Flashcards of My Life Independently Published

Flashcards are an easy and interesting way for your child recognize the world around them. Approved worldwide by child psychologists, teachers and parents themselves, flashcards are ideal for very young children and those up to 7 years of age. During a child's formative years, developmental cards are almost a necessity, and not just for entertainment. Flashcards are great for games and just starting conversations with your child. It's long been known that the key to

developing a child's intellectual abilities is their personal perception and experiences during the first five years of life. By showing your child these cards, you'll Stimulate brain activity, Better develop your child's logical thinking, Improve their memory and attention span and Develop reading skills faster than their peers. It's easy to teach your child with these cards and regular studies are essential. Product Details: * 200 basic words with pictures flashcards * 9 freestyle writing pages * Printed on black & white interior with bright white smooth paper * Premium matte cover finish * Perfect for all lettering mediums * Large format 8.5" x 11.0" (215mm x 280mm) pages [English Japanese First Words Vocabulary with Pictures Educational Flashcards](#)
