavarian region of Germany was a fossil skeleton so exquisitely preserved that its wings and feathers were as obvious as its reptilian jaws and tail. This transitional creature offered tangible proof of Darwin's theory of evolution. Hailed as the First Bird, *Archaeopteryx* has remained the subject of heated debates for the last 140 years. Are birds actually living dinosaurs? Where does the fossil record really lead? Did flight originate from the "ground up" or "trees down"? Pat Shipman traces the age-old human desire to soar above the earth and to understand what has come before us. *Taking Wing* is science as adventure story, told with all the drama by which scientific understanding unfolds.

Love Takes Wing (Love Comes Softly Book #7) Bethany House Publishers
The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the

irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated

than a hypothesis on love is putting her own heart under the microscope.

It Ends with Us Bethany House

Book 3 of Love Comes Softly. Clark and Marty's daughter, ready to start her own life, must rely on faith in the face of homesickness and mounting hardships.

Love Finds a Home

Baker Books

Belinda takes her nursing skills to Boston, but in spite of all the opportunities she would never have had in her little prairie town, loneliness envelops her.

Cloud Atlas Northwestern University Press

Love takes wing: Belinda Davis had trained as a nurse to assist her older brother, Doctor Luke. But as time goes by and she sees those she's grown up with getting married and settling into their own lives, Belinda becomes restless. What had seemed exciting and fresh becomes dull and routine.

Love finds a home:

Leaving her little prairie town, Belinda Davis never dreamed that the excitement of living in Boston would leave her restless and empty inside. Wealth, literature, travel, and romance touched her life with choices and decisions that brought

dissatisfaction rather than joy.

Love Takes Wing Book 7 of Love Comes Softly

Heartwarming Conclusion to the Companion Series to Hallmark Channel's When Hope Calls Lillian Walsh and Grace Bennett have learned so much already about caring for children in distress. It hasn't been easy, but it becomes even more difficult when they suddenly discover that three children have run away. Concerned for the trio's safety, the sisters will do all they can to find the children. But the runaways are not the only thing putting the future of the children's home in question. Lillian is faced with choosing between her dreams with fiancé Walter and her commitment to her sister.

Steady Ben Waldin is keen to find where his family settled in Canada and to give little Janie a place to permanently call home. And the sisters receive a pair of surprise visitors that leaves them and their family uncertain. As all of the people invested in the children's home seek to determine their paths forward, they begin to realize that sometimes loving well means making difficult choices.

Love Takes Wing Bethany House

An instant New York Times bestseller • A New York Times Notable Book of 2022 • A TIME Magazine Best Book of 2022 • One of The Washington Post's Best Books of 2022 • A Reese's Book Club Pick From the #1 bestselling author of Little Fires Everywhere, comes the inspiring new novel about a mother's unbreakable love in a world consumed by fear. "It's impossible not to be moved." —Stephen King, The New York Times Book Review "Riveting, tender, and timely." —People, Book of the Week "Thought-provoking, heart-wrenching...I was so invested in the future of this mother and son, and I can't wait to hear what you think of this deeply suspenseful story!" -

Reese Witherspoon (Reese's Book Club October '22 Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving but broken father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left the family when he was nine years old without a trace. Bird knows to not ask too many questions, stand out too much, or stray too far. For a decade, his family's life has been governed by laws written to preserve "American culture" in the wake of years of economic instability and violence. To keep the peace and restore prosperity, the authorities are now allowed to relocate children of dissidents, especially those of Asian origin, and libraries have been forced to remove books seen as unpatriotic. Bird has grown up disavowing his mother and her poems; he doesn't know her work or what happened to her, and he knows he shouldn't wonder. But when he receives a mysterious letter containing only a cryptic drawing, he is pulled into a quest to find her. His journey will take him back to the many folktales she

poured into his head as a child, through the ranks of an underground network of librarians, into the lives of the children who have been taken, and finally to New York City, where a new act of defiance may be the beginning of much-needed change. Our Missing Hearts is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It's a story about the power—and limitations—of art to create change, the lessons and legacies we pass on to our children, and how any of us can survive a broken world with our hearts intact. [A Measure of Mercy \(Home to Blessing Book #1\)](#) Bethany House Publishers
Janette Oke pioneered Christian fiction with the LOVE COMES SOFTLY series. Over one million readers fell in love with that first story of Marty and Clark Davis, whose tragic circumstances brought them to a marriage of convenience on the frontier prairies of the mid 1800s. Books 5-8 continue the story of Marty and Clark and the trials and loves of their grown children. The novels are being reissued in new packaging with

new design elements for your customers' gift giving and reading enjoyment. [Love's Enduring Promise \(Love Comes Softly Book #2\)](#) Bethany House
Book 5 of the bestselling Love Comes Softly series. Marty Davis had thoroughly enjoyed her visit with daughter Missie, even though a tragic accident had extended it far longer than originally planned. But now she and Clark are home again, and there are changes to make. The family begins to adjust to Clark's crutch, and Clark and Marty recognize their children's new maturity and independence. But Nandry seems unable to come to terms with Clark's handicap; is she blaming God for the accident? The "baby of the family" is going to be a doctor. Ellie has blossomed into a lovely young woman, but is there any fellow around special enough to ask for her hand? Clare and Kate eagerly anticipate their new baby, but has life prepared them for what lies ahead? [The Road to Somewhere](#) Baker Books
Belinda takes her nursing skills to Boston, but in spite of all the opportunities she would

never have had in her little prairie town, loneliness envelops her The Giving Tree Bethany House

Pardon My Heart is an exploration of love in the contemporary African American ethos. In this lyrically complex collection, the speakers and subjects—the adult descendants of the Great Migration—reckon with past experiences and revelatory, hard-earned ideas about race and class. With a compelling blend of narrative, musicality, and imagery, Jackson's poems span a multitude of scenes, landscapes, and sensations. Pardon My Heart examines intimacy, memory, grief, and festivity while seeking out new, reflective sectors within emotion and culture. By means of concise portraiture and sonic vibrancy, Jackson's poems ultimately express the urgency and pliability of the human soul.

Love's Unfolding Dream (Love Comes Softly Book #6) Vintage Canada
4-in-1 Collection

Petals on the Wind

Penguin

Eighteen-year-old Astrid Bjorklund has always dreamed of becoming a doctor. She had intended to study medicine in Chicago or Grand Forks, but when a disaster wiped out a major portion of her family's income, Astrid stayed home instead, receiving hands-on training from Dr. Elizabeth. Joshua Landsverk left Blessing two years ago, but he's never forgotten Astrid. Returning to town, he seeks to court her. Astrid is attracted to him, and when the opportunity unexpectedly opens for her to go to Chicago for medical training, she finds it difficult to leave. Love blossoms through their letters, but upon arriving back home, she makes a heartbreaking discovery. Will she have to give up

love to pursue her dream? *The Damascus Way* Farrar, Straus and Giroux (BYR)

Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret

work for the government on the tesseract problem. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in The Time Quintet, which consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Books by Madeleine L'Engle A Wrinkle in Time Quintet A Wrinkle in Time A Wind in the Door A Swiftly Tilting Planet Many Waters An Acceptable Time A Wrinkle in Time: The Graphic Novel by Madeleine L'Engle; adapted & illustrated by Hope Larson Intergalactic P.S. 3 by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of A Wrinkle in Time. Living with Loss Grove Press
By the New York Times bestselling author of The Bone Clocks | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. Cloud Atlas begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain

parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, Cloud Atlas is an unforgettable tour de force that, like its

incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel’s every page.”—The New York Times Book Review “One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.”—Dave Eggers “Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.”—People “The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I’ve never read anything quite like it, and I’m grateful to have lived, for a while, in all its many worlds.”—Michael Chabon “*Cloud Atlas* ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent.”—The Washington Post Book World “Thrilling . . . One of the biggest joys in *Cloud*

Atlas is watching Mitchell sashay from genre to genre without a hitch in his dance step.”—Boston Sunday Globe “Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate.”—Los Angeles Times

The Love Comes Softly Collection Penguin Book 7 of the bestselling *Love Comes Softly* series. Belinda Davis had trained as a nurse to assist her older brother, Doctor Luke. But as time goes by and she sees those she's grown up with getting married and settling into their own lives, Belinda becomes restless. What had seemed exciting and fresh becomes dull and routine. When she meets an elderly woman who needs nursing care, Belinda jumps at the invitation to go to Boston—a large, “civilized” city with cultural opportunities she's never even dreamed of in her little prairie town. But in spite of financial security and countless new experiences, Belinda finds herself restless, lonely, and empty inside.

Our Missing Hearts Oxford University Press From A to Z, the Penguin Drop Caps series collects

26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. *Barcelona, 1945: A city slowly heals in the*

aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.

[Janette Oke's Love Takes Wing ; Love Finds a Home](#)
Turtleback Books
In this "brave and

heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and

has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).
