The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told—and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative, organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books.

India: The Seige Within Hal Leonard Corporation (Amadeus). The New York Philharmonic, from Bernstein to Maazel

continues the story of America's oldest orchestra as told in Howard Shanet's *Philharmonic: A History of New York's Orchestra*. That volume ended with the 1970-71 season, just before the arrival of Pierre Boulez as music director. Obviously, much has happened since. This book begins, however, with a retrospective account of the controversial last years of the tenure of Dimitri Mitropoulos and the ascendancy of Leonard Bernstein to the music directorship. Having been a Philharmonic assistant conductor during Bernstein's tenure, and an inveterate Philharmonic watcher ever since, the author brings some personal insights to the story as well as moments of humor. A sub-theme of the book concerns the way the Philharmonic and its music directors have been treated by the New York press, the Times in particular. Howard Taubman's attacks on Mitropoulos, Harold Schonberg's on Bernstein, and Donal Henahan's on Zubin Mehta are all covered here, as are the writings of various critics on those and other conductors, and on the orchestra itself. The New York Philharmonic is the only orchestra ever to undertake a foreign tour solely on the initiative of its musicians, without benefit or support from management. How this came about is chronicled, as are the opening of Lincoln Center, the Parks

Concerts, Promenades, Prospective Encounters, Rug Concerts, tours, and, of course, the subscription seasons. John Canarina shows how the New York Philharmonic weathered extraordinary ups and downs during this period, while remaining a vital component of New York's cultural life.

Jazz great Gerald Wilson (1918-2014), born in Shelby, Mississippi, left a global legacy of paramount significance through his progressive musical ideas and his orchestra's consistent influence on international jazz. Aided greatly by interviews that bring Wilson's voice to the story, Steven Loza presents a perspective on what the musician and composer called his "jazz pilgrimage." Wilson uniquely adapted Latin influences into his jazz palette, incorporating many Cuban and Brazilian inflections as well as those of Mexican and Spanish styling. Throughout the book, Loza refers to Wilson's compositions and arrangements, including their historical contexts and motivations. Loza provides savvy musical readings and analysis of the repertoire. He concludes by reflecting upon Wilson's ideas on the place of jazz culture in America, its place in society and politics, its origins, and its future. With a foreword written by Wilson's son, Anthony, and such sources as essays, record notes, interviews, and Wilson's own reflections, the biography represents the artist's ideas with all their philosophical, historical, and cultural dimensions. Beyond merely documenting Wilson's many awards and recognitions, this book ushers readers into the heart and soul of a jazz creator. Wilson emerges a unique and proud African American artist whose tunes became a mosaic of the world.

Nostalgia for the Future is the first collection in English of the writings and interviews of Luigi Nono (1924-1990). One of the most prominent figures in the development of new music after World War II, he is renowned for both his compositions and his utopian views. His many essays and lectures reveal an artist at the center of the analytical, theoretical, critical, and political debates of the time. This selection of Nono's most significant essays, articles, and interviews covers his entire career (1948-1989), faithfully mirroring the interests, orientations, continuities, and fractures of a complex and unique personality. His writings illuminate his intensive involvements with theatre, painting, literature, politics, science, and even mysticism. Nono's words make vividly evident his restless quest for the transformative possibilities of a radical musical experience, one that is at the same time profoundly engaged with its performers and spaces, its audiences, and its human and social motivations and ramifications.

MJ Akbar is among those who have made a significant impact on Indian society by their writing, whether as authors or editors. Founder and Editor-in-Chief of the seminal newsmagazine, *Sunday*, in 1976 and *The Telegraph* in 1982, he revolutionized Indian journalism in the 1970s and 80s. In the 1990s he launched *The Asian Age*, a multi-edition daily that once again had substantive impact on the profession. He has also served as the Editorial Director of *India Today*, *Headlines Today* and as the editor of the *Deccan Chronicle* and the *Sunday Guardian*. MJ, as he is popularly known, first entered public life in 1989, when he was elected to the Lok Sabha. He went back to media in 1993 and returned to the political area in 2014, when he joined the Bharatiya Janata Party (BJP) and became the party's national spokesperson during the 2014 campaign led by Prime Minister Narendra Modi. In July 2016, he was named the Minister of State for External Affairs by Prime Minister Modi. His seven books have achieved great international acclaim: *India: The Siege Within*; *Nehru: The Making of India*; *Riot-after-Riot*; *Kashmir: Behind the Vale*; *The Shade of Swords: Jihad and the Conflict between Islam and Christianity*; *Tinderbox: The Past and Future of Pakistan and Blood Brothers*, his only work of fiction. In addition, there have been four collections of his columns, reportage and essays.

NICK PERITO has accompanied, arranged, composed and conducted for many of the world's most famous singers and

entertainers. His career in television has earned him twelve Emmy nominations. This book offers an affectionate glimpse of his upbringing as the son of Italian immigrants and recounts his successful career in the colorful and unpredictable world of show business. "I NEVER THOUGHT I could get up in front of an audience and just sing my favorite songs - and even make it into a one-woman show. It was Nick's idea and he was relentless in insisting that I do it. God will get him for that!" - Bea Arthur "I ADORE THE work of Nick Perito because it is an extension of the warmth, humor and charm of the man. He has made a tremendous contribution to the preservation of great music and continues to create fresh and essential sounds for our time. Bravo, Nick!" - Michael Feinstein "SOMETIMES WHEN I'm listening to a Perry Como recording and I hear Nick Perito playing so beautifully behind him, it brings me to a sweeter time in my life. All those great songs and arrangements. Recently I had the good fortune to have Nick as my conductor and what a treat. I almost stopped the show just to watch him play. What a life he has led! Sometimes it's just the quiet guy behind the piano who has the best stories to tell. Nick is one of them. You'll love his book." - Regis Philbin "NICK PERITO NOT only just happened to be there,' he was a vibrant and active participant in the glory days of American popular music. For those interested in the music and personalities of this marvelous era, I cannot recommend this book more highly." - Patrick Williams "NICK IS A great arranger, a wonderful musician, a dear friend...and he can write, too." - Linda Hope
