 This comprehensive guide will facilitate scholarly research concerning the history of Christianity in China as well as the wider Sino-Western cultural encounter. It will assist scholars in their search for material on the anthropological, educational, medical, scientific, social, political, and religious dimensions of the missionary presence in China prior to 1950. The guide contains nearly five hundred entries identifying both Roman Catholic and Protestant missionary sending agencies and related religious congregations. Each entry includes the organization's name in English, followed by its Chinese name, country of origin, and denominational affiliation. Special attention has been paid to identifying the many small, lesser-known groups that arrived in China during the early decades of the twentieth century. In addition, a special category of the as yet little-studied indigenous communities of Chinese women has also been included. Multiple indexes enhance the guide's accessibility.

The ethnic Chinese in Indonesia, numbering more than six millions, constitute the largest single group of ethnic Chinese in Southeast Asia. They are economically strong, culturally diversified, and socially active. This book presents the profiles of leading figures in the Indonesian Chinese community in the twentieth century in the economic, political, religious, cultural, academic, and social fields. This is the first systematic and comprehensive book of its kind. It is useful for scholars interested in research on Indonesia or Chinese minorities in Southeast Asia generally. First published in 1971, it was revised and developed into the present format in 1978 and has since been revised several times. This is the third and most up-to-date version.

 From post-Civil War political feuds to Depression-era mass murder—explore the criminally fascinating secret history of Music City, USA. Nashville is known for its bold, progressive flair, but few are aware of its malevolent past. Now, historian Brian Allison sheds light on some of Nashville's darkest deeds in this compulsively readable chronicle of turn-of-the-century bad behavior. Included here are tales of infamous bar brawls, escaped fugitives, and deadly duels instigated (and won) by legendary hothead Andrew Jackson; a tour of the notorious red-light district of Smokey Row, where one of the largest congregations of prostitutes in the country was at the service of 1000s of beleaguered boys in gray; a killer temptress with a penchant for poison who strolled the city streets looking for victims; a grisly—and true—local legend known as the Headless Horror; the facts behind the macabre 1938 Marrowbone Creek cabin murders; and much more. Vividly capturing the outlandish mischief, shocking crimes, and political powder kegs of an era, *Murder and Mayhem in Nashville* lifts the veil on a great city's sordid secrets.  
*Royal Elite Epilogue* Wentworth Press  
 He's prince charming. Just not hers. I have a secret. I stole a heart, or rather a marriage contract. It wasn't mine to own, to look at or to even consider. But it was there for the taking so I took it. Huge mistake. Ronan Astor is a nobility in this world. Arrogant player. Heartless bastard. Vicious prince. Now, he's out to destroy me. What he doesn't know is that I'm out to destroy him too. My name is Teal Van Doren, and I'm where princes go to die. Vicious Prince is part of Royal Elite Series but could be read on its own. For a better understanding of the world, you might want to read the previous books first. This is a mature new adult and contains situations that some readers might find offensive or triggering.  
*With Boat and Gun in the Yangtze Valley* ICHRP  
 The kingdom isn't supposed to fall. The truth screws you over before it sets you free. Masks drop. Secrets unravel. Elsa's race after the past blinds her from the present. I'll fight for her. I'll bring her back. I'll protect her even if it's the last thing I do. We made a

promise. She's mine. Are you ready for one final game, sweetheart? Twisted Kingdom is book three of Royal Elite Series and should be read after Deviant King & Steel Princess. This is a dark high school bully romance, mature new adult, and contains dubious situations that some readers might find offensive. This book is the final part of a trilogy and is NOT standalone.

 Known as the door between this world and invisible realms, Shambhala is earth's central chakra, where bodhisattva and ascended masters watch over humanity's future evolution. Roerich's classic account, written following a harrowing 5-year exploration of Central Asia and Tibet, explains "the reality of this indescribable realm on earth."

The villain isn't supposed to be king. I have a simple plan. Finish Royal Elite School and get into my dream university. One glance from the school's king blows my plan up in smoke. One glance and he suffocates my air. One glance and he issues his death sentence. His first words spiral my life into irreparable chaos. "I will destroy you." Everything about Aiden King is black. Black mind. Black heart. Black soul. I should've remained quiet and endured the time I have left. I didn't. I made the irrevocable mistake of provoking the king on his throne. The devil in his hell. And now, I'll pay the price. Being hated by Aiden King is dangerous. But being wanted by him is lethal. Deviant King is book one of Royal Elite Series. This is a dark high school bully romance, mature new adult, and contains dubious situations that some readers might find offensive. Aiden isn't the normal romance hero. In fact, he's not a hero at ALL. So please don't read this if any of that bothers you. This book is part of a trilogy and is NOT standalone. The entire trilogy is available.

During a nine-day period every autumn, Hindus in India and throughout the world worship the Great Goddess, Durgā--the formidable deity who is loved like a mother. One of the most dramatic and popular of these celebrations is the Durgā Pūjā, a rite noted for its visual pageantry, ritual complexity, and

communal participation. In this book, Hillary Peter Rodrigues describes the Bengali style of Durgā Pūjā practiced in the sacred city of Banaras from beginning to end. A romanization of the Sanskrit litany is included along with an English translation. In addition to the liturgical description, Rodrigues provides information on the rite's component elements and mythic aspects. There are interpretive sections on puja, the Great Goddess, women's roles in the ritual, and the socio-cultural functions of the ritual. Rodrigues maintains that the Durgā Pūjā is a rite of cosmic rejuvenation, of empowerment at both the personal and social levels, and a rite that orchestrates manifestations of the feminine, both Divine and human.

What time is it? Adventure Time™! Explore the magical world of Ooo with Jake the Dog and Finn the Human, along with the Ice King, Princess Bubblegum, Marceline the Vampire Queen, and all your favorite Adventure Time characters, in this New York Times bestselling companion book to Cartoon Network's hit animated series. Written and compiled by the Lord of Evil himself, *The Adventure Time Encyclopaedia* matches the playful, subversive tone of the television series, detailing everything anyone will ever need to know about the postapocalyptic land of Ooo and its inhabitants—secret lore and spells, fun places you should visit and places where you will probably die, whom to marry and whom not to marry, how to make friends and destroy your enemies—plus hand-written marginalia by Finn, Jake, and Marceline. An indispensable guide to the show fans love to watch, this side-splittingly funny love letter to Adventure Time is sure to appeal to readers of all ages. Heck yeah! From the Back Cover: Written by the Lord of Evil Himself, Hunson Abadeer (a.k.a. Marceline the Vampire Queen's dad), to instruct and confound the demonic citizenry of the Nightosphere, *The Adventure Time Encyclopaedia* is perhaps the most dangerous book in history. Although seemingly a guidebook to the Land of Ooo and its postapocalyptic inhabitants, it is in fact an amusing nightmare of literary pitfalls, bombastic brain-boggles, and ancient texts designed to drive the reader mad. Complete with secret lore and wizard spells, fun places you should visit and places where you

will probably die, advice on whom to marry and whom not to marry, and how to make friends and destroy your enemies, this volume includes hand-written marginalia by Finn, Jake, and Marceline. Arguably the greatest encyclopaedia ever written since the beginning of the cosmos, it is also an indispensable companion to humans and demons who know what time it is:

Suvarnadvipa comprises Malay Peninsula and Sumatra, Java, Borneo and Bali islands. These places came under the influence of Indian civilization, in remote past and gradually flourished into powerful empires, rich both in material attainments and cultural refinements. The history and culture of these places are both interesting and culture of these places are both interesting and instructive. Apart from the importance of these regions in themselves, the study of Indian civilization must be regarded imperfect as long as the achievements of Indians and local people who imbibed Indian culture in the Far East, are not taken into account. But very little about these regions was known till Dr. R.C. Majumdar drew our attention to this field of research through his pioneering works in India. Suvarnadvipa in two volumes is the fruit of one of his painstaking researches. The author has used all the available material brought to light by the Dutch savants and all native and foreign sources, viz. accounts of Chinese travellers and Arab historians and geographers. He has interpreted various stories that throw light on the spread of Hinduism and Buddhism in Java, Bali, and Borneo and studied and used local inscriptions as source materials. He deals with the Sailendra Empire and later Indo-Javanese empires with fullness and care. It is an interesting theme told in an interesting manner. The first volume is devoted to the study of the political history upto the downfall of the Hindu kingdoms in Suvarnadvipa, while the second volume deals with the cultural history. Subjects covered by the second volume are law and socio-economic conditions, literature, religions, use of Sanskrit, art and architecture in different ancient sites, etc. The value of the work has been enhanced by seventy-five plates of illustrations.
