VAUGHAN GLOVER

Shadow of a Doubt Denise Carson
On the cover of Carol Courcy's *SAVE YOUR INNER TORTOISE!* is a photo of a tortoise wearing a helmet, a large red rocket strapped to its back and wheels! Carol laughed when seeing it for the first time as it "fit" with how she felt in her own life-- a bit exhausted by life's demands and in need of protection as the helmet suggests. It was the rocket strapped to its back that compelled her to use the image on the cover. Those of us who hectically push our way through life need boosters to get ourselves through our many tasks and responsibilities. (Boosters like caffeine, sugar, long workdays, working on weekends and vacations or fitness classes to build stamina.) Carol thought many of her readers would find the cover humorous and a reminder of Aesop's fable about who won the race between the tortoise and the hare. If you recall, the story is about a hare who ridicules a slow-moving tortoise. Surprisingly, the tortoise challenges the hare to a race. When the race starts, the hare speeds off leaving the tortoise far behind. Confident of winning, the hare takes a nap midway through the race. However, when it awakes, the hare sees the tortoise crawling slowly but steadily across the finish line. Only then does the hare realize the error of its strategy. Like the hare, we exhausted self-sacrificing, never-enough overachievers assume that at our furious pace we can cross an ever-increasing number of finish lines. (We will get help or rest soon. And soon hasn't come yet.) As with the hare, we too sometimes find out too late we have

used the wrong strategy. Is now the time to *SAVE YOUR INNER TORTOISE?* This is an ideal book if more of the same in your life is NOT an option. You will learn simple and effective ways to undermine undesirable patterns of self-doubt and second-guessing that fuel exhaustion and overwhelm. The aim is to make your journey across your finish lines satisfying—*RIGHT FROM THE BEGINNING*. If you bring genuine interest, leave the *WHAT* and *HOW* to Carol. Welcome!

Best Thriller and Mystery of the Year - Washington Post Best Thriller and Mystery of the Year - San Francisco Gate
From the award-winning author of *Quicksand*, a gripping legal thriller that follows one woman's conflicted efforts to overturn what may be a wrongful conviction. I'm giving you a chance to achieve every lawyer's dream, said Sophia Weber's old professor. Freeing an innocent man. Thirteen years ago, a fifteen-year-old girl was murdered. Doctor Stig Ahlin was sentenced to life in prison. But no one has forgotten the brutal crime. Ahlin is known as one of the most ruthless criminals. When Sophia Weber discovers critical flaws in the murder investigation, she decides to help Ahlin. But Sophia doing her utmost to get her client exonerated arouses many people's disgust. And the more she learns, the more difficult her job becomes. What kind of man is her client really? What has he done? And will she ever know the truth?

New York Supreme Court BalboaPress
A moving exploration of how gay men construct their identities, fight to be themselves, and live authentically It goes without saying that even today, it's not easy to be gay in America. While young gay men often come out more

readily, even those from the most progressive of backgrounds still struggle with the legacy of early-life stigma and a deficit of self-acceptance, which can fuel doubt, regret, and, at worst, self-loathing. And this is to say nothing of the ongoing trauma wrought by AIDS, which is all too often relegated to history. Drawing on his work as a clinical psychologist during and in the aftermath of the epidemic, Walt Odets reflects on what it means to survive and figure out a way to live in a new, uncompromising future, both for the men who endured the upheaval of those years and for the younger men who have come of age since then, at a time when an HIV epidemic is still ravaging the gay community, especially among the most marginalized. Through moving stories—of friends and patients, and his own—Odets considers how experiences early in life launch men on trajectories aimed at futures that are not authentically theirs. He writes to help reconstruct how we think about gay life by considering everything from the misleading idea of “the homosexual,” to the diversity and richness of gay relationships, to the historical role of stigma and shame and the significance of youth and of aging. Crawling out from under the trauma of destructive early-life experience and the two epidemics, and into a century of shifting social values, provides an opportunity to explore possibilities rather than live with limitations imposed by others. Though it is drawn from decades of private practice, activism, and life in the gay community, Odets’s work achieves remarkable universality. At its core, *Out of the Shadows* is driven by his belief that it is time that we act based on who we are and not who others are or who they would want us to be.

We—particularly the young—must construct our own paths through life. Out of the Shadows is a necessary, impassioned argument for how and why we must all take hold of our futures.

No Shadow of a Doubt e-artnow

People don't abandon faith because they have doubts. People abandon faith because they think they're not allowed to have doubts. Even as a pastor, Austin Fischer has experienced the shadows of doubt and disillusionment. Leaning into perennial questions about Christianity, he shows that doubt is no reason to leave the faith—instead, it's an invitation to a more honest faith.

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to

showcase on your own shelves. Z is for Zafón. Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.

 'It's a pitch-perfect blend of ghostly terror and pacy thriller' Catherine Ryan Howard
 'Dark, spooky and brilliantly plotted, the perfect read for dark winter nights' Harriet Tyce
 Twenty-six years ago my brother was murdered in my family home. I was sent to a psychiatric unit for killing him. The truth is, I didn't do it. The whole world believed eight-year-old Cara killed her younger brother on that fateful night. But she blamed it on a paranormal entity she swears was haunting her house. No one believed her and after two years of treatment in a psychiatric unit for delusional disorder, Cara was shunned by her remaining family and put into foster care. Now she's being forced to return to the family home for the first time since her brother's death, but what if she's about to re-discover the evil that was lurking inside its walls?

Raped Beyond a Shadow of Doubt Other Press, LLC

Do you have significant doubts about God? Are you afraid to doubt, much less admit to anyone that you aren't fully convinced of God's faithfulness? Are you so torn by your questions that life is losing its meaning? This forthright but compassionate book works to tear away the layers of misunderstanding about doubt to reveal not only its dangers but its great value. As author Os Guinness explains: "If ours is an examined faith, we should be unafraid to doubt... There is no believing without some doubting, and believing is all the stronger for understanding and resolving doubt." For

those who are unsure of God's trustworthiness—and for those who are in a dark place, wanting to know "Why?" or "How long, O Lord?"—*God in the Dark* is a must. It puts a human face on the problem of doubt and examines it thoroughly. In a way that will respond to your questions, settle your fears, and strengthen your faith.

Confront Your Shadow Charisma Media
The Book of Lies was written by English occultist and teacher Aleister Crowley under the pen name of Frater Perdurabo. As Crowley describes it: "This book deals with many matters on all planes of the very highest importance. It is an official publication for Babes of the Abyss, but is recommended even to beginners as highly suggestive." The book consists of 91 chapters, each of which consists of one page of text. The chapters include a question mark, poems, rituals, instructions, and obscure allusions and cryptograms. The subject of each chapter is generally determined by its number and its corresponding Qabalistic meaning.

Positive Facts, Without a Shadow of Doubt eBookIt.com

On their 100th anniversary, the story of the extraordinary scientific expeditions that ushered in the era of relativity. In 1919, British scientists led extraordinary expeditions to Brazil and Africa to test Albert Einstein's revolutionary new theory of general relativity in what became the century's most celebrated scientific experiment. The result ushered in a new era and made Einstein a global celebrity by confirming his dramatic prediction that the path of light rays would be bent by gravity. Today, Einstein's theory is scientific fact. Yet the effort to weigh light by measuring the gravitational deflection of starlight during the May 29, 1919, solar eclipse

has become clouded by myth and skepticism. Could Arthur Eddington and Frank Dyson have gotten the results they claimed? Did the pacifist Eddington falsify evidence to foster peace after a horrific war by validating the theory of a German antiwar campaigner? In *No Shadow of a Doubt*, Daniel Kennefick provides definitive answers by offering the most comprehensive and authoritative account of how expedition scientists overcame war, bad weather, and equipment problems to make the experiment a triumphant success. The reader follows Eddington on his voyage to Africa through his letters home, and delves with Dyson into how the complex experiment was accomplished, through his notes. Other characters include Howard Grubb, the brilliant Irishman who made the instruments; William Campbell, the American astronomer who confirmed the result; and Erwin Findlay-Freundlich, the German whose attempts to perform the test in Crimea were foiled by clouds and his arrest. By chronicling the expeditions and their enormous impact in greater detail than ever before, *No Shadow of a Doubt* reveals a story that is even richer and more exciting than previously known.

NATIONAL BESTSELLER • At once an incredible adventure narrative and a penetrating biographical portrait—the bestselling author of *River of the Gods* brings us the true story of Theodore Roosevelt’s harrowing exploration of one of the most dangerous rivers on earth. The River of Doubt—it is a black, uncharted tributary of the Amazon that snakes through one of the most treacherous jungles in the world. Indians armed with poison-tipped arrows haunt its shadows; piranhas glide through its waters; boulder-strewn rapids turn the river into a roiling cauldron. After his humiliating election defeat in 1912, Roosevelt set his sights on the most punishing physical challenge he could find, the first descent of an unmapped, rapids-choked tributary of the Amazon. Together with his son Kermit and Brazil’s most famous explorer, Cândido Mariano da Silva Rondon, Roosevelt accomplished a feat so great that many at the time refused to believe it. In the process, he changed the map of the western hemisphere forever. Along the way, Roosevelt and his men faced an unbelievable series of hardships, losing their canoes and supplies to punishing whitewater rapids, and enduring starvation, Indian attack, disease, drowning, and a murder within their own ranks. Three men died, and Roosevelt was brought to the brink of suicide. The River of Doubt brings alive these extraordinary events in a powerful nonfiction narrative thriller that happens to feature one of the most famous Americans who ever lived. From the soaring beauty of the Amazon rain forest to the darkest night of Theodore Roosevelt’s life, here is Candice Millard’s dazzling debut. Look for Candice Millard’s latest book, *River of the Gods*.

Shadow of a Doubt Lulu Press, Inc

Let's face it: success and happiness are limited by what we tell ourselves and how we allow others to define us. How doubt can lead to greater faith. In this book, Barnabas Piper unpacks what faith really means. He shows how embracing doubts and questions can help us to get to know God better, and he encourages us to trust God in our everyday lives, even when we don't understand everything about him. This book will encourage Christians seeking to ask questions in a godly way and will give them confidence to trust God, even when some questions remain. This revised and updated edition includes biographical stories about Afshin Ziafat, C.S. Lewis and John Piper.

The Honorable Senator Sage-Brush The Good Book Company

Confront your shadow is a book about maintaining your composure during the dark stage of your life. Ever woke up feeling sad but happy circumstances were around you. You got a good job, you got a good mate, you are living the American Dream but for some reason, you still get this bad feeling in your stomach that something is not right. Now and then an individual goes through a transition of wanting more. Rather they are in a place in life that is wonderful or things need some growing. The average person elevates every three years. This means every three years your brain goes through a switch, what was once okay is no longer acceptable. Its called growth, and during this stage is the most difficult, finding yourself and discovering truths. As I began to develop my true self, searching for peace in a toxic mind. I could not control my thoughts no matter how great or bad the situation was. This book will help create new thinking patterns and break old habits. Many authentic people are not bad individuals they just express bad traits due to being in survival mode. It's not that you do not believe you deserve it, you are wondering how do you get there? Ever thought to yourself it might be you. The reason you didn't become successful, the reason you don't have that life-changing role all starts with you. As I took my journey of discovery I had to forgive myself for being human and accept the mistakes I have made. Once I gave myself a second chance so did life. It seems like everything began to fall in place again. I was getting calls for better jobs and even having better connections. Doing the work showed me outcomes that I wanted to share with the world. It actually works, healing the thing that

has been holding you back. Recreating your thinking for positive beliefs. If everything out your mouth comes true, did you say things to express life or death? This book will help you answer some hard questions and swallow some pills. How can you maintain happiness and stop feeling stuck? DO THE WORK within yourself and watch the Universe answer your request. The universe feels your energy when you doubt yourself. The universe feels your energy when you feel less deserving. The universe will answer your authentic self if you take the time to discover your true authenticity. For your cup to overflow it has to be filled, do not walk around half empty. Let us Elevate together as we tell our truths and discover our authenticity, together. #StayTuned

We all understand the Teacher-Student relationship. For most of us, the role of the Student is familiar. We are supposed to study hard, do our homework, turn it in on time, and never question the motives of the Teacher. But what if you were taught to think for yourself, free to not accept every lesson that was handed to you, and given the freedom to express your opinions. What if you could question any and every authority without fear of retaliation? Sandra was that student, who was born into a family that promoted critical thinking, and ultimately grew up and became the Teacher. Imagine what kind of questions the Student, turned Nun then Teacher would pose after several years of practice, and a perfect record of never having failed a student! She must have some very interesting questions on some very interesting topics.

Save Your Inner Tortoise! Tor Teen "Love The Wheel of Time? This is about to become your new favorite series." --

B&N SF & Fantasy Blog A young man with forbidden magic finds himself drawn into an ancient war against a dangerous enemy in book one of the Licanus Trilogy, the series that fans are heralding as the next Wheel of Time. As destiny calls, a journey begins. It has been twenty years since the godlike Augurs were overthrown and killed. Now, those who once served them -- the Gifted -- are spared only because they have accepted the rebellion's Four Tenets, vastly limiting their powers. As a Gifted, Davian suffers the consequences of a war lost before he was even born. He and others like him are despised. But when Davian discovers he wields the forbidden power of the Augurs, he and his friends Wirr and Asha set into motion a chain of events that will change everything. To the west, a young man

whose fate is intertwined with Davian's wakes up in the forest, covered in blood and with no memory of who he is... And in the far north, an ancient enemy long thought defeated begins to stir. The Licanus Trilogy is a series readers will have a hard time putting down--a relentless coming-of-age epic from the very first page. "Storytelling assurance rare for a debut . . . Fans of Robert Jordan and Brandon Sanderson will find much to admire."-- Guardian The Licanus Trilogy
