Little Owl's Big Wait Houghton Mifflin Harcourt

For young detective Aggie Morton and her friend Hector, Christmas becomes a lot more exciting when a dead body is found in this second book in the Aggie Morton, Mystery Queen series, inspired by the life of Agatha Christie as a child and her most popular creation, Hercule Poirot. For fans of Enola Holmes. Aspiring writer Aggie Morton is looking forward to Christmas. Having just solved a murder and survived her own brush with death in her small town of Torquay on the coast of England, Aggie can't wait to spend the holidays with her sister Marjorie, the new Lady Greyson of Owl Park, an enormous manor house in the country; Grannie Jane and her fellow sleuth and partner in crime, Hector Perot. Owl Park holds many delights including Aggie's almost cousin Lucy, exciting and glamorous visitors from Ceylon and disguises aplenty in the form of a group of travelling actors, not to mention a secret passageway AND an enormous, cursed emerald. Not even glowering old Lady Greyson (the Senior) can interfere with Aggie's festive cheer. But when Aggie and her friends discover a body instead of presents on Christmas morning, things take a deadly serious turn. With the help of a certain nosy reporter, Aggie and Hector will once again have to

put their deductive skills and imaginations to work to find the murderer on the loose. Filled with mystery, adventure, unforgettable characters and several helpings of tea and Christmas pudding, *Peril at Owl Park* is the second book in a new series for middle-grade readers and Christie and Poirot fans everywhere.

Night Tree Cambridge University Press

New York Times bestselling author Donna Andrews returns with another Meg Langslow mystery written "firmly in the grand tradition of Agatha Christie's Christmas books" (Toronto Globe and Mail). The 26th book and the sixth Christmas mystery in the Meg Langslow series, *Owl Be Home for Christmas* is yet another wonderfully merry and funny book from New York Times bestselling author Donna Andrews. It's a few days before Christmas, and Meg's grandfather is hosting a scientific conference on owls at the Caerphilly Inn. Most of the family are there, helping out in one capacity or another, including Meg's grandmother, Cordelia--invited by Grandfather in rare gesture of peace-making, to share her expertise on rehabilitating large

birds, including owls. An unexpectedly severe snow storm traps the conference-goers in the hotel, and one of the visiting ornithologists is murdered. Even if Caerphilly is able to clear the roads in time, Chief Burke doesn't want the various suspects to scatter to half a dozen continents before he identifies the killer, so there's a very real possibility that none of them will make it home for Christmas . . . at least not unless Meg comes to the rescue. Full of intrigue and snow, this Christmas mystery will take readers home to Caerphilly for Christmas.
